

Big M Poker Tour

Poker is America's national card game, and its popularity continues to grow. Nationwide, you can find a game in progress everywhere. If you want to play, you can find poker games on replicas of 19th century riverboats or on Native American tribal lands. You can play poker at home with the family or online with opponents from around the world. Like bowling and billiards before it, poker has moved out from under the seedier side of its roots and is flowering in the sunshine. Maybe you've never played poker before and you don't even know what a full house is. *Poker For Dummies* covers the basics. Or perhaps you've played for years, but you just don't know how to win. This handy guide will help you walk away from the poker table with winnings, not lint, in your pockets. If you're a poker expert, you still can benefit – some of the suggestions may surprise you, and you can certainly learn from the anecdotes from professional players like T.J. Cloutier and Stu Unger. Know what it takes to start winning hand after hand by exploring strategy; getting to know antes and betting structure; knowing your opponents, and understanding the odds. *Poker For Dummies* also covers the following topics and more: Poker games such as Seven-Card Stud, Omaha, and Texas Hold'em Setting up a game at home Playing in a casino: Do's and don'ts Improving your play with Internet and video poker Deciphering poker sayings and slang Ten ways to read your opponent's body language Playing in poker tournaments Money management and recordkeeping Knowing when and how to bluff Poker looks like such a simple game. Anyone, it seems, can play it well – but that's far from the truth. Learning the rules can be quick work, but becoming a winning player takes considerably longer. Still, anyone willing to make the effort can become a good player. You can succeed in poker the way you succeed in life: by facing it squarely, getting up earlier than the next person, and working harder and smarter than the competition. Foreword by Chris MoneyMaker, 2003 World Series of Poker Champion.

A riveting inside look at the lucrative world of professional high-stakes sports betting by a journalist who lived a secret life as a key operative in the world's most successful sports gambling ring. When journalist Michael Konik landed an interview with Rick "Big Daddy" Matthews, the largest bet he'd placed on a sporting event was \$200. Konik, an expert blackjack and poker player, was no stranger to Vegas. But Matthews was in a different league: the man was rumored to be the world's smartest sports bettor, the mastermind behind "the Brain Trust," a shadowy group of gamblers known for their expertise in beating the Vegas line. Konik had heard the word on the street -- that Matthews was a snake, a conniver who would do anything to gain an edge. But he was also brilliant, cunning, and charming. And when he asked Konik if he'd like to "make a little money" during the football season, the writer found himself seduced . . . So began Michael Konik's wild ride as an operative of the elite Brain Trust. In *The Smart Money*, Konik takes readers behind the veil of secrecy shrouding the most successful sports betting operation in America, bypassing the myths and the rumors, going all the way to its innermost sanctum. He reveals how they -- and he -- got rich by beating the Vegas lines and, ultimately, the multimillion-dollar offshore betting circuit. He details the excesses and the betrayals, the horse-trading and the paranoia, that are the perks and perils of a lifestyle in which staking inordinate sums of money on the outcome of a single event --

sometimes as much as \$1 million on a football game -- is a normal part of doing business.

Texas Hold 'em is not an easy game to play well. To become an expert you must balance many concepts, some of which occasionally contradict each other. In 1988, the first edition appeared. Many ideas, which were only known to a small, select group of players, were made available to anyone who was striving to become an expert, and the hold 'em explosion had begun. It is now a new century, and the authors have again moved the state of the art forward by adding over 100 pages of new material, including extensive sections on "loose games," and "short-handed games." Anyone who studies this text, is well disciplined, and gets the proper experience should become a significant winner. Some of the other ideas discussed include play on the first two cards, semibluffing, the free card, inducing bluffs, staying with a draw, playing when a pair flops, playing trash hands, desperation bets, playing in wild games, reading hands, and psychology.

THE STORY DIGEST This Book contains many different stories including * Women Advice for Men * Opinions about topics such as Religion, Politics, Society * Marriage and Relationships * Understanding Truck Driving; A guide for motorists * Trucking Stories * Hollywood Stories * Celebrities I Met--Robert Urich, Kevin Bacon, Chuck Norris, Danny Glover, Mel Gibson, Tobey McGuire (Las Vegas, World Series of Poker), Phil Helmuth, Charlie Sheen, Emelio Estevez, and more..Movies, TV Shows, Writing * Business Ideas * Making Money * Moments in Youth Stories * Ghost Hauntings Stories * Terrifying Dreams * Treasure Hunting in Florida * Texas Holdem Poker in Las Vegas and California * And wonderful cooking recipes. A wide variety of topics sure to be of interest. Written by S.L.Miller A(c) 2007 S.L.Miller All Rights Reserved

Play like a pro with this guide full of strategies, tactics, and techniques from the experts! Eileen Sutton has been writing about—and winning at!—poker for over a decade. Now she joins with the experts at Card Player magazine to demystify the game and detail everything you need to know, whether you're sitting down to a friendly kitchen-table game or hoping to compete in the high-stakes world of multimillion dollar tournaments. The Total Poker Manual is packed with the strategies, tactics, and techniques needed to beat opponents in Texas Hold'em, Draw and Stud. From the basics of each type of game and the hands needed to win, to insider tips such as specific strategies for different versions and how to beat the odds, these skills and many more are accompanied by some of the most fascinating poker stories in history, from the riverboat gamblers to today's international stars players. Detailed sections cover how to play online, in casinos, and in tournaments large or small, as well as how to run a game for fun at home. You'll also get insider tips from the following poker experts: Vanessa Selbts • Linda Johnson • Matt Matros • Jennifer Harman • Ed Miller • Mario Ho • Xuan Liu • Leo Margets • Jared Tendler • Randy Lew • Tommy Angelo • Brian Rast • Kelly Minkin • James Sweeney Learn something new, improve your poker game and walk away a winner!

From New York Times and USA Today bestselling author Mara Jacobs comes Book 3 in the Anna Dawson mystery series. My name is Anna Dawson, and I'm cured. Famous last words. It's been over twenty days since I placed my last bet. Jack Schiller and I are back together. Raymond Joseph is settling in to life in Vegas. Life is good. Of course it couldn't last. A golfing legend dies after playing poker with me and once again I become embroiled in one of Jack's cases. And it's one too many for him. He's

done—and not just with me. I try to protect Raymond's identity from being made public during the spectacle of the sports hero's death by offering up myself as a scapegoat. Life is getting pretty complicated... And then JoJo shows up. What are the odds I make it out of this one alive? *NOTE: The case is solved, the perpetrator caught, but there are a few threads that are continuing on through the next book and the series. Books in the Anna Dawson series thus far: 1 - Against The Odds 2 - Against The Spread 3 – Against the Rules 4 - Against The Wall 5 - Against The Grain

Poker is a game of many skills, and to become an expert poker player you need to master them all. This includes concepts such as hand selection, position, proper image projection, and reading hands. However, there are many players who have mastered most of these skills yet they still do poorly in the games - at best they are only small winners. And when they step up in limit and challenge the better players, they almost always fail. You see, knowing the concepts is one thing, putting it all together is another. As the text will show, winning poker is a process that requires a lot of thinking as well as a thorough and systematic approach to the game, and that is what this book is about. Topics include "Playing Too Many Hands," "Self-Weighting Cold Calls," "Short-Handed Play: Don't Miss Out," "The Strategic Moment in Hold 'em," "Countering a Good Reader," "A Poker Player in Therapy," and "Thoughts on the Effects of the Poker Literature." Those of you who are serious about your game should find much of this material to be extremely valuable.

The invitation-only Professional Poker Tour is strictly limited to the top 200 players in the world. David Apostolico is one of the elite, and he found that going up against other poker masters every day was like attending an incomparable seminar. Now he shares his hard-won knowledge with aspiring poker players everywhere, by using specific hands that he either played or observed, to give detailed analyses and teach players to: - Think like a pro- Learn the tactics and approaches of legendary winners- Rapidly assess and adapt to fast-moving games with experienced players

A hard-hitting guide to the best strategies for the most popular casino poker games--seven-card stud and Texas hold 'em--plus insights into winning at Omaha, Omaha eight-or-better, seven-card stud eight-or-better, razz, and lowball. "Scrolling the pages of a Hughes narrative is like lighting a lantern into the darkest recess of poker's subculture. [Hughes] brings the legends of the past and present to life and often provides the very best portrait of these unique, real-life characters of anyone on record." -Nolan Dalla, media director, World Series of Poker, best-selling author and columnist for Card Player "Johnny Hughes's poker stories are a national treasure hilarious stories and colorful characters timeless classics the stuff of history one of my all-time favorite poker writers." -Iggy, a.k.a. Ignatius J. Reilly, the Blogfather of Poker, GuinnessandPoker.com "Told with authenticity and the knowledge that only a true road gambler could possess a book that you will love a highly enjoyable read." -Anthony Kelly, editor-in-chief, Player Europe magazine. Dublin. "Cryptic, dark. Irrefutably unique. Elliptical euphemism and metaphor are (Hughes's) tools. Gambling folklore and parables abound. All told with a twinkle in the eye and one finger on the trigger ... Johnny writes evasively, challenging us to refute,

compelling us to believe." -James Dodd, a.k.a. Tetuso, Bet-the-Pot.com. London.

This book will show you how to beat low-stakes poker tournaments! For a buy-in of as little as \$10 to \$100, you can join the exciting world of poker tournaments and parlay your wins into millions. And following Smith's advice and the advice of some of the greatest poker players in the world whose wisdom is presented in this book you'll learn the best strategies for advancing to the championship table!

You'll learn how two of the best heads-up tournament players think through every decision in more than 600 hands as they battle their way to the final round in the prestigious NBC Heads-Up Championship. You'll see their cards and hear their thoughts through twelve matches as they devise masterful strategies to defeat world-class opponents. Annie Duke and Vanessa Rousso give you a powerful mix of the practice, theory, and strategies for heads-up tournaments—where you must risk chips on every hand you're dealt—and show you what they did to beat the best players in the world. You'll see what works and what doesn't as amazing bluffs and poorly executed tactics are deconstructed. You'll learn how to design a game plan for each opponent, how to adjust your plan as the match progresses, how to play against pros and amateurs alike, and how to get the best of it against superior opponents. Their detailed analysis of when to change your strategy due to fluctuating chip counts, the flow of the match, and dynamic maneuvers make this book the bible of heads-up play.

Poker Tournament Formula 2: Advanced StrategiesCardoza Publishing

If you're a low-limit player frustrated by poor results or books written by high-stakes players for big buy-in games, this is exactly the book you need! You'll learn how to win big money at the little games \$1/\$2, \$2/\$4, \$4/\$8, \$5/\$10 typically found in casinos, cardrooms and played in home poker games. After one reading, you'll lose less, win more and play with increased confidence. You'll learn the top 10 tips and winning strategies specifically designed for limit hold'em, no-limit hold'em, Omaha high-low and low-limit poker tournaments. Great practical advice for new players.

The secret is out. Poker has become the hottest game in town. No longer viewed as the pastime of husbands seeking refuge from their wives, it is regularly played by an estimated 80 million people. Many play at home or online, but taking the game out of the kitchen and into the casino can be intimidating. That's where POKER: THE REAL DEAL comes in. World-class poker player and co-host of the hit show CELEBRITY POKER SHOWDOWN Phil Gordon has paired with writer Jonathan Grotenstein to write this comprehensive guide to the game. In addition to introducing the most popular forms of poker and explaining the intricacies of this game of skill, they describe the ins and outs of poker psychology and groom the reader, from home player to seasoned professional, in a single volume. They examine the different breeds of players from the Rock to the Manic, detail what to wear, drink and tip, and profile the legends of the game with tips from

some of the biggest names in poker today. This definitive guide to poker provides a rare inside look at the game in language accessible to players of every level.

Tournament poker is very different from standard ring game poker. While they might appear the same from a distance, there are many differences in proper strategy that are often unknown to many experienced cash game players. Some people excel at tournament poker. This is not luck. These are players who have an advanced understanding of what the proper strategy adjustments are, and when they come into play. It is no coincidence that the same competitors make it to final tables far more than their fair share. This book explains tournament strategies that only a small number of players have mastered. It assumes you already know how to play poker well, but aren't knowledgeable of tournament-specific concepts and when and where to use them. Some of the ideas discussed include: the effect of going broke, the Gap Concept, how chips change value, adjusting strategy to rising stakes, all-in strategy, final table play, making deals, the "System," focusing on weaker opponents, unusual plays with aces and kings, moving in against the blind, and much more. This newly-expanded version contains over 100 new pages of updated material dedicated almost entirely to today's most popular form of tournament poker: no-limit hold 'em.

Cork O'Connor is called in to investigate when a deadly explosion rocks the lumber mill of Karl Lindstrom, a wealthy, anti-environmentalist industrialist, whose mill is near an ancient tract of pine forest sacred to the Anishinaabe tribe.

Adapt Your Poker Strategy For Tournaments—And Reap The Rewards! When novices won the World Series of Poker in 2003 and 2004, the word was out: you didn't have to be a pro to take the big prizes from even the toughest poker tournaments. Casinos across the world pulled out slots and put in tables, and thousands of new tournaments have sprang up almost overnight on the Internet. Victor H. Royer, world-renowned gambling columnist and author, can get your tournament game where it needs to be—whether you're an average player in a card room or a novice in front of your computer. Royer shows how the smart players learn to adapt their strategies to beat those who are still using older methods. Updated with the latest information, this book will teach you how to: Bring your game up to tournament levels Avoid common pitfalls of poker tournaments Compete at poker tournament speeds Find the best online tournaments and satellites Play all forms of tournament poker, including H.O.R.S.E., Badugi, and Big O If you're ready to step up to the tournament level, *Powerful Profits from Tournament Poker* is ready to take you there?and to show you how to win!

134,500 Words

The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. Its a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie *Casino*), murderers, and a

death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told he's going to die with a gunman pointing a pistol at his forehead. Again, he lived. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah Ark and raise the Titanic. Doyle's rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions sometimes in seconds but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary Babe Ruth of Poker the greatest gambler and poker player who has ever lived.

Is must reading for anyone planning to play hold 'em. It was the first definitive work on hold'em poker and was originally published in 1976. Yet it is still one of the best-selling poker books available, and in 1997 it was expanded and updated to account for today's modern double blind structure. The text is designed for someone relatively new to the game, but it still contains much sophisticated material which all players should find beneficial. It is probably best known for the Sklansky Hand Rankings, which made the game much simpler to quantify and understand. Some of the topics include how Texas hold'em is played, the importance of position, the first two cards, the key flops, strategy before the flop, semibluffing, the free card, slowplaying, check raising, heads-up on fifth street, and how to read hands.

Why do some poker players become immensely successful while others fall by the wayside? What is it that separates the successes from the failures? Is there a magic formula? Over the last 12 years, Lance Bradley has been one of poker's leading journalists and now finds himself at the helm of PocketFives.com as President and Editor-in-Chief. During his time covering the poker world, Bradley has interviewed hundreds, if not thousands, of the world's best players. This experience has revealed one fascinating trend; contrary to what might be expected, there is no single guaranteed path to success. Each and every poker player featured in *The Pursuit of Poker Success* has taken their own route to becoming one of the world's best players. The players interviewed for this book include World Series of Poker bracelet winners, World Poker Tour champions, online poker wizards and some of the best cash game players on the planet. Bradley spoke to each player about the way in which they found success in a game that can be humbling for so many. What worked for them can work for you.

Is it morally permissible to plunder a drunken player at the poker table? In a game of bluffing, are all deceptions acceptable? Is it wrong to play against a pathological gambler? Are there any real right and wrongs within poker other than violations

of the rules? The first of its kind, this book explores the moral dimensions of playing poker for money in a detailed discussion of applied ethics. Topics include the moral standing of bluffing, collusion versus “soft play,” the problem of players staked by backers, and “Why Kant Kan’t Play Poker.”

Snyder adapts the loose aggressive fast tournament strategies of his groundbreaking first book to the big buy-in events where the real money is made. Players learn never-before-revealed concepts and secrets that shows players why cards don't matter as much as the dynamics of a tournament. Readers learn how to alter their strategy for any tournament structure and opponent, why hands must be played differently from cash games, and why players can't figure out what winners are doing just from watching them play. The book also covers optimal satellite strategy, sit'n'go strategy, methods for estimating tournament win rate and edge

Visit SafeGlobalPoker.com To Play honest fair poker online with low rake. ? This is a one of a kind book that will imbibe in you the secrets and the art of winning poker tournaments with ease, finesse, brilliance and skill. There is so much that goes in winning poker tournaments, if you can become a great tournament professional, then you have conquered the world. Tournaments have so many advantages versus cash games that great players today are mostly focusing on tournaments and they will play 4 or 5 tournament series and will relax the entire other part of the year. Even winning 2 or 3 tournament trophies and finishing in the money in several tournaments will pay for the entire years of expenses and provide buy-ins for the next year tournament series. I have come out with this book so that average tournament professionals can rise and become world's best tournament professionals. I have taught students around the world and my material has been read by some of the world's best pros for a lot of money. My other books also deal with PLO and NLHE in which I show in examples how I am able to crush online poker with ease and finesse and lift thousands of dollars in a very short period of time. You may also like to check them out. I have been a feared player in the online world known as 'bts=u=' and I believe it is time to share my secrets with the world on tournaments. I also have made vast study and learnt a lot from the world's best pros on the Global Poker Index and this summation of knowledge I am sharing with you so that you too can become a millionaire like me and lead a baller life. I know it is easier said than done but if you do read this book cover to cover 10 times I believe you will become 100 times better as a tournament player than where you are currently and this means finishing in the top 3 positions in a tournament a lot more times. I believe this is the time to start and start taking down poker tournaments around the world for fame, glory and fortune. Let's get started on the learning process. The topics I will cover in this book are • Tempo and why it matters • Importance of Reads on Players and how to take them • Getting and maintain a big stack in a tournament • How You can Trap your way to a bracelet • Art of Winning Poker Tournaments • Developing Intuition and the fine line between hunches and

intuition • Final Table Tactics for winning tournament crowns • Hundreds of examples from the top 100 Global Poker Index players to develop skill and hand reading skills There is a lot of information condense in this book, just imagine if you are able to convert a tournament to finishing in the top 3 positions the rewards are immense. The first position of any tournament pays out so much in contrast to other positions that learning the art of winning tournaments and this book becomes an essential read for any player participating in the World Series Of Poker Tournament events and similar tournaments. If you play 100 tournaments and you are able to convert 10 tournaments into big wins it is so much better and rewarding and it is what this book promises. Visit KaizenPoker.com for more!

My Back Pages Volume II is a collection of 60 funny, insightful, and often poignant columns penned over the past few years by Daryl Fisher for his hometown newspaper, the West Sacramento News-Ledger. His columns have received statewide attention, including a prestigious Gold Medal Award from the California Newspaper Publishers Association. Fisher's columns talk positively about family, friends, and community, the three things which he believes connect us all and give us the comforting illusion that we are not alone in the world. He writes about the fun and games of raising children, the love of all creatures great and small, politics, and his friends and neighbors. Sometimes a column also becomes a eulogy, a way of saying goodbye to those who have touched and enriched his life. It is one of those rare books that you can pick up, turn to any page, and find yourself there.

Two world champions show players how to win their way into big tournaments offering millions of dollars in prize money for a fraction of the cost by playing in small-entry fee tournaments. Chris MoneyMaker did this when he parlayed a \$39 satellite win into a world championship title and \$2.5 million, as did Grey Raymer in 2004 when he turned \$150 into \$5 million. These exciting mini-tournaments, called satellites, made the authors millions of dollars and now they share their secrets with you. Step-by-step, you'll learn proven insider strategies for beating limit and no-limit hold'em satellites, as well as one-table, multi-table, online, and super satellites. Illustrations.

The third book in the "For Advanced Players" series. It is really books 3 and 4 for two reasons. First, many of the concepts are similar for both games. Second, players mastering one game can easily make the transition to the other. Some of the ideas discussed in the seven-card stud eight-or-better section include starting hands, when an ace raises, disguising your hand on third street, play on fourth street, fifth street, sixth street, seventh street, position, bluffing, staying to the end, and scare cards. Some of the ideas discussed in the Omaha eight-or-better section include general concepts, position, low hands, high hands, your starting hand, how to play your hand, play on the flop, multiway versus short handed play, scare cards, getting counterfeited, and your playing style. A great deal of this material has never appeared in print before.

New and expanded, this classic guide to winning at poker just got better! Let Mike Caro, the world's foremost authority on poker strategy, psychology and statistics, show you the real secrets of winning money. MIKE CARO, the legendary "Mad Genius of Poker," is the world's foremost authority on poker strategy, psychology and statistics. Page after page of this book is packed with tips and strategies to reveal poker's most profitable winning secrets! These are the same long-guarded secrets Caro teaches to world-class players at standing-room-only seminars!

Over the last ten years, the enormous growth of interest in poker and poker tournaments has led to an intense focus on the theory of

tournament poker. The result was a re-examination of old ideas and the introduction of many new ones. The fundamentals of no-limit hold em did not change, but the game was revealed to have more depth than many older players could have anticipated. As a result, no-limit hold em tournament play has evolved into a newer, tougher, faster game, and good players have had to evolve to keep up. In Harrington on Modern Tournament Poker, Dan Harrington takes a fresh look at the world of no-limit hold em tournaments. He explains how the game is currently played, and what you'll have to do to be a successful tournament player in 2013 and beyond. The topics examined include how to play different hand types preflop, when to 3-bet and 4-bet, how to analyze the flop, turn, and river, and how to size your bets. Dan also explains how to adjust your strategy as your stack size grows and shrinks, and how to handle the new breed of super-aggressive players that you'll meet at the table (and, if you want, how to play that way yourself). Dan Harrington won the Gold Bracelet and the World Champion Title at the Main Event of the 1995 World Series of Poker. And he was the only player in recent history to make the final table in back-to-back years 2003 and 2004 considered by cognoscenti to be the greatest accomplishment in WSOP history.

This text contains essays written from 1991 through early 1996. Topics covered include: General Concepts, Technical Ideas, Structure, Strategic Ideas, In the Cardrooms, Quizzes, Erroneous Concepts, and Something Silly. In addition, advice is offered on handling rushes, moving up, poker skills, simulations, maximizing your expectation, betting when first to act on the river, whether limit hold 'em, should have two or three betting levels, playing the overs, adjusting to the big ante, how to play well, low-limit hold 'em, how many hands you should play early in a tournament, chopping the blinds, cardroom theory, and much more.

Most poker players don't think they need to study ICM until they make a costly mistake at a big final table - don't be one of those players. The Independent Chip Model (ICM) is the most important strategy concept in multi table tournaments, yet very few players understand it, other than knowing they should play tighter on the bubble. Not only does ICM impact the single biggest monetary decisions you make in poker, it also influences everything in a tournament from game selection, staking, when to register, playing the early levels, the bubble, the final table and much more. Endgame Poker Strategy is the first book to take a deep dive into the subject of ICM and how it impacts how you should play in tournaments. This book contains groundbreaking insights that most professional poker players are not aware of, including:

- How to adjust your play in the late stages of tournaments
- When to ladder and when to play for the win
- How to negotiate profitable final table deals
- The optimal game selection, rebuy and late registration strategies
- How to play short, average and big stacks at the end of tournaments

Dara O'Kearney is a professional poker player, sponsored Unibet Pro and co-host of The Chip Race Podcast. He is regarded as one of the best satellite grinders in the world and professional poker players seek out his advice on ICM whenever they prepare for a big final table. He is the co-author of the best selling books *Poker Satellite Strategy* and *PKO Poker Strategy*. "In an era of solvers and preflop charts, game states involving ICM pressure remain one of the few unsolved and untapped areas of poker. Endgame Poker Strategy does an excellent job of clearly explaining the most important ICM ideas and effects. Whether you are a beginning player looking to build an understanding of how ICM works, or a more advanced player looking to better internalise ICM concepts, there is something in this book for you." - Daniel Dvoress, high stakes poker player

This power-packed book on beating no-limit hold'em is one of the three most influential poker books ever written. Negreanu headlines a collection of young, great players Todd Brunson, David Williams, Erick Lindgren, Evelyn Ng and Paul Wasicka who share their insider professional moves and winning secrets. You'll learn about short-handed and heads-up play, high-limit cash games, a powerful beginners strategy to neutralize professional players, how to mix up your play, bluff, and win big pots. The centerpiece, however, is Negreanu's powerful

and revolutionary small ball strategy. You'll learn how to play hold'em with cards you never would have played before and with fantastic results. The preflop, flop, turn and river will never look the same again. A must-have! 504 pages

Tournament poker is a tough game to play, but the rewards for success can be huge. Even regular online tournaments offer substantial prizes running to hundreds of thousands of dollars. If you want to win big at the tables, then you must buy this book. In *Secrets of Professional Tournament Poker, Volume 1* you will learn the fundamentals of play and how to handle varying stack sizes. You will learn: Why tournaments are the most profitable form of poker When to play small ball and when to play long ball How to understand effective stack size How to tailor your play to winning, not just cashing ...plus much more!

With the renewed interest in the WSOP and Texas Hold-Em poker, online poker rooms have become the easiest way for the average player to get in the game. Online poker generates billions of dollars a year. Millions are playing and millions are lost every day. When playing poker live, an experienced player coupled with a little luck is a winning hand. But when playing online, rampant cheating and endless numbers of bad players make the luck factor the deciding factor. This book will let you understand the two different games being played, comparing live play to online play. *What No One Else Is Saying About Online Poker* highlights how the internet has changed the game into a free for all that could bring even the most experienced professional poker player to his knees, begging for mercy. *What No One Else Is Saying About Online Poker* is the tell all book about online poker. Topics: . Research the ins and outs of the industry and how the internet has changed the game forever. . Understand why online poker rooms are spending millions to detect cheating. . Learn the different types of cheating taking place in today's online poker rooms and how to recognize it. . Uncover the truths and rumored myths of online poker. . Learn exactly where online poker rooms and the players stand concerning the new bill passed into law on October 13, 2006: "The Unlawful Internet Gambling Enforcement Act of 2006." . Arm yourself with the knowledge to compete and discover if you can even afford trying. Author Carl Varrone, a successful business owner and poker enthusiast began his research for *What No One Else Is Saying About Online Poker* in 1998. His curriculum included reading numerous books and firsthand experiences in casino poker rooms learning to master the game. When poker rooms started popping up on the internet, Varrone found himself playing online every chance he could. Through his years of playing and research he was compelled to write this book. Every person playing online poker or considering it should learn from his experiences before getting in on the action.

In the years since Anthony Holden wrote his classic memoir *Big Deal*, the poker world has changed beyond recognition. When Holden played in the 1988 World Series of Poker there were 167 starters competing for a prize of \$270,000. Since then, poker has become the world's largest single-competitor sport -- at the 2006 World Series there were almost 9,000 players and a first prize of \$12 million, the richest in any sport. What happened in the years between *Big Deal* and *Bigger Deal* could never have been predicted: the Internet and television sparked a worldwide explosion in the popularity of poker, one that shows no sign of abating. Poker even has a respectable image these days, much to the disgust of die-hard players. Gone are the seedy rooms of the Horseshoe -- you can't even smoke at the table! -- and you're more likely to find yourself head to head with a film star than an ex-
