This book is simply prayers--prayers that were prayed when I sensed the Spirit whisper. When the Holy Spirit leads me to pray about something, I must pray. This book is a cry from my soul, from a heart that is often breaking, asking God to help me. Prayer is simply that, is it not? It is going to the Father and thanking Him or asking Him for something--usually help and oftentimes mercy. Prayer is communicating with the King of Kings and Lord of Lords, who waits earnestly for us to come to Him. So join me in praying to the King.

When speaking on the topic of prayer, words that are often uttered are "I don't know what to say" or "I don't know where or how to start." These kinds of statements are usually expected from certain people. Truthfully, these are statements that are usually uttered by those who have grown up in church and ultimately, have been groomed by the church. These are words you would not expect to hear from a person who has spent their lives hearing about prayer through teaching, or who have experienced the power of prayer first hand. The sad truth is, as time advances, studies have shown that millennial's have become smarter in some areas, but have fallen away from the fundamentals of the faith, for example, Prayer and Bible Study. When we are called on to Pray, when we need Prayer or even have a desire to pray but we don't know what to say, my advice to you my friend is DO NOT hesitate to go to the Holy Scriptures. There are many examples there. There are examples on what to say, how to say it and when to say it. God is so amazing that he made sure we had an example for any and everything. In this book, you will go through a 31 Day program of simply praying The Word instead of your worries. You will go through this 31 Day program praying prayers modeled after those in the book of Psalms. It is my

hope and prayer that these prayers will challenge, encourage, and inspire you to seek God honestly, wholeheartedly and transparently. Psalms very well may be the most contemporary book in the whole Bible because people today can identify intimately with the expressions of trust, hope, lament, and praise found there. I pray for the next 31 days you're challenged to dig deeper and genuinely cry out in your time of Prayer and Intercession. God loves you and He cares, and He wants to hear from you.

God wants to bless our husbands with an abundance of wisdom. He greatly desires for them to be wise and knowledgeable, whether they have to deal with simple matters or complicated circumstances at home, in ministry, at work, or with friends. God is eager to anoint them with the ability to be aware, alert, and balanced in the running of their lives. He so wants to bless our spouses with the Fruit of the Spirit - helping them to pursue excellence in daily living. Our Lord created man to bring honor and glory to His name. But, left alone, men (and the human race in general) are prone to being selfish, self-centered people who have the tendency to do perpetually silly, unproductive things. Their minds can so easily veer towards being consumed with what is right for them: what they want for themselves, what makes them feel contented, what they should be entitled to, or what they think they deserve. And our culture often promotes and encourages

such unhealthy mindsets. However, in the midst of such a way of life, it is upon these selfsame men that God has rested the heavy mantle of leading our families, providing for them, and protecting them. In our seemingly "I" consumed nation, choosing to live selfishly is a natural choice for many people. Living wisely, on the other hand, is something we have to be proactive and intentional about, something that has to be taught to us. In other words, ladies, our husbands need help! They especially need God's help if they are to succeed in making prudent and sensible decisions for themselves and their families, but they also need our assistance. 31 Days of Praying God's Wisdom for My Husband is a prayer book that focuses on insights garnered from a selected verse or verses from every chapter of the book of Proverbs. It is written as a prayer guide to support and aid wives who genuinely desire God to fill their husbands with His wisdom, empowering them to live holy, God-honoring lives - bringing strength and stability to their families. The great need for wise insight is highlighted over and over again in the book of Proverbs. This book teaches us honest truths about how to use wisdom in watching what we say and do, and how we should treat others. It gives us sound principles for living holy and devout lives that bring honor and glory to God. It uses words like wisdom, knowledge, understanding, and instruction, again and again, to assist us in gaining a God-perspective for

Most of all, it strives to inform us fine ladies that we are not alone, that indeed, many others will be taking this exciting journey with us - praying diligently for our spouses. This is a book of prayers birthed out of my own personal experience of not having my biological involved in my life. The absence of a father/daughter relationship impacted my life in several ways including failed relationships and emotional detachment. The prayers in this book were not designed to ask God to fix my biological father but to free me from the disappointment, resentment, anger, confusion and hurt that I've carried since childhood. Sincerely praying for him released me from those feelings and changed my perspective. I stopped seeing my father as an absent father and started seeing him as a son of God.

For He knows that left to themselves, our kids are prone to being selfish, self-centered persons who have the natural tendency to do perpetually silly, unproductive things. 31 Days of Prayer is the most recent prayer book by Tillamook Countywide Prayer Team, inspired by the need for an extreme prayer effort to be lifted up to the Lord by the multitudes throughout the United States in the face of the extraordinary sequence of crises afflicting the United States in 2020. We believe this prayer book is for NOW 'such a time as this'. As we live in today's political, economic and social climates and head into the fall elections, our nation needs our prayers more than any other time in history. "What can I do about what's going on?" you may ask? 1. The MOST effective thing you can do is to PRAY in faith. 2. Next, you can ENCOURAGE others to seek God in prayer asking Him to intervene in our nation. 3. Finally, you can VOTE for candidates who uphold godly values. This is a season which calls for ALL Christians to rise up and take a stand against the forces of darkness that so boldly attempt to threaten our

freedoms. In these pages are 31 prayers for 31 days. We encourage God's people to begin this prayer guide August 1st and repeat it in September and October. We urge you to tell others about it so that more and more people will be actively praying for this homeland we love: One Nation Under God! This book is a compilation of powerful prayers for today. They are written by pastors and intercessors from many different churches. You will notice the writer's different personalities reflected, and the strength and inspiration of the Holy Spirit in the words expressed. These prayers are gifts from intercessors who have pressed in to hear the Lord's heart. On behalf of the writers, we submit these prayers to you and to our Lord. "Let us therefore come boldly to the throne of grace, that we may obtain mercy and find grace to help in time of need." Heb. 4:16 This is a season of sorrows for our nation and for the world. Jesus talked about this in Matt. 24:4-8 and Mark 13:5-8. It implores "face-time" (on our face) with the Father. We invite you to pray these prayers out loud; include your family, friends and prayer partners. From the depths of your heart, cry out to the Lord and let these prayers catapult your prayer life into a new realm. May He, the God of all comfort grant you peace and protection and draw you ever so close to His heart. Jesus is praying for your husband, and He invites you to join Him! Ladies, God wants to bless us with a wealth of wisdom. He greatly desires for us to be wise and knowledgeable, whether we have to deal with simple matters or complicated circumstances at home, in ministry, at work, or with friends. God is eager to anoint us with the ability to be aware, alert, and balanced in the running of our lives. He so wants

to bless us with the Fruit of the Spirit - helping us to pursue excellence in daily living. God innately made women tender and loving, natural nurturers of humanity - bringing honor and glory to His name. However, left alone, we (and the rest of the human race) are prone to being selfish, self-centered people who have the tendency to do perpetually silly, unproductive things. Our minds are often consumed with what is right for me: what I want for myself, what makes me feel comfortable, what I should be entitled to, or what I think I deserve. And our culture often promotes and encourages such unhealthy mindsets. Still, in the midst of such an unwholesome standard of living, women are called to be helpers, to foster positive growth, and to teach others - encouraging resilient godly legacies. We are typically an "I" consumed nation. Let's face it; choosing to live selfishly is a natural choice for us. Living wisely, on the other hand, is something we have to be proactive and intentional about, something that has to be taught to us. In other words, we need help! We especially need God's help if we are to succeed in making wise decisions for the many concerns in our lives. 31 Days of Praying God's Wisdom for Myself is a prayer book that focuses on insights gleaned from a selected verse or verses from every chapter of the book of Proverbs. It is written as a prayer guide to support and aid all women who genuinely desire God to fill them with His wisdom, empowering them to live holy, God-honoring lives - bringing strength and stability to their daily walk. The great need for wise insight is highlighted over and over again in the book of Proverbs. This book teaches us honest truths about how to

use wisdom in watching what we say and do, and how we should treat others. It gives us sound principles for living holy and devout lives that bring honor and glory to God. It uses words like wisdom, knowledge, understanding, and instruction, again and again, to aid us in gaining a God-perspective for any given situation in life. The book of Proverbs indeed gives us instructions on how to grow in wisdom. This devotional book will encourage women to take out 31 days of focused time seeking God in prayer for His wisdom, His guidance, and His direction for the many issues and challenges we face. It will inspire us to look at His Word in the book of Proverbs and apply God's insights to our daily walk. We should expect to be challenged, stretched, and moved out of our comfort zones as we aspire to become better women: women who are kinder, more forgiving, God-fearing, respectful of others, and seekers of God's blessings rather than those of man. The positive affirmation at the close of each daily reading should help us leave each day feeling blessed and encouraged. This prayer book also seeks to inspire all of us as women to take time out to listen to God and to journal (Wisdom Notes) any directives or insights He imparts to us concerning ourselves and the various circumstances surrounding our lives. Most of all, it strives to inform us fine ladies that we are not alone, that indeed, many others will be taking this exciting journey with us - praying diligently for ourselves and gleaning God's vision for our lives! 31 Days of Praying God's Wisdom for Myself invites women to look to God for His guidance and insight into our lives. We pray. God answers.
