are failing. Smart companies are pioneering an entirely new route to higher margins and sustainable competitive advantage: customer advocacy. This book reveals how it works, why it works, and how to make it work for your company.

"The second edition of this great book brings a wealth of updates and insights into international advertising. Barbara Mueller has a knack of drawing you in so that you find yourself unable to put each chapter down. One of the great strengths of the book is that it provides context, be it historic, societal or marketing, along with considerable depth of knowledge."---Douglas West, University of Birmingham --

Between the relative economic stability of the sixties and our troubled times now, the American Dream has become more Dream than American. Our economy is based on greed instead of merit. Our political system eschews wisdom for authoritarianism. Our cultural system promotes idolatry over harmony. We, the middle class, could blame this shift on recent events, but the reality is that the corruption of our economic, political, and cultural systems is far more insidious and deeply ingrained than we are led to believe. These trusted systems have become unbalanced. We have been active -- if not conscious -- participants of this decline, and we must now wake up. If the Iraq War and the market crisis of 2008 have taught us nothing else, we must learn the importance of recognizing when we are being misinformed. We must learn to think critically, sifting

through the information that bombards us daily and separating fact from misinformation. Kirk D. Sinclair, PHD, approaches these complex and initially overwhelming concepts with the clear and thoughtful mind of a scientist. He scrutinizes, untangles, and exposes the issues, banishing doublespeak designed to make us complicit and encouraging us to step up and take responsibility for the systems that so dominate our lives. With this collection of intelligent, comprehensive essays, Sinclair has broken down the problems many of us did not even know we had. "Systems Out of Balance: How Misinformation Hurts the Middle Class" will arm you with valuable knowledge and an increased understanding of our social systems, how they affect our lives, and what you can do to restore the balance. The time to truly exercise our liberty is now.

The sports business is a dynamic and growing industry in the U.S., Europe, Asia Pacific and elsewhere. In addition to major sporting leagues and teams, related sectors include sporting goods manufacturing, sports apparel, sporting events broadcasting and retailing. Sports and professional athletes attract companies interested in endorsements, advertising, merchandising and marketing opportunities. Plunkett's Sports Industry Almanac 2008 covers such sectors, providing competitive intelligence, market research and business analysis. Our coverage includes sports business trends analysis and sports industry statistics. We also include a sports business glossary and a listing of sports industry contacts, such as industry associations. Next, we profile over 350 leading teams, leagues and sports sector
