

## Big Wheelie Books Motorcycle

Live to Ride is pure adrenaline—a full-throttle exploration of motorcycles that pushes to the limit, with heart-pounding accounts of riding the greatest bikes of all time, all over the world. “Live to ride, ride to live.” For many motorcycle riders, these words express life’s guiding principle. Just take a look at the patch emblazoned on the jackets of legions of riders. Whether they’re roaring down an empty highway on two wheels at an insane speed, hopping on for a few mind-boggling loops of motocross, joining in the “rolling thunder” of a veritable outlaw motorcycle club, or just cruising on a Harley on a Sunday afternoon, motorcyclists of all stripes share a common love of the freedom that is riding. Wayne Johnson, a lifelong motorcycle-lover and acclaimed writer, takes us around the globe and onto the terrain where the most extreme, thrilling forms of riding happen. Johnson shows where it all began more than a hundred years ago when the first motorcycle evolved from the bicycle and lands us on the track today with some of the world’s highest-paid athletes— professional motorcycle road racers. From there we go inside radically different competitions like the vertigo-inspiring “Widowmaker Hillclimb” and the fastest land racing on the planet at the Bonneville Salt Flats. Johnson also offers an inside look at the legendarily secretive culture of biker clubs with firsthand accounts of his own wild rides with an outlaw club. In every one of these venues, you aren’t just passing through as an observer—you are on a bike, racing across new and undiscovered country, the horizon your only destination. If you have ever wondered what it’s like to climb on a motorcycle and feel its engine roar to life, or have actually done it and felt the rush of flying off into the wild blue yonder, or have simply been intrigued by this iconic part of American culture and history, hold on tight for this irresistible, one-of-a-kind journey into motorcycling.

Traditional Chinese edition of Miss Lonelyhearts. This 1933 publication of Nathanael West's novel about a columnist giving advice to women during the depression era is a dismal failure. But even with *The Day of the Locust* widely acknowledged as his best, *Miss Lonelyhearts* is now regarded as West's masterpiece. In Traditional Chinese. Distributed by Tsai Fong Books, Inc.

Eighteen countries. Five shock absorbers. Two bikers. One amazing adventure... After their fantastic trip round the world in 2004, fellow actors and bike fanatics Ewan McGregor and Charley Boorman couldn't shake the travel bug. Inspired by their UNICEF visits to Africa, they knew they had to go back and experience this extraordinary continent in more depth. And so they set off on their 15,000-mile journey with two new BMWs loaded up for the trip. Their route took them from John O'Groats at the northernmost tip of Scotland to Cape Agulhas on the southernmost tip of South Africa. Along the way they rode some of the toughest terrain in the world -- and met some of the friendliest people. They rode their bikes right up to the pyramids in Egypt and visited Luke Skywalker's house in Tunisia. They met people who had triumphed over terrifying experiences -- former childhood soldiers in Uganda and children living amidst the minefields of Ethiopia. They had a close encounter with a family of gorillas in Rwanda and were nearly trampled by a herd of elephants in Botswana. Riding through spectacular scenery, often in extreme temperatures, Ewan and Charley faced their hardest challenges yet. With their trademark humor and honesty they tell their story -- the drama,

the dangers and sheer exhilaration of riding together again, through a continent filled with magic and wonder. Notebooks, Journals And Calendars A gift that will remain in your memory. As the snow quietly falls over Pinewood Springs, a shadow lurks among the evergreen trees, watching and waiting to strike. The holiday season is the time for the Insurgents MC's big toy drive, and each year the club strives to give out more toys to the needy children of Pinewood Springs. But this season, the toys go missing, Christmas trees are destroyed, and the inflatables swaying in the wind deflate with the spray of BB gun pellets. Someone is trying to ruin Christmas. Hawk, VP of the club, has his hands full with his family and some brewing problems with a rival club, the Deadly Demons. The president, Banger along with the sergeant-at-arms, Rock, Throttle, Jax, Chas, Axe, Jerry, Wheelie, and Rags are trying to figure out who keeps stealing all the donations at the charity center. Amid all the chaos and danger crackling around the club, the Insurgent men make time to show their old ladies all the loving that they need. Forbidding love drew them together, but consuming vengeance threatens to tear them apart. A member of the Insurgents MC, Wheelie is a chick magnet. Having a ripped body, mesmerizing tats, and a boyish grin, he can have any woman he wants. Except for one: Sofia. Ever since he laid eyes on her, he was taken in by her sparkling eyes, her sweet laugh, and her pretty face. There's just one very big problem: she belongs to another Insurgent. He knows that means she's off-

limits, but he can't get her out of his mind. The memory of their kiss consumes him. He now knows how soft and perfect she is. Pursuing her will get him kicked out of the brotherhood, and the club is his life. He can't betray another brother even if he's a cruel, arrogant jerk. He has to be strong, but the more time he spends with Sofia the more tempting it is to cross the line. Sofia can't get the handsome biker out of her mind. Married to Tigger, she is unhappy and tired of his cruelty and manipulation. She longs to be in the strong arms of Wheelie, but she knows what the consequences are for him if they give in to their desire. Wheelie's fortitude is waning, and he wants nothing more than to claim Sofia and make her his even if that means going against another brother. This is book 1 of the Lethal Darkness MC trilogy. Books 2 and 3 are available everywhere now! I accidentally knocked up my enemy's daughter. MICAH When Paris shows up at my doorstep, begging for a man, I don't even think about saying no. I f\*\*k her until she cries out in ecstasy. I had no idea that I'd just screwed the daughter of my greatest enemy. Her father comes knocking four months later... And demands that I marry his now-pregnant daughter. The man could destroy everything I've worked my whole life to build. I have to decide: do I want war or a wife? There is no choice but to agree to his ultimatum. Now, I have a crucial weakness. And Paris's father is determined to end me for good. I find out just how far he's willing to go when he threatens his own grandchild. Big mistake. I didn't ask for a family. But now that I have one, I'll go to hell and back to protect them. So if her father

wants a vicious war, then that's exactly what he'll get. PARIS My whole life, I've been a princess in an ivory tower, not allowed even to look at a man. I couldn't take it anymore. So I snuck out to have a taste of forbidden passion. I never dreamed it would leave me pregnant. Now, my father is making me marry the man who did this to me. I never thought I'd see Micah again... Especially not like this. That strong jaw, those inked muscles, that steely, unflinching gaze... Standing on the altar across from me. Lifting my veil. And claiming me as HIS. I tell myself I didn't want this. That I never wanted a man like Micah for more than one night. But when my life is threatened—along with the life of my unborn baby—I know one thing: Trusting Micah is the only way I can survive.
