Students get insight into themselves while reading about this group of teenagers' journey to self-discovery. Incorporate a variety of challenging questions dealing with opinions of the reader as well as asking for evidence from the text to support those opinions. Come up with reasons why most people tend to be reluctant to speak their mind. Identify what motivated Pastor Don to give free guitar lessons. Students find quotations that may appear next to their picture in a yearbook and reflect on how it applies to them. Write complete sentences using vocabulary words found in the text. Design an information card for the Rhododendron plant. List the main events from the novel in the order in which they happened on a Sequence Chart. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also

included. About the Novel: *Criss Cross* is a Newbery Medal-winning story about several teenage characters living in the small town of Seldem in the 1970s. The story intersects between several characters, each with their own issues and each one trying to discover who they are as individuals. There is the shy, introspective Debbie; the multitalented Lenny; the nerdy, guitar-playing Hector; and the brainy, all-together sister of Hector, Rowanne. *Criss Cross* is a story that deals with first love, the importance of communication among friends and family, self-identity, and coming-of-age. Each character is portrayed in a refreshingly unique and poignant manner, creating a novel that is both humorous and thought-provoking throughout. In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal

prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: *The Chocolate Touch* is a re-imagined story of a young boy who turns everything he eats into chocolate. John Midas loves candy, especially chocolate. He loves it so much, that he refuses to eat anything else. His parents try to get him to eat more healthy food, but to no avail. One day, John finds a mysterious coin on his way to a friend's house. He decides to spend this coin on a box of chocolate from a store he's never seen before. To his disappointment, the box contains a single ball of chocolate. He eats it anyway, enjoying every last piece. The next day, John wakes to discover that everything he eats turns to chocolate. John is the happiest he could ever be, but soon discovers the downfalls of a chocolate diet. *The Chocolate Touch* is a twist on the classic legend of King Midas, but teaches the importance of a healthy diet. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy. Experience what it's like to rise up and fill a hole left by the loss of a family member. Help guide students through the novel with vocabulary prompts and comprehension activities. Imagine the challenges faced by a Japanese-American family moving from Iowa to Georgia in the 1950s. prejudice and identify different groups who might experience this. Complete passages from the text with their missing vocabulary words. Reflect on the incident where Katie decides to shoplift and describe the worst thing about the experience. Find examples from the novel of foreshadowing and imagine to what it could be predicting. List the events comprising an incident in the novel in the order that it happened in a Flow Chart. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Kira-Kira (kee ra kee ra) is a Japanese word for glittering; shining. This unforgettable story is a coming-of-age tale of one family's difficulties in adapting to a post-World War II society that is reluctant to welcome a Japanese family that is laboring in Georgia's poultry plants. The story features Katie, her older sister Lynn and their younger brother, Sammy. When Lynn grows ill and eventually dies, it makes Katie realize that she must assume even more responsibility. Removed from the shadow of her high-achieving older sister, she even begins to improve in her schoolwork. This Newbery Medal winning-story deals with family relationships and the illness and death of a close family member in a sensitive, realistic manner.

About the Novel: Chasing Vermeer is an action-packed story filled with mystery, danger and coincidences. Calder Pillay and Petra Andalee live on the same street, but they may as well be strangers. When a series of odd events take place, the two take notice and begin questioning the signs around them. A strange assignment from their teacher encourages them to look deeper into the works of Johannes Vermeer. When one of Vermeer's paintings is stolen, the pair team up in the hopes of solving the mystery behind the art theft. A series of coincidences lead the pair down a rabbit hole of clues that eventually lead them to solving two

seemingly unrelated mysteries. Chasing Vermeer encourages the reader to follow along with the mystery to help solve a message hidden within its pages.

About the Novel: *Lord of the Flies*, written by Nobel Prize-winner William Golding, is a story about a group of boys stranded on a deserted island, who must establish order amongst themselves. Shortly after crashing onto a deserted island, a group of pre-adolescent boys form a community, electing Ralph to be their leader. As his first act, Ralph proclaims the boys will have fun and keep the signal fire going. All is well until thirst for power draws one boy to form his own tribe of "savages". Armed with the fear of a fictitious beast, this group of boys descends into further savagery with sacrifice and death. The story reaches its climax as the beast is revealed to be within each boy's heart, and Ralph is forced to flee for his survival. *Lord of the Flies* is a classic tale of the downfall of humanity and loss of

This fully updated edition of a successful resource succeeds in engaging and involving young people where many other methods of drugs education - including attempts to shock, inform, or promote decision-making - have failed to make a lasting impact. This is largely because they don't utilize young people's own views, intelligence and insight. The range of 30 original exercises in this resource is designed to expand and challenge participants' understanding of the issues surrounding illegal drug use, with activities that will enable them to make active and informed personal judgements about drugs. Understanding Drug Issues features informative and balanced material on all the key issues involved, including: * the facts and fiction about drugs * peer pressure * the social consequences of drug use * buying drugs * the dangers involved in using * the pros and cons of drug use * legal implications * the effects of drugs on health. The activities are ideal for use in groups and feature all the latest developments surrounding the use and abuse of drugs, as well as useful contact details for those wanting further help. The material is photocopiable and designed to be used flexibly - for example as worksheets or overhead projections. Understanding Drug Issues is an essential resource that will be valued by teachers, youth workers, probation officers, those working with offenders, and any professionals working with young people. This workbook can be used on its own, or ideally in combination with its companion volume Understanding Drugs: A Handbook for Parents, Teachers and Other Professionals, a complete reference on drugs issues (second edition forthcoming, September 2005).

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter,

we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: Steinbeck recalls four loosely connected episodes from his own childhood, weaving them together into an unforgettable classic. Growing up on a remote ranch in California, ten-year-old Jody Tiflin's life is forever changed when his father gives him a beautiful red pony. With the help of his father's hired hand, Billy Buck, Jody commits himself whole-heartedly to the raising of this wonderful colt. When the colt grows ill and dies, Jody's world is shattered, as is his faith in Billy Buck, who had assured the boy that the pony would recover. Jody's father promises him a colt which will soon be born to their mare that dies at the birth. The stories weave together in effortless fashion, chronicling the coming of age story of young Jody Tiflin. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.
