

## Big Bug Book

Just in time for the 20th anniversary of the bestselling *How Many Bugs in a Box?*, David Carter is back with the biggest book of bugs yet! Everyone's favorite bugs from titles such as *Alpha Bugs*, *Bed Bugs*, and *Love Bugs* make cameos in this all new Bugs adventure.

This book looks at multiplication using bugs in a band.

Introductory spreads explain that bugs live nearly everywhere on Earth and give tips on how to become a young bug spotter. The book is divided into key groups of bugs, including beetles, moths, butterflies, bees, snails, crickets, grasshoppers, worms and spiders, all illustrated with scenic compositions. Some spreads approach the world of bugs thematically, such as bugs that come out at night, baby creepy-crawlies and life cycles, how bugs hide and show off and how some bugs love to live in your home. The text is chatty, funny and full of amazing facts.

The good, the bad, the ugly.

Little Buggy is going to visit his grandma in the Big Bug Log, but he's not quite sure how to find his way through the log to her house. With the reader's help, Buggy must solve puzzles, follow mazes, and look behind flaps to follow the path all the way to the surprise ending! Packed with humor and detail, this brilliantly interactive board book will keep little ones entertained for hours.

I hate camp. I just hate it. I wish I didn't. But I do. Being here is worse than bug juice on a burger. Or homework on Thanksgiving. Or water seeping into my shoes. In this sequel to *Like Pickle Juice on a Cookie*, Eleanor is off to summer camp. At first she's excited, but when she gets there she finds bugs, no electricity, and terrible food. And worst of all: swim class, where she just can't seem to keep up with the other campers. But as the days go by, Eleanor realizes that life is full of special surprises—even after some belly flops. Praise for *Like Bug Juice on a Burger* "Eleanor doesn't just survive, she grows...Readers will celebrate and look forward to more." —Kirkus Reviews "Sternberg gets all of the details exactly right, from the "orange, oozing sloppy joes" to the frustrations of trying to swim in a life jacket. susan dove lempke." —The HornBook "This is a really sweet novel in verse and a good sequel to *Like Pickle Juice on a Cookie* (Abrams, 2011), though it works fine as a stand-alone." —School Library Journal "Eleanor's tentative yet heartfelt voice comes through as clearly as in the first volume, with the short, ragged-right-margin lines as approachable as her personality. Sternberg is particularly deft at leaving young-reader-sized room for interpretation and extrapolation." —The Bulletin of the Center for Children's Books "This sequel to *Like Pickle Juice on a Cookie* (2011) is just as endearing and wise, illustrating how small triumphs can help children survive what, at the time, seems an insurmountable trial." —Booklist Award Bulletin of the Center for Children's Books Blue Ribbons List 2013 Honor list - 2014 Gryphon Award
