

Baby Names The Complete Book Of The Best Baby Names 2nd Edition Thousands Of Names Most Popular Names Of 2016 Obscure Names Name Meanings Origins Top 10 Names Of All Times

For parents interested in infinite possibilities, this is the most complete and up-to-date baby-naming book on the market.

Upd.6: Over 2000 copies sold. Thank you very much! #1 Pregnancy Books THIRD Edition is out NOW! We added even more beautiful and unique baby names. Hello to all pregnant ladies and expecting dads. My name is Cornelia and I'm the proud mother of two wonderful girls (Serena and Adeline). When I was pregnant, I spent a lot of time searching for unique and beautiful names for girls. And so the idea of this book was born. First of all, I want to say that this book is not just another "list of 1000000+ baby names with 1 word as a description." In this material, I collected only the most unusual, nontrivial, noble, "exotic" and beautiful names, and tried to describe in detail the history of their origin and their meaning. After reading this book, you will be able to choose a truly great and unique name for your child, as well as learn something new from the Bible, Greek myths, legends, sagas, and world history. Have a great time. Couple examples from the book: Eric (AIR-ik) is a male given name derived from the Old Norse Eiríkr (ei (ever, always) + ríkr (ruler)). Scandinavian legend relates that the explorer Leif Ericson (son of Erik the Red, the founder of the first Norse settlement in Greenland and Thjodhild, both of Norwegian origin) landed on the shores of America nearly four centuries years before Christopher Columbus arrived in 1492. Around A.D. 1000, Eriksson sailed to Norway, where King Olaf I converted him to Christianity. According to one school of thought, Eriksson sailed off course on his way back to Greenland and landed on the North American continent, where he explored a region he called Vinland. He may also have sought out Vinland based on stories of an earlier voyage by an Icelandic trader. After spending the winter in Vinland, Leif sailed back to Greenland, and never returned to North American shores. He is generally believed to be the first European to reach the North American continent. This common Norse name was first brought to England by Danish settlers during the Anglo-Saxon period. It was not popular in England in the Middle Ages, but it was revived in the 19th century, in part due to the children's novel "Eric, or Little by Little" (1858) by Frederic William Farrar. Luna (LOO-nah) is a female given name derived from the Latin luna (the moon). She was the Roman mythological goddess of the moon and is equated with the Greek Selene (goddess of the moon; daughter of the Titans Hyperion and Theia, and sister of the sun-god Helios, and goddess of the dawn, Eos). Closely mapping her Greek incarnation, Luna rode her white chariot across the sky wearing the moon as her crown to illuminate the night as she traveled to be with her mortal husband Endymion. She was an important deity to the Romans since they depended upon the moon for calculating the time (i.e., the lunar calendar). Zion (ZYE-on) is a male given name of Hebrew origin, meaning "highest point." Zion is a biblical term for the "promised land." For Rastafarians it means "heaven on Earth" and it is also widely associated with the drive for a Jewish homeland and with the ideals of the Mormon Church. A zion was a citadel that was in the center of Jerusalem, which explains why it means "highest point." Samsara is a very unique female given name. Sa's'ra is a Sanskrit word for the repetitive cycle of death and rebirth. It encompasses the concept of reincarnation and the fact that what an individual does in their current life will be reflected, through karma, in their future lives. The literal translation of samsara would be "a wandering through." This refers to the way in which everyone passes through a number of lives and states. The ultimate collection of unique, unisex baby names—from traditional to modern—including the origin and history of the name, and any cultural icons (men or women) who share the name. What's in a name? A lot. For generations, they've indicated a lot about a person: their family history, personality traits, and qualities—and let's not forget about nicknames, both good and bad. But while a name may have special significance to the parents who choose it, when you stop and think about it, there's little else it can reveal about a baby, or the adult that child grows into. Try to accurately imagine what a kid named Frankie looks like...he could be a preschool boy who loves to paint or a teenage girl who is the star of her track team. Same goes for Casey, Jamie, or Taylor. Just as we no longer automatically choose "girl" (pink) or "boy" (blue) colors, today's parents want their child to have a unique name that defies stereotypes. This one-of-a-kind book compiles the best gender-neutral baby names for your child, along with fun "Top 5 Lists that Make Unique Baby Names" sprinkled throughout (including foods, mythological places, surnames, and more). Use as a guide or read it cover to cover—or dip into specific chapters if you've already got a first letter in mind. Have fun, be creative, and know that whatever name you choose, your baby will be a unique and amazing person who defines themselves.

From one of the top parenting websites' a comprehensive naming guide featuring the unique Babynames.com popularity ratings. Forget those traditional lists of names and their meanings-in guiding readers step-by-step through the naming process, as well as the seven things to consider, this book will help parents decide upon a name perfectly suited to their child and family. The only baby name book to draw upon the opinions of 1.2 million parents, each listing features a popularity rating derived from website feedback as well as the top personality traits associated with the name. Readers can also browse lists of names organized in unique ways such as names for sports fans or fiction lovers, and names to be avoided.

Modern time is the time of elegant and extraordinary names because the name is the identification of a person, the mirror of his whole life. That is why the name must be meaningful and clear. The choice of the name of the child is one of the first important responsibilities of the parents. They want the name of their child to be unique and extraordinary. They prepare themselves for this before the birth of the baby.

They often do so with enthusiasm, but not without difficulties or reasons. Choosing a right and proper name for your child is not an easy task as it affects his or her whole character and lifestyle. Help is in your hands. We have prepared this book by choosing creative, traditional, modern, spiritual, familiar and classic names for your beloved babies. This book has been directly labelled with names and meanings so that you can quickly and easily find the name you want. This book contains all the names you are looking for. So what's up? Find the name for your child today simply, beautiful and better.

Baby Names Book Baby Names Kindle: Getting Started on Choosing the Perfect Baby Names and Meanings. It can be difficult as a parent, trying to decide on a name for your beautiful baby. All sorts of things inhibit the decision process, like: Well, that's a cute name for when they are a toddler, but what about when they are adult? Will a child with this name get teased at school? Are there any nicknames that this name will automatically become, despite the parents wishes? What will their initials be? Will there name and surname be simply too long? As you can imagine, the list goes on and on. "Baby Names Kindle: Getting Started on Choosing the Perfect Baby Names and Meanings" offers ideas, insights meanings and origins of some of the more common names in use today or the future. Plus, as a bonus, you can claim a free copy of "28000 baby names", which includes the top 100 names, tips for naming twins, names to avoid, and more useful tips.

This book is your complete guide to the top trending baby names of 2018. It's easy to get lost in the ocean full of baby name options. And because tradition doesn't hold parents back now, at least not as it used to, the sky's literally the limit. Today, anything goes with almost everything including your choice of name for your little one. But what should it be? In this book, you will get to know the most popular names this year and of the decade. Find out what other parents are choosing and their reasons for choosing them. Our top 100 trending baby names list will allow you to get a better idea of what seems to be widely acceptable. Let the list help you limit your options and come up with the most suited name for your little darling. I've also included a list of celebrity baby names just in case you're thinking of going that route. Some of them are totally random while others are impressive. You decide!

If you purchase this book," you'll get: Easy-to-navigate A to Z list of baby names for girls and baby names for boys List of Most Trending Baby Names 2018 for Girls and Most Trending Names 2018 for Boys List of Top Baby Names By Origin: American, British, Irish, Spanish, African, Arabic and Dutch Comprehensive list of more than 15,000 baby names This book is perfect baby shower gift or present for any expecting parents-to-be.

*Please Note: This names book does not contain baby names meanings, as we believe that meanings do not matter in the long run in terms of choosing a baby name. What's more important is: How the baby name will position your child in their generation, how the baby name will sound with their middle and last name, how the baby name will go with your and your partner's name and any siblings, and what sort of pop culture or well-known associations the baby name has in people's minds. We think this book is a great resource to finding baby names that fit those criteria!

For all new parents, the choice of name for their child is an important decision - do you look for a traditional name, a currently popular one or one that no other child in the classroom will have? This comprehensive A-to-Z listing of names has been updated and includes a new themes section.

A comprehensive book of 12,000 names, including their meanings, origins, and spiritual significance, with a supporting Scripture for each.
