The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

“A riveting, hardscrabble book on the rough, hardscrabble south,” and the fault lines that can divide, test, and heal a family (Pat Conroy). This “powerful . . . Southern novel that stands with genre classics like *The Prince of Tides* and *Bastard Out of Carolina*” is driven by the soulful voices of Ezekiel Cooper and his mother, Lillian. Journeying across four decades, it follows Zeke’s evolution from anointed son in a Tennessee working-class family, to honorable sibling to unhinged middle-aged man (Bookpage). After Zeke loses his twin brother in a drowning and his wife to divorce, only ghosts remain in his hometown of Clayton.

To escape his pain, Zeke puts his two treasured possessions—a childhood copy of *The Adventures of Huckleberry Finn* and his brother’s old dog—into his truck, and heads east. What he leaves behind are his young daughters and his estranged mother, stricken by guilt over old sins as she embraces the hope that her family isn’t beyond repair. What lies ahead is refuge with his sympathetic cousins in Virginia horse country, a promising romance, and unforeseen new challenges that lead Zeke to a crossroads. Now he must decide the fate of his family—either by clinging to the way life was or moving toward what life might be. With abundant charm, warmth, and authority, Amy Franklin Willis’s “honest prose rises from the heart” in this moving consideration of the ways grief can

A one-of-a-kind reference book, *Tennessee Tragedies* examines a wide variety of disasters that have occurred in the Volunteer State over the past several centuries. Intended for both general readers and emergency management professionals, it covers natural disasters such as floods, tornadoes, and earthquakes; technological events such as explosions, transportation wrecks, and structure fires; and societal incidents including labor strikes, political violence, lynchings, and other hate crimes. At the center of the book are descriptive accounts of 150 of the state’s most severe events. These range from smallpox epidemics in the eighteenth century to the epic floods of 1936–37, from the *Sultana* riverboat disaster of 1865 (the worst inland marine accident in U.S. history) to the 1968 assassination of Dr. Martin Luther King Jr. Included as well are stories of plane crashes, train wrecks, droughts, economic panics, and

race riots. An extensive chronology provides further details on more than 900 incidents, the most complete listing ever compiled for a single state. The book's introduction examines topics that include our fascination with such tragedies; major causes of death, injury, and destruction; and the daunting problems of producing accurate accountings of a disaster's effects, whether in numbers of dead and injured or of economic impact. Among the other features are a comprehensive glossary that defines various technical terms and concepts and tables illustrating earthquake, drought, disease, and tornado intensity scales. A work of great historical interest that brings together for the first time an impressive array of information, Tennessee Tragedies will prove exceptionally useful for those who must respond to inevitable future disasters.

The world's most comprehensive, well documented, and well illustrated book on this subject. With extensive subject and geographical index. 253 photographs and illustrations - mostly color, Free of charge.

The only state designated by Congress as a Civil War National Heritage Area, Tennessee witnessed more than its share of Civil War strife. This collection taken from primary documents—including newspaper accounts, official reports, journal and diary entries, gunboat deck logs and letters—offers rare glimpses of the Civil War as it unfolded in the Volunteer State. Arranged chronologically from April 1861 to April 1865, the accounts chronicle some of the numerous smaller skirmishes of the war and address a variety of topics critical to the civilian population, including health issues, politics, anti-Semitism, inflation, welfare, commodities speculation, refugees, African Americans, Native Americans, and the war's effect on women. These informative accounts go beyond the customary emphasis on famous generals and big

battles to illustrate how the Civil War impacted the lives of those everyday soldiers and Tennessee citizens whose history has become marginalized.

Though officially one of the Confederate States, much of Upper East Tennessee remained loyal to the Union. This loyalty was so fierce that it became necessary for the Confederacy to occupy the area. Driven from their homes, many men slipped through Confederate lines and joined the Union Army. The Thirteenth Regiment is one unit whose roster consisted of these Loyal Lincolnites, primarily made up of men from Johnson and Carter Counties.

Newly updated for 2016, the Western Tennessee Fishing Map Guide is a thorough, easy-to-use collection of detailed contour lake maps, fish stocking data, and the best fishing spots and tips from area experts. Fishing maps, detailed area road maps and exhaustive fishing information for western Tennessee fisheries are provided in this handy eBook. Between the monster catfish of the Mississippi and the crappies of Lake Kentucky, you shouldn't run out of fishing opportunities in the western third of the Volunteer State. Of course, if that's not enough we've also included the stream fishery and over 70 other lakes. The book features editorial by Doug Markham, Max Moss, Jeff Samsel, Vernon Summerlin and Keith "Catfish" Sutton. Whether you're after stripers on Lake Barkley, bass on Pickwick Lake or big crappies on Reelfoot, you'll find all the information you need to enjoy a successful day out on the water on one of the region's many excellent fisheries. Know your waters. Catch more fish with the Western Tennessee Fishing Map Guide.
