In virtually all areas of Dylan's life - his immigrant antecedents, his business dealings, his various addictions and his romantic attachments - Heylin is able to provide a fascinating picture

of a man who changed the whole course of popular music in the sixties and, over thirty years later, won three Grammys. Heylin has given full weight to Dylan's own words and those of his closest associates, with over 250 people quoted in the book, helping to provide a portrait of a complex figure. Including 60,000 words of brand new material - dealing with Dylan's four twenty-first century albums; his archival audio-visual projects; his third film; his series of paintings and exhibitions; his autobiography, *Chronicles*; and his ongoing romantic liaisons and 'missing' marriages - this fully updated story of Dylan provides a monumental overview of the Man and his Music.

In the first century of the coveted Pulitzer Prizes, only 11 women have won the prize for drama: Zona Gale (1921), Susan Glaspell (1931), Zoe Akins (1935), Mary Coyle Chase (1945), Ketti Frings (1958), Beth Henley (1981), Marsha Norma (1983), Wendy Wasserstein (1989), Paula Vogel (1998), Margaret Edson (1999), and Suzan-Lori Parks (2002). This book is about them and their landmark plays, beginning with Gale's *Miss Lulu Bett*, which championed the unmarried woman forced to work in the home of a married relative, and closing with Parks' controversial *Topdog/Underdog*, which made her the first black woman to win the prize. Drawn from personal interviews with the playwrights and research from archives and unpublished material, this work shows how the stage art of women has reflected life in the American family and traces a strong thread of feminist history in our culture. Overview chapters set the stage for each playwright and play with sketches of the time period, highlighting the major points of women's experiences in culture, society and the family. Other chapters analyze each play in detail and discuss the playwright's life and opinions. The book also includes a quick history of the Pulitzer Prize and a chapter honoring black female playwrights.

With a few notable exceptions, gay artists of earlier generations felt compelled to avoid sexual candor in their writings. Conversely, most contemporary gay poets and playwrights are free from such constraints and have created a remarkable body of work. This reference is a guide to their creative achievements. Alphabetically arranged entries present 62 contemporary gay American poets and dramatists. A number of these writers are well known, including Edward Albee, Harvey Fierstein, and Allen Ginsberg. Others, such as Alan Bowne, Timothy Liu, and Robert O'Hara, merit wider recognition. Each entry is written by an expert contributor and includes a biography, a discussion of major works and themes, an overview of the author's critical reception, and primary and secondary bibliographies.
