that has changed since her mother skipped town with dreams of becoming a singing star. Cadence inherited that musical soul, she can't deny it, but otherwise she couldn't be more different - she's as shy as can be. She did make a promise last year that she would try to break out of her shell, just a little. And she prayed that she'd get the courage to do it. As her eleventh birthday draws near, she realizes time is running out. And when a secret recording of her singing leaks and catches the attention of her whole church, she needs to decide what's better: deceiving everyone by pretending it belongs to someone else, or finally stepping into the spotlight. In a story filled with whimsy and hope, Sherri Winston inspires readers to embrace the voice within.

Please pay attention to monsters! Macmillan Picture Book Award, New York Times Newsboy Book Award, World Illustration Award-winning author Besson Bethan Woollvin (Bethan Woollvin) originally started his original picture book on his own journey to catch monsters, but unexpectedly discovered that the real monster was actually different from what I thought... Following the best-selling picture book Little Red, After Rapunzel, and Hansel & Gretel flipped the fairy tales, Besson Wu Wen takes a strong and kind little girl as the protagonist, and creates a fun and surprising adventure for all readers.
