Night Given the powers of an Incubus, could you resist the urge to take the one man you've always secretly wanted? Sex makes the world go round, right? Or so it seems to Cole Turner, a Seer who can See everyone's future except his own, when a gift from his Dreamwalking best friend Luke turns his world upside down. Overnight, Cole gains all the allure of an Incubus, drawing suitors to him like moths to a flame. But after a few days of revelling in the fun, reality takes a turn—the mysterious drug he took, known only as "Night", had to come from someone, and that someone is pissed, on a homicidal scale. Each sexual encounter makes Cole's attraction grow stronger, making it ever-more difficult to just walk outside. And Luke, the Seer's go-to in times of need, now wants him like everyone else, a point made even worse by the secret desires Cole has for the friend he had always assumed was straight. Swamped in sex, powerless to See if the future holds any hope for salvation, and at constant risk of losing both his best friend and his life, Cole is about to find out if he's strong enough to beat the Night racing through his system—and if his relationship with Luke is strong enough to survive it as well. Monster Scarred. Resentful. Alone... Six years away from Max may have changed Syler too much for him to risk rekindling their relationship. Syler Rike is a Fire Elemental and a Hunter—a member of the magical law enforcement. He's one of the best, forced to face off against the most brutal criminals in the world. Of course, he's also an asshole who couldn't care less about the rules, but Syler loves his job... Even though the years have taken their toll,

and he's had to leave a lot behind. One of those things was Max York, his Were-Shifter ex-boyfriend. When Syler left him without a word six years earlier, he figured he'd never see the man again. But now, after yet another covert-breaching show of magic in front of humans while Hunting, Syler's been put on probation. He's banned from using any spell-work until a trial can determine if his powers will be taken away permanently. To make things worse, he's dumped in the town of Kelvin under the watchful eye of Will and his Vampire clan until he's given a verdict. When he runs into Max there for the first time in years, it's hardly the reunion either had expected. Time has changed each man more than the other could know. Forced together by their circumstances, secrets and pain come to a head. Meanwhile, something big is happening in Kelvin, something everyone is determined to keep Syler from finding out. His trial looms, his relationship with Max has never been worse, and he can't even use his magic. Has too much changed for them to get back what they had? Wonder To find out the truth and join with his Vampire mate, Blake may have to pay a steep price—his sanity. It's not that Blake Hollister doesn't want to be the mate of the town's resident hottie Vampire, Adam Harkin—just the opposite. With everything else in his life going to hell, that's the one thing that Blake wants more than anything. But fate has other ideas. Blake is Dormant, meaning his magical powers never manifested when he came of age, leaving him doomed to be forever connected with magic, but never able to access it. Sex between magical beings and non-magics is risky at first and becomes exponentially more dangerous, and Adam isn't willing to harm his mate, effectively pausing their relationship until some solution can be found. At the same time, darker things are manifesting in Kelvin. Secrets buried in the ruins of the town's old amusement park, Wonderworld, threaten to destroy the fragile peace

Broomsticks and Burials, Book 1: Reporter Zoe Clarke's life has lost its magic. So when she gets a job offer in the middle of nowhere, Zoe jumps at the chance to make a name for herself only to find her new home is teeming with magic and paranormal beings—and those aren't its only secrets. During a heated election for Head Witch, the most powerful position in town, Zoe's predecessor was buried alive—and accusations are flying faster than broomsticks. Despite her editor's orders to leave the story alone, Zoe can't resist. From the front-running witch with a secret to the mysterious vampires pulling strings in the shadows, Zoe knows the truth is just under the surface. So after she discovers she has rare telepathic abilities, Zoe realizes she's the only one who can keep digging. Will Zoe's powers lead her to the murderer and the scoop of a lifetime? Or will they send her to an early grave? Spellbooks and Stakings, Book 2: Zoe Clarke is going back to school. After learning she's telepathic and risking her life to solve a paranormal murder, she's been invited to the prestigious Veilside Academy of Magic to sharpen her newfound powers. But not all the students are spellbound by Zoe, and it isn't long before she realizes the Academy is brimming with exceptional witches and warlocks—who are as cutthroat as they are talented. So when Zoe's new favorite vampire professor is found in a pile of ash, all spell breaks loose. Between troublemaking witches and a jealous staff, Zoe knows whoever the murderer is, they aren't finished handing out

Welcome to Spellbound, where paranormal is the new normal. Struggling to make sense of recent changes in her life, witch-in-training Emma Hart decides to pursue therapy as well as a budding friendship with Markos, the town's most eligible minotaur and a talented architect. When the building inspector turns up dead in Markos's latest design, Emma quickly finds herself in the midst of a murder investigation. To top it off, she's defending a young werelion whose possession of a deadly substance has everyone wondering whether his intentions were equally deadly. Despite these distractions, Emma can't stop thinking about fallen angel Daniel and his heartbreaking decision. But if Emma doesn't manage to clear her head of all these distractions soon, she might just become the killer's next victim. Better Than Hex is the fifth book in the Spellbound paranormal cozy mystery series.

What's a girl to do when meeting The One means she's cursed to die a horrible death? Life hasn't been easy on sixteen-year-old Emma Conner, so a new start in New York may be just the change she needs. But the posh Upper East Side prep school she has to attend? Not so much. Friendly faces are few and far between, except for one that she's irresistibly drawn to—Brendan Salinger, the guy with the rock-star good looks and the richest kid in school, who might just be her very own white knight. But even when Brendan inexplicably turns cold, Emma can't stop staring. Ever since she laid eyes on him, strange things have been happening.

Hocus Pocus is beloved by Halloween enthusiasts all over the world. Diving once more into the world of witches, this electrifying two-part young adult novel, released on the twenty-fifth anniversary of the 1993 film, marks a new era of Hocus Pocus. Fans will be spellbound by a fresh retelling of the original film, followed by the all-new sequel that continues the story with the next generation of Salem teens. Shortly after moving from California to Salem, Max Dennison finds himself in hot water when he accidentally releases a coven of witches from the afterlife. Max, his sister, and his new friends (human and otherwise) must find a way to stop the witches from carrying out their evil plan and remaining on Earth to torment Salem for all eternity. Twenty-five years later, Max and Allison's seventeen-year-old daughter, Poppy, finds herself face-to-face with the Sanderson sisters in all their sinister glory. When Halloween celebrations don't quite go as planned, it's a race against time as Poppy and her friends fight to save her family and all of Salem from the witches' latest death-defying scheme. Snitching witches get stitches... Zoe Clarke is going back to school. After learning she's telepathic and risking her life to solve a paranormal murder, she's been invited to the prestigious Veilside Academy of Magic to sharpen her newfound powers. In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine. Welcome to Spellbound, where paranormal is the new normal. Life is good for Emma Hart. She's married to the love of her life, raising an amazing daughter, surrounded by close friends, and working at a job that makes a difference. When some of her more cantankerous friends start exhibiting signs of sweetness and light against their normal natures, it seems that Emma's influence has finally taken hold—except their behavior seems off in a way that Emma can't quite identify. In the meantime, Spellbound receives a visit from Ember Rose, Starry Hollow's intrepid reporter who's in town with her daughter and raccoon familiar seeking information from an unlikely source about her ancestor, the One True Witch. Emma offers to help in any way she can, despite the growing tide of unease in connection with certain residents' excessive virtue. Will Emma get to the bottom of the change before the whole town becomes a zombie horde of Stepford paranormals or will her voice of reason be drowned out by a tsunami of sweetness? A darkly enchanting series from New York Times bestselling author Claudia Gray about a teenage witch who battles dark forces in her small town, perfect for fans of the Beautiful Creatures and Hex Hall series. A boy cursed with visions that lead to madness. A girl granted the powers to save him. As soon as Nadia arrives in Captive's Sound, she knows something is seriously wrong. The town is shrouded in dark magic, more powerful and complex than she has ever seen. Mateo has lived in Captive's Sound his entire life, trying to dodge the local legend that his family is "cursed" with insanity. When the mysterious girl he has been dreaming of every night appears (Nadia), he fears the curse may be true. But danger is coming, and Nadia and Mateo must work together to stop this unknown force before it destroys everything in its path. "Delightful . . . Don't miss the stunning conclusion to Allie Therin's Magic in Manhattan series! New York, 1925 Arthur Kenzie is on a mission: to destroy the powerful supernatural relic that threatens Manhattan—and all the nonmagical minds in the world. So far his search has been fruitless. All it has done is keep him from the man he loves. But he'll do anything to keep Rory safe and free, even if that means leaving him behind. Psychometric Rory Brodigan knows his uncontrolled magic is a liability, but he's determined to gain power over it. He can take care of himself—and maybe even Arthur, too, if Arthur will let him. An auction at the Paris world's fair offers the perfect opportunity to destroy the relic, if a group of power-hungry supernaturals don't destroy Rory and Arthur first. As the magical world converges on Paris, Arthur and Rory have to decide who they can trust. Guessing wrong could spell destruction for their bond—and for the world as they know it. Magic in Manhattan Book 1: Spellbound Book 2: Starcrossed Book 3: Wonderstruck

When an anonymous note claims someone in the class is a witch, everyone is eager to prove it is someone else, and Chrestomancy arrives just in time to prevent disaster. The highly anticipated new book from the acclaimed author of The Accident Season is a gorgeous, twisty story about things gone missing, things returned from the past, and a group of teenagers, connected in ways they could never have imagined. One stormy Irish summer night, Olive and her best friend, Rose, begin to lose things. It starts with simple items like hairclips and jewelry, but soon it's clear that Rose has lost something

much bigger, something she won't talk about, and Olive thinks her best friend is slipping away. Then seductive diary pages written by a girl named Laurel begin to appear all over town. And Olive meets three mysterious strangers: Ivy, Hazel, and her twin brother, Rowan, secretly squatting in an abandoned housing estate. The trio are wild and alluring, but they seem lost too—and like Rose, they're holding tight to painful secrets. When they discover the spellbook, it changes everything. Damp, tattered and ancient, it's full of hand-inked charms to conjure back things that have been lost. And it just might be their chance to find what they each need to set everything back to rights. Unless it's leading them toward things that were never meant to be found...

Spellbound Arthur Kenzie's life's work is protecting the world from the supernatural relics that could destroy it. When an amulet with the power to control the tides is shipped to New York, he must intercept it before it can be used to devastating effects. This time, in order to succeed, he needs a powerful psychometric...and the only one available has sworn off his abilities altogether. Rory Brodigan's gift comes with great risk. To protect himself, he's become a recluse, redirecting his magic to find counterfeit antiques. But with the city's fate hanging in the balance, he can't force himself to say no. As Arthur coaxes him out of seclusion, a magical and emotional bond begins to form. One that proves impossible to break—even when Arthur sacrifices himself to keep Rory safe and Rory must risk everything to save him. Starcrossed Arthur's continued quest to contain supernatural relics that pose a threat to the world captured Rory's

imagination—and his heart. But when a group of ruthless paranormals throw the city into chaos, the two men's strained relationship leaves Rory vulnerable to a monster from Arthur's past. With dark forces determined to tear them apart, Rory and Arthur will have to draw on every last bit of magic up their sleeves. And in the end, it's the connection they've formed without magic that will be tested like never before.

Wonderstruck Arthur's search to destroy the powerful supernatural relic that threatens Manhattan has been fruitless. All it has done is keep him from the man he loves. But he'll do anything to keep Rory safe and free, even if that means leaving him behind. Rory is determined to gain power over his own magic. Welcome to Spellbound, where paranormal is the new normal. New witch Emma Hart is at her wit's end and, this time, it's not the result of her vampire ghost roommate, her snarky owl, or her feelings for a certain fallen angel. Key members of Spellbound society are acting like children and it's wreaking havoc on the town's regulation-happy infrastructure. When Emma is turned invisible during the investigation, she realizes that the spell was no accident and that someone is out to silence her—permanently. Lucky
