She's waxed, primped, and ready to put her newfound skills into action--and a masquerade bar crawl is the perfect venue for her solo coming-out party. Mick's already crossed a line he can never uncross, and one taste of sweet and sexy Amanda has only whet his appetite. Whether by smart investment, sharp business intuition, or a combination of talent, grit and circumstance, billionaires have done something right. Or they had a whole lot of luck—a crap-load of it. Tag, Melanie, and their motley crew of friends begin investing in the revival of Katrina's bar in hopes of turning it into a potential chain. Unfortunately for Tag and his friends, his father and the man's conniving lawyer manage to weasel their way into swiping the bar from underneath them —making Tag realize just how much control his father has on him. Now, Tag must act fast in order to save Katrina's bar. To add to his growing list of troubles, his father is trying to buy up his grandfather's floral shop and the mysterious Mr. Romeo is contacting him and his younger brother Sam. How will Tag and Melanie handle it when all of his father's lies and crimes are out in the open? Will they be able to finally bring the man to his knees, or will they only dig themselves deeper into despair?

Settle in for these three full-length romance novels full of men who take charge in the boardroom and the bedroom! Don't miss this set of hot Bad Boy billionaires waiting to be found out! Dirty Little Virgin: A Submissives' Secrets Novel 1 School is in session...and the lessons are rock hard! She's a virgin who wants to write about se* in the BDSM world. I'm supposed to teach her the real world of BDSM, not f*ck her. But her feisty manner begs to be tamed. Her virginity begs to be taken. I'll be doing her a favor by taking her a*s and making it mine. Her young tender body begs for my harsh and experienced touch. I'll train her to accept pain to gain pleasure. The seclusion is temporary, as is our contract. But what if I want something more permanent? Doctor's Demands: A Submissives' Secrets Novel 2 The Doctor's arrived...And his treatment is sizzling! She's a young college student, set on a scrupulous career as a school teacher. I'm a doctor with a checkered past. Binge drinking on weekends, sleeping with women I care nothing for, and seeking summers with women I rent, has been my life. Until I saw her face on the club's website. The Dungeon of Decorum may have found her, but I'd take her as my own. Fighting men who wanted to use her in ways I found distasteful, I finally won her. She was mine to do with as I wanted. And I wanted all of her! But she'd only get part of me. It had to be that way. She was my secret. From our first touch, a spark ignited, neither of us had ever felt before. Our heat was off the charts. I couldn't stop myself from taking her in ways I'd never planned on. And I hadn't planned for what she did. She broke every rule; some I hadn't even made yet. Could I face the world with what I'd done? Savage SEAL's Virgin: A Submissives' Secrets Novel 3 Dangerous missions, death-defying escapes, and mortal combats are child's play compared to taking a virgin ... Dark nights, strange forest creatures, ropes, cuffs, paddles, and a whip should've been more than enough to tame one little virgin. Blyss wasn't your typical virgin! I'd won her in a bidding war. She was pure as the driven snow. Every Dom wanted her. It was me who was supposed to rule her, but she stole my heart before I knew what was happening. Every part of her was virgin territory, yearning to be explored. She was primal, and I took her that way. A blast from my past forced me to accept a fake marriage, just so I could see my daughter, who'd been kept a secret.

I've climbed my way to the top. Now it's your turn, baby. I'm filthy rich. They call me a genius on the front page of the business newspapers, and you're just as likely to see my face on the tabloids. I used to love it all. The spotlight, the women, the glamor. But it was getting old. That's when Emily sashayed her way into my life. With her long legs and full hips, my reaction was primal and instantaneous. I wanted to rip her clothes off, pin her down and feel those curves writhing under me. I had to have her. And I'm a man who gets what he wants. But one split second changed everything. Now a man lies six feet under, and everything is upside down. A deadly secret stands between Emily and me. I'll lose everything I've worked so hard for if I get any closer to her. So I swore to keep my dirty paws off her. For her own good. But when she looks at me with those big blue eyes so full of pent-up desire, those luscious lips tempting me to have a taste, all my good intentions go out the window. I want nothing more than to break all the rules and make her mine.

Anoushka. Even her name sends thrills down my spine, right to my groin... I want her, so that means I get her, right? Not this time. The things I want to do to that luscious body of hers... I'll change for her. Leave behind my father's organized crime syndicate, leave behind the terrible secret that Noosh hides from... Noosh is my future... I just have to make sure we both have one... This is a full-length standalone novel with a guaranteed HEA, no cliffhanger and plenty of steam.

The rule: Get married and have a baby. When Grandpa Stinson dies, he expects nothing more than to keep his grandsons together, running the family's multibillion-dollar business. But he's got just one unfaltering rule: they have to get married and have a baby first. The brothers disagree...wholeheartedly. But it's set in stone. Follow the rule or you're the one grandson out of luck... Stubborn, rugged, but oh-so-sexy, Roark Stinson, the oldest brother, refuses to give in to his grandfather's manipulations. After all, women are the root of all evil, and he's never witnessed a relationship that actually works. Then it hits him; it doesn't have to work. Roark just needs a warm body to agree to the terms... Zoe Morgan never wanted to be anyone's "means to an end," especially not Roark Stinson's. But his proposal is one she's in no position to refuse--can't refuse. When the stakes are this high, a warm body might just be exactly what she needs. Maybe--just maybe--Grandpa Stinson knew exactly what he was doing...
