“For those not ready to tackle the complexities of Objective-C, this is a great way to get started

building iPhone apps. If you know the basics of HTML, JavaScript, and CSS, you'll be building apps in no time." –August Trometer, Owner of FoggyNoggin Software, www.foggynoggin.com

Discover the Easier, Faster Way to Build High-Quality iPhone Applications Now, you don't need to dive headfirst into Objective-C to write state-of-the-art applications for the iPhone. You can use web development tools and technologies you already know: JavaScript, HTML, and CSS. In this book, long-time web and mobile application developer Lee S. Barney shows you how to use the QuickConnect and PhoneGap frameworks to create secure, high-quality, modular hybrid iPhone applications. Lee S. Barney walks you through the entire hybrid iPhone development process, from creating great user interfaces to compiling, deploying, and executing applications. Along the way, he introduces techniques and sample code designed to streamline development, eliminate complexity, optimize performance, and leverage all iPhone's native capabilities—from its accelerometer and GPS to its built-in database. Coverage includes Using Dashcode and Xcode together to create unique, exciting hybrid iPhone applications Using the QuickConnect JavaScript API to perform tasks ranging from vibrating the phone to accessing the accelerometer and GPS location data Accessing native iPhone functionality using the PhoneGap

JavaScript API Storing, retrieving, and managing data on the iPhone, even without network access Using XMLHttpRequest to access or synchronize remote data and use web services Creating Google-based maps for your own app that work like those you see in the iPhone's Maps application This book systematically lowers the barriers to iPhone development, enabling web developers to build any iPhone application they can imagine without long development cycles or steep learning curves!

If there is anything you will need to really enjoy your iPad and iPhone, it is this two-in-one unbiased, simplified guide by a tech specialist on useful and mind-blowing tricks. This book is a combination of Jerry Freeman's books on iPad and iPhone 8 to help you unlock your iPad and iPhone 8 potentials. You don't get a printed manual when you buy an iPad or iPhone. Online, you can find an electronic PDF manual, but it's largely free of any acknowledgment of the iPhone's flaws. The essence of this book, then, is to serve as the manual that should have accompanied the iPad and Phone. Some of the things this book cover are:Part 1- Setting up your iPad; including deleting and re-adding Touch ID fingerprints and transferring data from your old iPad to the new iPad using iTunes- Resolving Touch ID troubleshooting issues - Tips for using the iPad Camera; including using the Apple Watch - Phone calls: Dialing, answering, voice control, voicemail, conference calling, text messaging, iMessages, MMS, and the Contacts (address book)- Connections: Describes the world beyond the iPhone and iPad itself - like the copy of iTunes on your Mac or PC that can fill up the iPhone and iPad with music,

videos, and photos; and syncing the calendar, address book, mail settings, and Apple's iCloud service. Part 2- iPhone 8 tips and tricks- Full guide to using Siri - Managing iCloud storage - Steps for using Apple Pay. . . And lots more. Fact: This iPad and iPhone user manual is for you. Buy now!

For the first time, Apple has released four new iPhone models, including the iPhone 12 mini. So I can say with absolute certainty that it's never been this hard to decide which iPhone you should buy, especially since we also have the \$400 iPhone SE that is still a great deal. This book will guide you as it includes a comprehensive iPhone 12 Buyer's Guide - 12 Mistakes you don't want to make. It also walks you through how to quickly transfer your data from your old iPhone to the new iPhone. This book is for everyone regardless of whether you have bought the new iPhone 12 (pro, max, mini, or SE) or just planning to buy, and you are confused about which one to buy. If you haven't read this book yet, you are missing a lot! Get your copy now!

The iPhone 6 and 6 Plus introduced several new features not seen in the iPhone 5S, such as predictive typing, interactive notifications, time lapse videos, and an entirely new operating system. This guide will introduce you to these new features, as well as iOS 8. The Guide to the iPhone 6 gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the iPhone. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary

instructions in lengthy paragraphs, this book gives unambiguous, simple step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This Survival Guide also goes above and beyond to explain Secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, just refer to the Troubleshooting section to figure out and solve the problem. A Complete Guide to Using the iPhone 12 Pro Camera

The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro.

Maximize the use of your iPhone 12 to take great shots

A Complete Guide to Using the iPhone 12 Pro Camera

The best camera for the job is the one you have in your hands when there is an opportunity for a photoshoot, especially when that camera is the iPhone 12 Pro. The question then becomes, are you making the most of that powerful tool in your pocket? Do the photos you take seem to be from an amateur because of how blurry they look, and very different from the kind of picture you had in mind to take? If this is you and you want to be able to take incredible pictures with your iPhone, then this book is for you. At the end of this book, you should be comfortable taking great shots with your iPhone 12 Pro even in low light conditions. You will also be equipped with the skills needed to capture awesome portrait pictures of people and nail down your composition such that others can be amazed at how professional your pictures consistently look, as you create jaw-dropping landscapes, food, and travel photos of the events you are involved in. The book starts by covering some of the basic things about the iPhone 12 Pro and the relevance of some of these features on the iPhone and how they affect the quality of the pictures taken with it. In no time after you start using this book, you will begin to start

snapping with your camera with far more confidence and dexterity than others who simply go through the motions of pointing their cameras at an object and taking pictures without some of these basic knowledge and skills. Some contents to expect to see in this book include: •How to create animojis and even share memoji with other types of phone users •How to take stunning pictures for your social media platforms •How to take stunning pictures with the portrait mode and lots more With this book in your hands, you can move from being just a mediocre basic iPhone user to an iPhone photography specialist. It will save you the time and energy of stumbling into some of these features by deliberately exposing you to these features and functions. If what you want is a go-to guide on matters surrounding just iPhone photography, then this is a great reference guide for you, very different from what a generic iPhone 12 Pro manual can achieve because of how such books gross over different topics. Not only that, but you can also order this book as a gift for a friend, son, daughter, or a loved one to help them quickly get started with using their phone as soon as they start exploring the pages of this book. Special Bonus That is not all, at the end of this book, we have a special gift for you, something we believe you will love.
