

Bob Books Sight Words 1st Grade

Introduces young readers to animals of the rain forest. Some are present in the day and sleep and night and others are active during the night.

This is Bob Books bestselling first reader, introduced more than 35 years ago and used by millions of children. If your child knows the alphabet, Bob Books Beginning Readers is the book to start him or her on the path to reading. Many early readers contain words that are too difficult for a child who has just learned the sounds of the alphabet. Not these books! Using only the letters M, A, T and S, children can read their first book. New letters are added gradually, until all letters of the alphabet have been introduced (except Q). Short vowels and three-letter words in simple sentences help kids build reading confidence. They love the stories and funny pictures, and can't wait to read them to everybody they know. Inside this eBook you'll find: - 12 easy-to-read books, 12 pages each - All two and three letter words (C-V-C words) - Can be "sounded out" (phonics based) - A few new letters introduced in each book - Limited sight words - 7 to 20 words per book 504 Includes bibliographical references and index.

Sight words are common words that appear again and again in your children's reading material. Knowing these words by sight is essential for reading fluency. This set provides practice at the beginning reading level, and introduces 30 of the most common and easy sight words. Our method makes the process of learning to recognize sight words very simple for the young reader.
