The latest information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more make the 29th edition of Profiles of American Colleges America's most comprehensive and authoritative source for college-bound high school students. Every accredited four-year college in the United States is profiled, and readers are directed to a brand-new Barron's Web site featuring a FREE ACCESS college search engine that presents exclusive on-line information to help students match their academic plans and aptitudes with the admission requirements and academic programs of each school. The book presents profiles of more than 1,650 colleges, each profile including details on: • Admission requirements • Library and computer facilities • Admissions procedures for freshmen • Campus safety and security • Thumbnail descriptions of faculty • Requirements for a degree • Athletic facilities • Extracurricular activities • E-mail addresses • College fax numbers and web sites • Admissions Contacts • and more Schools are rated according to Barron's reliable competitiveness scale, which ranges from "Noncompetitive" to "Most Competitive." The book's tinted pages section presents an Index of College Majors that lists all available major study programs at every school. Also profiled are excellent colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries.

Written by current teachers, this workbook helps students further develop the skills acquired through the course. Practical exercises expand and enhance the materials in the coursebook, supporting students through the Cambridge IGCSE(TM) Mandarin series.

The only resources designed for the Cambridge IGCSE® Chinese as a Second Language syllabus (0523) for first examination from 2020. With topics ranging from festivals to travel and technology, each unit is based around one authentic Mandarin Chinese text and audio recording. This mix of content helps students engage with the subject and develop their ability to handle real language materials. Audio recordings (available online) help students practise the new listening aspect of the course, while 'Culture boxes' provide interesting insights into Chinese culture. Students will work collaboratively with others - sometimes in pairs and other times in groups - to develop language skills through communication. Answers to the coursebook questions are in the digital teacher's resource.
