Author of the bestselling I Love Your Style Amanda Brooks shares her personal stories, and sartorial highs and lows, from a life in fashion, with beautiful, eclectic, and inspired photographs throughout. An authentic voice in the world of style and how-to books, Amanda Brooks, with her unique and enviable yet accessible style, has inspired thousands of women of all ages to find their own personal look and explore their identity through the clothes they love to wear. In the past twenty years, Brooks has worked as a photo assistant for Patrick Demarchelier, a "gallerina" at the Gagosian Gallery, and at various fashion posts, before finding her dream job as fashion director for Barneys New York. Along the way--and wearing more than a few of the kinds of outfits we've all regretted at one point or another--Brooks has discovered the key to creating her personal style, combining influences as wide-ranging as childhood prep school, Grateful Dead concerts, contemporary artists, pop culture, and her current home outside of the fashion bubble, a farm where she lives with her family (and a host of animals) in England. Brooks recalls her early career aspirations and explores the evolution of her own personal style in stories of successes and failures alike, and offers fashion and beauty tips and inspiring photographs throughout. Always Pack a Party Dress is a must-read for high fashion or street style aficionados. In this gorgeously produced gift book, Brooks shares her expertise and insider view with warm, candid, and witty prose.

Bobbi Brown, renowned beauty authority and author of two New York Times bestsellers, follows up with her most important book to date, Bobbi Brown Beauty Evolution. A celebration of beauty across the generations, this positive-outlook guide for women of all ages reflects, as Bobbi says, "What happens to us as we make our way through life, and how we can continue making ourselves better." In Bobbi Brown Beauty Evolution, Bobbi shares her candid views of her

own beauty odyssey, as well as her formidable makeup expertise, to help women feel good about themselves at every age. Readers from their twenties to their seventies and beyond will experience a new appreciation of themselves through Bobbi's enriching book, and ultimately, even embrace -- yes, embrace -- the aging process. In the engaging, down-to-earth style that's pure Bobbi, she addresses the need-to-know issues we all face at one time or another -- from how to deal with changes in skin to what adjustments in makeup application are really necessary (and appropriate) as we age and everything in between. With more than 300 photographs specially commissioned for this book, Bobbi Brown Beauty Evolution includes the personal, heartfelt thoughts of real women from all walks of life -- all ages (from 20 to 101!), shapes, sizes, and ethnicities -- reflecting on what beauty means to them. Their words serve to underscore Bobbi's message that true beauty isn't something you're blessed with -- "it comes from having confidence and feeling good about who you are."

Color Theory for the Make-up Artist: Understanding Color and Light for Beauty and Special Effects analyzes and explains traditional color theory for fine artists and applies it to the make-up artist. This book is suitable for both professionals and beginners who wish to train their eye further to understand and recognize distinctions in color. It explains why we see color, how to categorize and identify color, relationships between colors, and it relates these concepts to beauty and special effects make-up. The book teaches the reader how to mix flesh tones by using only primary colors, and explains how these colors in paints and make-up are sourced and created. It also discusses the reason for variations in skin colors and undertones, and how to identify and match these using make-up, while choosing flattering colors for the eyes, lips, and cheeks. Colors found inside the body are explained for special effects make-up, like why we bruise, bleed, or appear sick. Ideas and techniques are also described for painting prosthetics, in addition to using color as inspiration in make-up designs. The book also discusses how lighting affects color on film, television, theater, and photography sets, and how to properly light a workspace for successful applications.

A comprehensive, plant-based lifestyle program to help women balance their hormones, increase energy, and reduce PMS symptoms. After struggling for years with acne, oily skin and hair, debilitating cramps, mood swings, brain fog, intense cravings, insomnia, bloating, and weight gain before her period, author and certified hormone specialist Shannon Leparski developed the Happy Hormone Method through extensive research. Her life changed for the better and Shannon made it her mission to combat hormone imbalance and promote women's health. The Happy Hormone Guide includes comprehensive, phase-specific (menstrual, follicular, ovulatory, and luteal) guidance including: • Changes in fertility, libido, and basal body temperature • Beneficial foods, micronutrients, and supplements • Phase-specific recipes to support hormone balance (can also reduce symptoms associated with endometriosis) • Common changes to mood and energy levels • Exercise tips suitable to different times of the month • Facial recipes, hair masks, and essential oil blends Modern culture expects women to keep up with the same demanding daily routine, but women's cycles are anything but consistent. The Happy Hormone Guide explores the ebbs and flows of a woman's monthly cycle and provides a holistic view of the female hormone and endocrine system so that you can take control of your cycle and improve your quality of life.
