

Bedtime Inspirational Stories 50 Amazing Black People Who Changed The World

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Best Seller in African American Children's Books These emotionally charged short bios have touching and powerful life lessons that go into a child's soul as they search for their place in the world. With the same commitment to continue inspiring our kids, we are very excited to introduce Bedtime Inspirational Stories: 50 Black Leaders Who Made History (Volume 2). As with Volume 1, this book highlights the achievements and stories of notable black leaders who made history from the eighteenth century to today. Our goal is to teach kids about black history while inspiring and creating the sparks of greatness and elevation that our kids need. The stories in the book include those of political activists, scientists, artists, musicians, inventors, and athletes. They are written in a fun, anecdotal way, incorporating the information that interests children the most, which is the most effective method to influence kids to read. Every single one of these individuals overcame adversities and changed the world, building a way for others to live better lives. Each one worked hard and maintained self-confidence, even when others expressed doubt or said their dreams couldn't be achieved. This is a book that will benefit readers of all ages, races, and genders. It is a treasure to keep for life. This fun and inspiring collection of influential stories provides fifty illustrated examples of strong, independent role models, all of whom had a profound impact on the world. Readers will learn about their fascinating life and legacy. Against all odds, these black heroes show kids, teens, and adults that we can also aspire to live heroically ourselves. Each story features its own life lesson alongside a positive message, complemented by vivid, compelling art and quotes. At the end of the book we have included a Gratitude Journal in order help kids, as well as adults, to refocus on what we have instead of what we lack.

In Popular Trauma Culture, Anne Rothe argues that American Holocaust discourse has a particular plot structure—characterized by a melodramatic conflict between good and evil and embodied in the core characters of victim/survivor and perpetrator—and that it provides the paradigm for representing personal experiences of pain and suffering in the mass media. The book begins with an analysis of Holocaust clichés, including its political appropriation, the notion of vicarious victimhood, the so-called victim talk rhetoric, and the infusion of the composite survivor figure with Social Darwinism. Readers then explore the embodiment of popular trauma culture in two core mass media genres: daytime TV talk shows and misery memoirs. Rothe conveys how victimhood and suffering are cast as trauma kitsch on talk shows like Oprah and as trauma camp on modern-day freak shows like Springer. The discussion also encompasses the first scholarly analysis of misery memoirs, the popular literary genre that has been widely critiqued in journalism as pornographic depictions of extreme violence. Currently considered the largest growth sector in book publishing worldwide, many of these works are also fabricated. And since forgeries reflect the cultural entities that are most revered, the book concludes with an examination of fake misery memoirs.

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

The untold life story of All-of-a-Kind Family author Sydney Taylor, highlighting her dramatic influence on American children's literature This is the first and only biography of Sydney Taylor (1904-1978), author of the award-winning All-of-a-Kind Family series of books, the first juvenile novels published by a mainstream publisher to feature Jewish children characters. The family--based on Taylor's own as a child--includes five sisters, each two years apart, dressed alike by their fastidious immigrant mother so they all look the same: all-of-a-kind. The four other sisters' names were the same in the books as in their real lives; only the real-life Sarah changed hers to the boyish Sydney while she was in high school. Cummins elucidates the deep connections between the progressive Taylor's books and American Jewish experiences, arguing that Taylor was deeply influential in the development of national Jewish identity. This biography conveys the vital importance of children's books in the transmission of Jewish culture and the preservation of ethnic heritage.

Best Seller in African American Children's Books Help your child develop a strong sense of self by following these stories that can equip children with the powerful mantra: We Are Masters of Our Own Destiny. Bedtime Inspirational Stories... celebrates the achievements of the amazing black heroes who have paved the way for future generations. Unfortunately, in today's world, it can be a challenge to raise positive kids, as they are constantly bombarded with negative messages. More than ever, parents and teachers need to create a positive atmosphere for our children in order to help them believe in themselves. That's why we've proudly created this richly illustrated and inspiring book, Bedtime Inspirational Stories: 50 Amazing Black People Who Changed the World, which highlights the achievements and stories of fifty notable women and men from the 18th century to today. Some were born slaves, some grew up in poverty, and

some had physical or emotional challenges. Some were born many years ago, and some are still with us. The stories in the book include those of political activists, scientists, artists, musicians, inventors, businesspeople, Nobel prize winners, and more. Black History Books for kids Every single one of these individuals overcame adversities and changed the world, building a way for others to live better lives. Each one worked hard and maintained self-confidence, even when others expressed doubt or said their dreams couldn't be achieved. Bedtime Stories Children looking for inspiration will surely find it here. This fun and inspiring collection of influential stories provides fifty illustrated examples of strong, independent role models, all of whom had a profound impact on the world. Personal aspirations from today's youth are also interspersed throughout the book, so that each story has its own life lesson alongside a positive message. It's never too soon to start making a difference, and these stories are exhilarating examples of power in action to make for ideal motivation. Positive Affirmations The book also contains fifty positive affirmations, and we encourage you to say them aloud with your child every day. Why affirmations? These positive self-statements, when repeated over time, are capable of convincing a child that the statements are true. This is a powerful way to boost their self-esteem. Why is it important for young kids to know they matter? Children can feel small and insignificant in a busy and complicated world, and begin to question their place in life. The affirmations found in this book can counteract this effect while allowing them to grow. As parents and educators, there are three important things that we can give to our children: good memories, a good education, and a sense of self-worth. Our team has created this book to help you to achieve these goals. There are no better memories than the times when we share books with our children. We hope that the positive messages and affirmations throughout this book will improve your child's self-esteem. Lastly, we should here acknowledge that every story in this book would merit a book by itself; hopefully, these snippets will inspire you and your child to learn more about each person. Books for Black Children With vivid, compelling art and quotes, this book shows its readers that no matter what obstacles may lie ahead, they should never give up on their dreams. Simply, this beautiful book is about the potential within each of us to pursue our dreams and shape our own paths. It is a treasure to cherish with your family forever. We hope that you find inspiration in these pages, whether you're a girl or a boy, a parent or a teacher! These women and men are black heroes, and they're part of our history and culture. And no matter who you are, you have a special mission on this planet.

In *Let Me Tell You a Story*, Dr. James O'Keefe and his dietitian wife Joan O'Keefe, co-authors of the best-selling *The Forever Young Diet & Lifestyle*, present stories of real-life people and how they found their way to living a happy, healthy, and joyful existence. The authors firmly believe that the human brain best learns new concepts and internalizes information that can change one's perspective and alter behavior through story-telling. In their preface, they state: "We are all immersed in 'data-smog' today. Scientific findings and statistics are churned out at an ever-quickening pace. Recent estimates state that the entire body of scientific knowledge has doubled just since the year 2000. It has become unmanageable to keep up with all the science on health, nutrition, fitness, and wellness. So many people just throw up their hands in frustration, not knowing what to believe, while continuing to follow lifestyles and diets that are often toxic. Yet knowledge is power; you and your loved ones need this information if you are to thrive in this 21st century environment that is so foreign to our genetic identity." This statement is at the core of this book. Through this book of true stories about real people, these examples illustrate important concepts based on state-of-the-art science and the power of the *Forever Young Diet & Lifestyle* program, as outlined in their previous book. Through 26 informative, entertaining, and often amusing chapters, the O'Keefes cover a multitude of health, diet, and fitness topics, such as *Fast Each Night to Shine Each Day*, *Run for Your Life--at a Comfortable Pace--Not too Far*, and *Sex: Not Just for Making Babies Anymore*. Through stories of everyday people, readers can learn that they too can improve their health and well-being, without being preached at. Endorsements for *Let Me Tell You a Story*: "True to its title, in *Let Me Tell You a Story*, the O'Keefes weave a wonderful collection of stories that provide the starting place for conveying lessons in health. This clever storytelling tool makes each story real, immediate, and relevant to the reader. The lessons they convey cover just about every facet of human existence, from mental and emotional health and constructive ways to manage stress, to heart health and how to reduce risk maximally and naturally, to why sexual health is important to a healthy and rich life. From start to finish, the O'Keefes create a heartfelt message that is certain to captivate, entertain, and educate." —William Davis, MD Author of #1 New York Times Bestseller *Wheat Belly: Lose the Wheat, Lose the Weight and Find Your Path Back to Health* "If you want to live a long, happy, and healthful existence within our toxic 21st century mode of living, this book is an easy and enjoyable read that will be accessible to anyone even remotely interested in diet, health, and lifestyle. *Let Me Tell You a Story* is absolutely essential reading; Dr. O'Keefe and his co-author, dietitian, and wife, Joan O'Keefe, RD, have masterfully woven the latest and best science-based information about nutrition, fitness, and lifestyle into a practical and easily understood master plan that is consistent with our Stone Age genome." —Loren Cordain, Ph.D. Author of: *The Paleo Diet*, *The Paleo Diet for Athletes*, *The Paleo Diet Cookbook*, and *The Paleo Answer*.
