

Accord Of Honor Accord Series Book 1

Focus Philosophical Library's edition of Aristotle's Nicomachean Ethics is a lucid and useful translation of one of Aristotle's major works for the student of undergraduate philosophy, as well as for the general reader interested in the major works of western civilization. This edition includes notes and a glossary, intending to provide the reader with some sense of the terms and the concepts as they were understood by Aristotle's immediate audience. Focus Philosophical Library books are distinguished by their commitment to faithful, clear, and consistent translations of texts and the rich world part and parcel of those texts.

One day, one nation on the Korean Peninsula

Vols. for 1950-19 contained treaties and international agreements issued by the Secretary of State as United States treaties and other international agreements.

In 13 specially written essays, leading philosophers explore Kantian themes in moral and political philosophy that are prominent in the work of Thomas E. Hill, Jr., such as respect and self-respect, practical reason, conscience, and duty. In conclusion Hill offers an overview of his work and responses to the preceding essays.

"This is the first ever handbook to comprehensively cover the historical development of the field of social psychology, including the main overarching approaches and all the major individual topics. Contributors are all world-renowned scientists in their subfields who engagingly describe the people, dynamics, and events that have shaped the discipline"--

Includes decisions of the Supreme Court and various intermediate and lower courts of record; May/Aug. 1888-Sept./Dec. 1895, Superior Court of New York City; Mar./Apr. 1926-Dec. 1937/Jan. 1938, Court of Appeals.

"The intention of the publisher was to submit to his patrons and subscribers, such anecdotes of Oliver Cromwell and his family as could be collected, to arrange them in their different classes of character, and as nearly as possible in the order of time. In proceeding, he had, by the kindness of a gentleman, access to a valuable collection of ancient newspapers, in which were discovered many interesting and authentic passages not hitherto made public in any other shape; from this circumstance he was induced to abandon the first intention, and compile from them, with the addition of other documents which will be found in the course of the work. The original manner of spelling the names of persons, places, letters, proclamation, etc. has been followed"--Introduction.

"Cases argued and determined in the Court of Appeals, Supreme and lower courts of record of New York State, with key number annotations." (varies)
