

Amish Confidential

This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included.

Individual essays address issues raised by the science, politics, and history of race, evolution, and identity; genetically modified organisms and genetic diseases; gene work and ethics; and the boundary between humans and animals. The result is an entree to the complicated nexus of questions prompted by the power and importance of genetics and genetic thinking, and the dynamic connections linking culture, biology, nature, and technoscience. The volume offers critical perspectives on science and culture, with contributions that span disciplinary divisions and arguments grounded in both biological perspectives and cultural analysis.

AMISH CHRISTMAS ON GOOSE POND:Molly Hannigan is a young widow who gets a vacation retreat from her "Secret Santa" at the office party, and she agrees to take the vacation to the Amish-run B&B despite her aversion to the Amish. After all, if it hadn't been for the woman driving the buggy who caused her husband's car accident, her Jesse would still be with her. Molly is the first guest of the B&B for the Christmas season, and ends up with more than she bargained for in this forced vacation--including the curator's son, Ian, with whom she has more in common than she feels comfortable with.**SNOWFLAKES ON GOOSE POND:**Ruby Miller is the best ice-skater in the community and Jesse Fisher wants lessons from her so he can attend the Christmas Skate Party. Will Ruby's overbearing cousin, Priscilla, get in the way?**SNOW ANGELS:**Priscilla Miller has no intention of letting anyone get close to her after losing her father and brother in a buggy accident. Will Tobias Fisher and his quest for making

snow angels be able to turn her attention from the mischief she's stirring up in the community? **THE GINGERBREAD HAUS:** Eden Fisher has always dreamed of living in a house she'd always called the "Gingerbread Haus". But when it is condemned by the city, will her dreams fall apart if the haus is demolished? Gabriel Miller had been secretly in love with Eden since grade school. Will he be able to save her dreams from falling to peaces along with the gingerbread haus? **AMISH CHRISTMAS WISH:** Grace Fisher left the Amish community just after her baptism, frightened she'd missed out on exploring the English ways when her father had forbidden her to participate in her rumspringa. When she returns to the community just days before Christmas, her father turns her away. After running her car off the road in a blizzard, Grace ends up at the mercy of Ethan Bontrager, the man whose proposal she'd refused before leaving the community. Will the two of them be able to put the past behind them while trapped together in a blizzard? **THE CHRISTMAS PRAYER:** The day before school lets out for the holiday season, students are asked to submit a confidential and unselfish prayer to their teacher as an end-of-the-year assignment. When two of the students realize they share a common prayer, they join forces to make certain those prayers are answered. Will their shenanigans bring two broken families together, or will their efforts be in vain? **PLUS: Bonus Material: Amish Sugar Creme Pie (recipe)**

""Lebanon" Levi Stoltzfus, star of the #1 top-rated Discovery Channel reality show Amish Mafia, delivers a sizzling tell-all about Amish life today. From the forbidden joyrides to the senseless shunnings to the colorful family feuds, he shares his frank insider's view of this fascinating and secretive society. You've seen the pretty postcards and the shiny tourist brochures. Now, Amish Confidential takes readers beyond the buggies, bonnets, and

beards--into the hidden heart of back-roads Amish country. The all-night field parties. The prohibited automobiles. The nosy neighbors and prissy tattletales. It's all here: the many "English temptations." The stitch-and-bitch quilting bees. The sex, alcohol, and illicit Wi-Fi. And the random acts of kindness and remarkable forgiveness, too. Interest in the Amish has never been greater. The tourist counts keep breaking new records. Amish Mafia is back for a fourth blockbuster season on TV, joined now by several spinoff shows. Amish Confidential taps right into America's fresh fascination with the throwback Amish. Stoltzfus weaves his never-before-told personal story through some high-profile Amish episodes that rocked the news in recent years, including the Nickel Mines shooting massacre, the Amish sisters' farm-stand kidnapping, and the Amish-Pagan drug gang. As America's most famous Amish tough guy makes clear on every page, there is nothing plain or simple about the plain-and-simple life"--

Chief Justice Anthea of Orrin is finally coming to terms with all the changes in her life over the last year. But nothing could ever have prepared her for the depths of her birth mother Gerd's madness, or the lengths Gerd will go to in order to claim her vengeance on those she believes wronged her. Including killing everyone Anthea loves. Magic and mayhem have never been this dire. Or this heartbreaking.

This practical book for professionals who care for or interact with Plain people balances evidence-based principles of care with an emphasis on reducing anxiety and establishing warm relationships.

This is a comprehensive, introductory criminal law textbook that expands upon traditional concepts and cases by coverage of the most contemporary topics and issues. Contemporary material, including terrorism, computer crimes, and hate crimes, serves to illuminate the ever-

evolving relationship between criminal law, society and the criminal justice system's role in balancing competing interests. The case method is used throughout the book as an effective and creative learning tool. Features include: vignettes, core concepts, 'Cases and Concepts', 'You Decides, excerpts from state statutes, 'legal equations' and Crime in the News boxes" fully developed end-of-chapter pedagogy includes review questions, legal terminology and 'Criminal Law on the Web' resources" instructor resources (including PowerPoint slides, a computerized testbank and classroom activities) and a Student Study Site accompany this text

When a member of a Minnesota Amish community is found brutally murdered, investigator Riley Spartz encounters cultural challenges to traditional police procedures before uncovering clues about a dark web of fraud and deception.

Includes Part 1, Number 1: Books and Pamphlets, Including Serials and Contributions to Periodicals (January - June)

When author and homesteader Nicole Faires decided to retrofit an old school bus and tour America's small farms with her husband and two small children, she expected to learn a lot, be inspired, and have some fun. But what she found disturbed her. Mismanaged small farms; clueless urbanites setting up shop to "get back to the land"; a mindless devotion to organic farming; and, ultimately, the discovery of just how dependent we are on corporations for our food. She began to understand how dangerous and fragile our food system really is. Climate change. Farmers retiring or going out of business. Corporations controlling our food distribution system while being protected from the consequences when they endanger our health. Skyrocketing food prices. Outsourced food production. With this admittedly bleak assessment of the current state of affairs, Nicole and her family decided to abandon the bus trip and

database drawn from westernized, industrialized nations. This means that we have only a little knowledge of whether our findings are generalizable to all peoples of the globe and to universal human psychological processes. Fortunately, during the last decade my students and I, as well as others working in this area, have rapidly expanded our knowledge of well-being vis-a-vis culture. The first attempt to summarize the findings in this area came in 1999 with *Culture and Subjective Well-Being*, a book edited by Eunkook Suh and Diener. The current volume represents a renewed effort to give a broad overview of major findings in this area and to point to the important directions for future research. Composition of This Volume I am very pleased with the articles presented in this volume because I believe that they represent true advances in our fundamental understanding of subjective well-being.

Aisha Franklin knew a romantic relationship with a client could get her disbarred. What she didn't expect was to find herself pregnant after her doctors said it would never happen. And she sure didn't expect to develop superpowers herself. But shortly after she tells Captain Justice he's going to be a father, he begins acting rude. Erratic. And the clues stack up that the man sleeping in her bed isn't the real superhero. How the hell is she supposed to take down a supervillain with the exact same powers she has? And what is she going to do if the imposter killed the man she loves? *The Law Offices of Winters & Franklin*, where the only thing more dangerous than a supervillain is his attorney.

What does the Amish story reveal about the American character, popular culture, and mainstream values? Richly illustrated, *The Amish* is the definitive portrayal of the Amish in America in the twenty-first century.

These regulators, headed up by the U.S. Food and Drug Administration, with help from state

agriculture departments, police, and district-attorney detectives, are mounting intense and sophisticated investigative campaigns against farms and food clubs supplying privately exchanged food—even handcuffing and hauling off to jail, under threat of lengthy prison terms, those deemed in violation of food laws. *Life, Liberty, and the Pursuit of Food Rights* takes readers on a disturbing cross-country journey from Maine to California through a netherworld of Amish farmers paying big fees to questionable advisers to avoid the quagmire of America's legal system, secret food police lurking in vans at farmers markets, cultish activists preaching the benefits of pathogens, U.S.

Deviance and Social Control: A Sociological Perspective serves as a guide to students delving into the fascinating world of deviance for the first time, offering clear overviews of issues and perspectives in the field as well as introductions to classic and current academic literature. The unique text/reader format provides the best of both worlds, offering both substantial original chapters that give an overview of the field and the theories, as well as carefully selected articles on deviance and social control taken directly from leading academic journals and books.

On the surface, it appears that little has changed for Amish youth in the past decade: children learn to work hard early in life, they complete school by age fourteen or fifteen, and a year or two later they begin Rumspringa—that brief period during which they are free to date and explore the outside world before choosing whether to embrace a lifetime of Amish faith and culture. But the Internet and social media may be having a profound influence on significant numbers of the Youngie, according to Richard A.

Stevick, who says that Amish teenagers are now exposed to a world that did not exist for them only a few years ago. Once hidden in physical mailboxes, announcements of weekend parties are now posted on Facebook. Today, thousands of Youngie in large Amish settlements are dedicated smartphone and Internet users, forcing them to navigate carefully between technology and religion. Updated photographs throughout this edition of *Growing Up Amish* include a screenshot from an Amish teenager's Facebook page. In the second edition of *Growing Up Amish*, Stevick draws on decades of experience working with and studying Amish adolescents across the United States to produce this well-rounded, definitive, and realistic view of contemporary Amish youth. Besides discussing the impact of smartphones and social media usage, he carefully examines work and leisure, rites of passage, the rise of supervised youth groups, courtship rituals, weddings, and the remarkable Amish retention rate. Finally, Stevick contemplates the potential of electronic media to significantly alter traditional Amish practices, culture, and staying power.

Includes a ?BONUS? fourth book: 1. *Amish Winter*: (2 stories): Alone and pregnant, Grace's Family turns her away during a blizzard, but the man she left behind takes her in... *Amish Winter: Grace Fisher* left the Amish community just after her baptism, frightened she'd missed out on exploring the English ways when her father had forbidden her to go away for her rumspringa. When she returns to the community just days before Christmas, her father turns her away. After running her car off the road in a

blizzard, Grace ends up at the mercy of Ethan Bontrager, the man whose proposal she'd refused before leaving the community. Will the two of them be able to put the past behind them while trapped together in a blizzard? 2. A Christmas Prayer: The day before school lets out for the holiday season, students are asked to submit a confidential and unselfish prayer to their teacher as an end-of-the-year assignment. When two of the students realize they share a common prayer, they join forces to make certain those prayers are answered. Will their shenanigans bring two broken families together, or will their efforts be in vain? 3. Amish Thanksgiving: An Amish Mail Order Bride? That's not what Clayton Tucker thought he was getting when he began to correspond with Emma Jane Miller. Emma Jane shows up in Silver City, Nevada, a wild, mining town, to be Clayton Tucker's mail-order bride. The only problem is, she left out one LITTLE detail about herself; she's Amish! Clay doesn't take too kindly to being tricked and tries to send her on her way before the miners show up in town to give him his daily dose of ribbing. Being a pig farmer, Clay is the joke of the town, and the folks make it tough for him to make a living because of his trade. If he marries an Amish woman, things will only get worse for both of them and he realizes too late that he's a coward and can't marry her. With no money to return home and Clay's refusal to honor the marriage contract, Emma Jane must figure out how she will pay for a room in the boarding house in town until the stage comes back. An early snowstorm threatens everyone's plans; can Emma and Clay put aside their differences for Thanksgiving and

for the sake of the town? This is a stand-alone novel that brings Amish Romance together with Historical Romance. 4. The Twelve Days of Amish Christmas: She's English. He's Amish. She doesn't realize he's trying to court her. Asa shows Holly and her and her son, Luke, what the season is all about--giving. STAND-ALONE AMISH CHRISTMAS STORY

Crimes of Hate: Selected Readings is the first comprehensive reader to offer an up-to-date, multidisciplinary examination of hate crimes. Editors Phyllis B. Gerstenfeld and Diana R. Grant include articles from a variety of disciplines, including criminal justice, criminology, sociology, psychology, and political science. With introductions, discussion questions, and resource lists, this unique anthology combines the most current research on hate crimes with accessible articles from scholarly and legal journals in a single, easily understood format. Developed as a companion to Gerstenfeld's Hate Crimes: Causes, Controls, and Controversies, this innovative reader will provoke thought and discussion in undergraduate and graduate students in criminology, criminal justice, and sociology courses.

Davis's Q&A Review for the NCLEX-RN® gives you an overview of the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam. In the summer of 1957, a young Holmes County farmer was gunned down in cold

blood. There was little to distinguish this slaying from hundreds of others throughout the United States that year except for one detail: Paul Coblentz was Amish. A committed pacifist, Coblentz would not raise a hand against his killers. As sensational crimes often do, the "Amish murder" opened a window into the private lives of the young man, his family and his community--a community that in some respects remains as enigmatic today as it was more than half a century ago. Authors of *Wicked Columbus*, Ohio's Black Hand Syndicate and others, David Meyers and Elise Meyers Walker unravel the intricacies surrounding one of Ohio's most intriguing murder cases.

An Amish Paradox captures the complexity and creativity of the Holmes County Amish, dispelling the image of the Amish as a vestige of a bygone era and showing how they reinterpret tradition as modernity encroaches on their distinct way of life.

Emerson O'Malley, a were-bulldog, has been trapped in his canine form since the day he was born. Even worse, the likelihood of him losing his virginity is zero. But when he rushes in to rescue three nymphs, he pisses off the Greek goddess Aphrodite, who curses him into human form. Does he take advantage of his one night with the woman he loves or does he save Los Angeles from the goddess's wrath?

Two skinwalkers controlling Tador had been bad enough, but then a demon army waltzed up to the city gates... Anthea, Luc and their allies are trapped inside the border city of Tador. They've lost all contact with the rest of Issura and their neighboring countries. And if the demons get by Tador, the entire continent will become their

dinner table. But the city is low on food and, more importantly, water. Can Anthea and Luc find a solution? Or will they be forced to activate the final defense spells of Death to stop the demons, and kill everyone in Tandor and themselves in the process? Magic and mayhem have never been this desperate. Or this fatal.

Scandal rocks Amish Clan: Murder, Sexual Depravity . Forget the images of 19th century farmers, close-knit families and hard-working craftsmen immune to the stresses of our modern times. The Amish find themselves facing ever-greater scrutiny as reports of polio outbreaks, child abuse, rape, incest, and bestiality grab the headlines. Once the symbol of better, simpler times, the closeted world of the Amish is now in the spotlight and at the center of growing controversies. Chris Burkholder, the son of an Amish bishop, has shattered the silence. At the cost of being excommunicated and ostracized by his own father, Chris reveals what it is like to grow up in a world where brainwashing, terrifying violence and sexual depravity are commonplace. In Amish Confidential Chris Burkholder shares his harrowing tale of abuse and reasons that compelled him to leave his family and faith in search of a new life among the "sinful and condemned world" of the rest of us Americans.

Beginning in 2006, the agriculture departments of several large states-with backing from the U.S. Food and Drug Administration-launched a major crackdown on small dairies producing raw milk. Replete with undercover agents, sting operations, surprise raids, questionable test-lab results, mysterious illnesses, propaganda blitzes, and grand

jury investigations, the crackdown was designed to disrupt the supply of unpasteurized milk to growing legions of consumers demanding healthier and more flavorful food. The Raw Milk Revolution takes readers behind the scenes of the government's tough and occasionally brutal intimidation tactics, as seen through the eyes of milk producers, government regulators, scientists, prosecutors, and consumers. It is a disturbing story involving marginally legal police tactics and investigation techniques, with young children used as political pawns in a highly charged atmosphere of fear and retribution. Are regulators' claims that raw milk poses a public health threat legitimate? That turns out to be a matter of considerable debate. In assessing the threat, The Raw Milk Revolution reveals that the government's campaign, ostensibly designed to protect consumers from pathogens like salmonella, E. coli 0157:H7, and listeria, was based in a number of cases on suspect laboratory findings and illnesses attributed to raw milk that could well have had other causes, including, in some cases, pasteurized milk. David Gumpert dares to ask whether regulators have the public's interest in mind or the economic interests of dairy conglomerates. He assesses how the government's anti-raw-milk campaign fits into a troublesome pattern of expanding government efforts to sanitize the food supply—even in the face of ever-increasing rates of chronic disease like asthma, diabetes, and allergies. The Raw Milk Revolution provides an unsettling view of the future, in which nutritionally dense foods may be available largely through underground channels.

Paul and Samantha Barlowe didn't believe in ghosts until they stay in a one hundred fifty-year-old farmhouse in Lancaster County, Pennsylvania. While Paul is shooting a historical documentary film for the local tourist bureau, they are visited by two evil ghosts in need of a human couple to grow even stronger. The Barlowes become caught up in ancient folklore and the supernatural, putting their lives in danger. They seek the help of a local "Pow Wow" woman who can cast an ancient spell that will free them. At the heart of this collection of five short stories and the title novella is the powerful interconnection between parents and children, nostalgia and memory, and the collective emotional intimacies and transactions that configure human behavior. Incisive and witty meditations on the disruptions and difficulties of family life, the stories in *The Quarry* focus on the precariously balanced world of anxious and awkward sons and painfully failed or failing fathers. The title novella sifts through the irreparable moral and psychological confusion brought about by the Holocaust, following two families as they struggle to reconcile themselves to personal disorder and private grief—with no illusory platitudes about the redemptive power of suffering. With unerring compassion for conveying emotional revelations and a keen sensitivity to the frailty and malleability of the human spirit, *The Quarry* lures the reader into confronting the most hidden and disquieting parts of the buried self.

While the Bosnian Muslims have for understandable reasons attracted a great deal of recent attention, other Muslim groups in the Balkans have escaped similar scrutiny.

Bringing together leading specialists in the region to address this gap, this volume focuses on the question of Muslim identity in the contemporary Balkans. With the exception of the Bosnians, all of the Muslim communities of the former Yugoslavia are examined--the Sandzak, Kosovo and the Former Yugoslav Republic of Macedonia (FYROM)--as well as those of Greece, Bulgaria, and Albania. Combining a multidisciplinary approach not often found in studies of the Balkans with an accessible and readable format, this volume offers a detailed look at the religious, ethnic, and national identities of the Balkan Muslims and their relationships with the states in which they live.

The star of Amish Mafia presents a confessional about Amish life today to reveal practices of forbidden indulgences, senseless shunnings and colorful family feuds while sharing insights into infamous news events. TV tie-in.

Analyzes the process of constitutional interpretation from the perspectives of history, political science, and jurisprudence.

THE ENGLISH MAN is a frightening tale of dark spirits weaving themselves throughout a serial murder investigation in a Missouri Amish community while attempting to alter prophesied events already set in stone by God before the creation of either man or angels.

After the destruction of the demon army in Tador, Anthea could use the relative simplicity of her position as chief justice of Orrin. However, one of the city's street

children is found dead a few weeks after Anthea's return. Her squire Nathan is adamant his friend's death is murder. And High Mother Bianca, who is responsible for feeding, clothing, and sheltering the orphans, doesn't seem to care about the death of one of her wards. Does Bianca know more than she's telling? Or is something worse than a demon stalking the streets of Orrin? Magic and mayhem have never been this despicable. Or this tragic.

TWO COMPLETE STORIES IN ONE BOOK! AN AMISH CHRISTMAS WISH: Grace Fisher left the Amish community just after her baptism, frightened she'd missed out on exploring the English ways when her father had forbidden her to participate in her rumspringa. When she returns to the community just days before Christmas, her father turns her away. After running her car off the road in a blizzard, Grace ends up at the mercy of Ethan Bontrager, the man whose proposal she'd refused before leaving the community. Will the two of them be able to put the past behind them while trapped together in a blizzard? THE CHRISTMAS PRAYER: The day before school lets out for the holiday season, students are asked to submit a confidential and unselfish prayer to their teacher as an end-of-the-year assignment. When two of the students realize they share a common prayer, they join forces to make certain those prayers are answered. Will their shenanigans bring two broken families together, or will their efforts be in vain?
