His historical romances of frontier and Indian life in the early American days created a unique form of American literature. Before embarking on his career as a writer, Cooper served in the U.S. Navy as a Midshipman, which greatly influenced many of his novels and other writings. The novel that launched his career was The Spy, a tale about counterespionage set during the Revolutionary War. He also wrote numerous sea stories, and his best-known works are five historical novels of the frontier period known as the Leatherstocking Tales. Among his most famous works is the Romantic novel The Last of the Mohicans, often regarded as his masterpiece.
