To save his chieftom, Sigve the Awful must convince the Bitch Queen he is the man to support. The Bitch Queen was one of many names for Queen Gunnhild, also called Mother of Kings. Gunnhild was married to Eirik Bloodaxe, who was King of Norway and King of York. She was a cunning woman, a practitioner of seid and black magic, exceptionally beautiful, and, according to legend, after King Eirik's death she developed an insatiable appetite for young men. In this fourth instalment of The Viking Series, the saga of Sigve continues. An old enemy of Sigve's family returns to Norway from his exile in Northumbria. Kalv Kolson arrives with his son, Einar, who leads a fierce band of warriors. When Sigve learns about their arrival, he decides to eradicate Kalv, Einar, and the rest of the family – wives, children, and all. Einar, however, is a good friend of Harald, Queen Gunnhild's son. Harald is King of Norway, and he has promised Einar his support. For Sigve it is crucial to make the king change his mind and help him instead. But, as everyone knows, the will of the king can only be moved through Gunnhild, who exerts great power over her son. Among people in the country, there is a saying that “Norway is ruled by the queen's cunt.” In order to achieve his goal, Sigve the Awful sets out to meet Queen Gunnhild. The result of their meeting is uncertain. In every way, the Bitch Queen is hard to satisfy.

I've always been a timid, quiet woman with a boring job as a secretary. I rarely went out to have any fun. One evening, all that changed. When my coworkers finally convinced me to get out and live a little, the last thing I expected was to wind up spying on two gorgeous women. I saw them from the bar, then followed them into the public restroom, where I could overhear them having sex. I was even more surprised when they asked me to join in!

He likes to exercise his power over the rehabilitation process. Coincidentally, he is also a sucker for female aliens who wish nothing more than to bribe him with bizarre sex. This is a tale told by him and centers around three of his conquests. All of the three alien sluts were willing to do anything to get out of the slammer. First up is a sea-dweller with long and purple hair and with a pussy to, apparently, die for. Of course our favorite prison guard gets to bang the shit out of her. Next is a sort of Amazonian and weird named Shu X, a burly, three-breasted bitch that soon learns she should never have challenged Qualleps' authority. The last but not least is a blue-skinned alien who wants to bring her friend along for the ride. It's a request Qualleps agrees to without question and rams them both. In the end, being a prison guard on an alien world in a far off galaxy actually isn't that bad.

How would you like to read this story of public sex? My Backdoor in His Backseat (My First Anal Sex on the Side of the Highway!) A Sex in Public Erotica Story by Karla Sweet I guess I was a bit forward since I went to the car show just in the hopes of meeting the guy I saw in the pictures online. He responded well, though, and he even offered to take me for a ride in one of the classic cars later in the day. How the hell

was I to know that would mean sex right on the side of the highway where anyone might have seen? And how could I have predicted that it would be my first anal sex experience, too? That's only one of the sexy tales you'll find in this collection where things happen right out in the open. Click now and it can be on your Kindle in just a moment or two. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, group sex, first lesbian sex, first anal sex, FFM threesome sex, and more. Only mature adults who won't find that offensive should read this collection. Here are the rest of the stories! 2. Michelle's Man and Eva's Ass An Anal Sex Group Sex Short by Brianna Spelvin Michelle and Brian have a sexually charged relationship in every way but one...Michelle won't let him have anal sex. So, she has to compensate, and when they end up at a swimming hole and a number of other biker's arrive, she sees her chance. If for her, it's all reluctant anal sex, she's perfectly fine to see Brian have backdoor sex with the lovely Eva! 3. Taken in the Snow Jamie's Rough First Anal Sex Threesome by Dominique Angel Jamie hates the cold and the snow, and she hates when her boyfriend is out of town. So, she works extra late to try to fill the day. It wasn't the smartest thing to do because by the time she gets to her car, the parking lot is deserted. No! It's not deserted. Two men are there, and they know exactly what they want...Jamie handcuffed in the car and giving up her throat! That's not it, either, because they're also going to make sure Jamie has her very first anal sex experience right in the midst of a rough MFM threesome! 4. The Pledge Mistress and the Pony Bitch An FFM Public Sex Sorority Hazing Story by Fran Diaz Pledge leader Vanessa didn't like it when I showed up to the sorority pool party in a sexy bikini. "Do you think Delta girls are whores?". After that, I was on her radar for the evening. When things started to heat up, I was squarely in her crosshairs. She couldn't wait to humiliate me in front of everyone. As soon as she needed a pledge to pleasure one of the frat boys, guess who she called? She made me do things to that boy that I had only dreamed of. I was humiliated but after a while I couldn't have been happier! 5. Two Strangers Take the Rich Bitch (Rough Sex, and I'm Not Even Rich!) An MFM Erotica Story by Callie Amaranth Well, I wanted to do something crazy so I got all dressed up. I meandered around and ended up at a very exclusive club. I wasn't sure I would ever make it inside the club but two limo drivers certainly thought I was really one of the rich folks. When they propositioned me, I ended up in the limo, and the threesome that followed sure as hell wasn't gentle! They thought they were defiling a rich bitch! That was just fine by me. The sex was really rough and really good, and I have to admit it felt great to pretend to be a wealthy slut!

"Science Fiction & Fantasy Book Review" was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time. This was the golden era of SF publishing, with a thousand titles (old and new) hitting the stands and the bookshelves each and every year. From the older classics to the newest speculative fiction, this was the period when the best and the brightest shined forth their talents. SF&FBR included reviews by writers in the field, by amateur critics, and by litterateurs and University professors. Over a thousand books were covered during the single year of publication, many of them having been reviewed no where else, before or since. The January 1980 issue includes a comprehensive index of all the works featured during the preceding year. This reprint will be a welcome addition to the literature of science fiction and fantasy criticism. Neil Barron is a retired bibliographer and literary critic, editor of the acclaimed "Anatomy of Wonder" series. Robert Reginald was the publisher for twenty-five years of Borgo Press, and has authored over 110 books of his own."
