In a not-too-distant future, artificial intelligence has spawned a race of robots that serve all of humanity. Robots are considered second class citizens, but a few in the A.I. community are fighting back in a constant struggle for equal rights. When a debilitating virus called "Rust" threatens all artificial life, salvation lies in the most unlikely of robotic heroes-not a warrior or an soldier, but in an obsolete construction worker and a dedicated caregiver. Together, HALE-19 and AMBER-7T embark on a perilous journey in search of a cure that could potentially change the balance of power on Earth forever. From writer Ryan Parrott (OBERON, Saban's Go Go Power Rangers, Star Trek, Batman: Gates of Gotham) and artist sensations Omar Francia (Star Wars, Mass Effect) and Marco Itri (Teenage Mutant Ninja Turtles) comes an epic quest into a dazzling future world!
