beside him. “All I need is to take care of you...and to make lots of money for the both of us.”? Brodie Rogan’s baby-mama only wanted one thing from Brodie: his money. Since she wanted nothing to do with his son, billionaire player Brodie must prepare to face a new role in life, single fatherhood, with a strong emphasis on single. Feeling disgruntled and abandoned by the mother of his child, the former playboy has no plans to get involved with any new bunnies anytime soon, if ever. After all, what’s the point of being rich if he has to worry all the time about being taking advantage of? When his tiny Thomas arrives, it is that new life rather than dead presidents that now dictates the terms of Brodie’s life, at least until he meets Cara Rodriguez, a walking, talking breath of fresh air, with a scorching hot body. Brodie only lets his guard down enough for a one-night stand, but little does he know that Cara will turn out to be good for him and his precious son. As hard as he tries, he cannot fight the heat and passion he feels when he’s around her. Just when things appear to be perfect, will Brodie’s player ways ruin the best thing he and his little Thomas could have ever hoped for, or will Cara overlook his imperfections and love the billionaire and his baby? Book 2 What if your best chance for blistering passion is also a one-in-a-billion, unrealistic one? Julie Corbin is a stunning, successful nurse, but she’s all alone in the sexy city of Washington, DC. She was sure the last guy who hit on her couldn’t have possibly taken her seriously, but he certainly captured her deepest desires. In fact, he made her want more than any man ever had. The very delicious, very single billionaire Brodie Rogan is also a new

father who just so happens to be Julie's former boss. After a tumultuous parting of ways, one thing after another leads them back to each other. Two lonely people with so much going for them, they learn they share more than just a love for dance. Their chemistry is so powerful and erotic that they can't keep their hands off each other. In their secret moments, they're driven to new heights to which neither has dared travel before. While Julie can't stop fantasizing about a future with the wealthy, powerful Brodie, it is Mr. Rogan's shady past that she's caught up in, and that comes at a high price. Just as she reaches the crescendo, when she is at her all-time happiest, she has devastating run-ins with the mother of Brodie's child and his last lady love. Overcome with jealousy and insecurity, Julie begins to doubt Brodie, and he suddenly loses his Prince Charming appeal. Will Brodie's pesky past be enough to put an end to their fiery affair? Can Julie really bear to walk away from that romantic, magical world the dashing billionaire has to offer, or will she be seduced by those enchanting lips that beg her for one more chance? Book 3 Of all the reckless things that single dad and billionaire Brodie Rogan's done in his life, giving the woman he loves a job with him is at the top of the list. Julie Corbin meant what she said when she said goodbye, so Brodie feels like he has no other choice than to plant a false ad for a too-good-to-be-true job and to wait for sweet Julie to take the bait. It all goes perfectly until it blows up in his face. Can Brodie fix this one? Or maybe the billionaire's money can't make this one right. Dirty Billionaires Box Set includes books 1-3 Three billionaire brothers: Cesare, Enzo, and Dante Sabatini have everything except the one thing money can't buy. Three big beautiful women Alicia, Bethany, and Chloe will teach them the ABCs of love. Follow these couples as they negotiate the riskiest deal of all, falling in love. Book 1- His Dirty Demands It's hard to believe when I get the call: an offer to work for one of the Sabatini brothers. Cesare and Dante head a real estate firm that buys, sells, and owns some of the most spectacular real estate in Chicago. Dante Sabatini is the youngest of the brothers, and even though he's an arrogant manwhore he doesn't come close to the a\$\$hole level of the oldest Sabatini, Cesare. While I work for Dante, Cesare is in the office across the hall—and too close for comfort.. Even if I weren't a virgin, I'm very aware getting involved with Cesare Sabatini would be a complete disaster. Until the moment I find out Cesare is having the same problem. The insanely gorgeous billionaire wants me? I'm a plus-size woman who has become numb to insults I have heard about my weight. I'm far from numb at the idea of throwing caution to the wind and giving in to the dirty demands Cesare whispered in my ear. Then I do something I never thought I would do. I steal twenty-five thousand dollars. I'm borrowing it, I'll put it right back. When Cesare finds out, he demands twenty-five days and nights of my body in return for the money. Book 2- His Dirty Promises Dante Sabatini. Billionaire, manwhore extraordinaire—and my new next-door neighbor. Two years ago, my sister married his brother. Over the years I've heard all about him and seen his pictures

everywhere, yet between me away in school and Dante's hectic... ahem, "social life," we keep missing each other. Until the day I move in across the hall from him. Nothing could have prepared me for Dante Sabatini in person. He's more gorgeous than a photo could do justice—and more of an a\$\$hole than I thought was humanly possible. Oh yeah, and he wants me. Me? Plus size, virgin, twenty-four to his thirty-five, nobody to the models and actresses he's been with. Seriously? Only the jerk refuses to take me up on my begging to learn everything I can under his expert tutelage. We're family now, and there's too much at stake when we crash and burn he insists. Book 3- His Dirty Bargain My biological clock has been pounding, any minute now I'm going to hit buy on the sperm that's been sitting in my online cart for the last six months.... any minute. I want to be a single mom. The last five years without a man have been the best years of my life. Except, I do want kids, six if I had my way. But if I'm doing it alone I can't really afford more than one. At least what I need I can get off a website. I had no idea men had biological clocks too, Enzo Sabatini proved otherwise. The control-freak billionaire married a gold-digging womb to get the children he wanted, and not surprisingly it blew up in his face. With the ink barely dry on his divorce that lasted longer than his marriage, I'm tasked with finding him a new place to live. I can't believe it's really heat I see in his eyes when he looks at me. I'm nothing like his usual women, plus size compared to size zero Shock is an understatement when I see the ring. I can barely process his insane proposal of me getting the dream house and the multifamily property

Bad Night Stand The man had seemed so innocent in the bar—hot, hard, and possessing a butt that I wanted to bite like the last chocolate chip cookie in my stash. Of course, he'd also skipped town, leaving me woefully unsatisfied. That was before the news of a failed IUD. Before the plus sign. Before Jordan showed back up determined to make that night up to me. I didn't want a baby or a payday or a sexy, stubborn man in my life. I wanted to go back in time and pretend none of it had happened. Unfortunately, my life had become all about that plus sign . . . and there wasn't a damn thing I could do about it. Bad Breakup

wasn't going to be stupid about Colin. Not again. Not now that she knew better. But had anyone informed Colin of that fact? Bad Husband Heather O'Keith is the biggest, baddest female CEO around. Known for being tough as nails, fair to a fault, and a shark when it comes to securing contracts for her business, RoboTech, she's also lonely. But then Heather realizes that she may not be the only lonely one. The big lug who seems to enjoy tormenting her in the business world also has a soft side. And when that part of him is wholly directed at her, she gets stupid. Stupid finds her waking up hungover and naked in Clay's bed. With a giant diamond ring. On her left hand. Oh lord, what has she done? Bad Date: A Never Before Released Novella Blind dates were the absolute worst. Awkward, filled to the brim with small talk, and they never, ever worked out. Kay knew all that. Yet for some reason, she still had agreed to let Heather set her up. Maybe it was because Heather O'Keith had rescued her when some idiot had dropped half a Venti Frappuccino on her laptop, saving her nearly-completed novel and befriending her in the process. Maybe Heather was just a force to be reckoned with. Or maybe, it was because Kay had serious pushover tendencies. But when the date came, Kay found herself alone at a table

Until she discovered that jerk was her missing blind date—her rude and insufferable date who blew right by her as if she didn't exist. What. The. Hell?
