Exam Essentials is our major British English exam

preparation series combining exam preparation, practice, and

tips for the revised Cambridge English exams. This effective

combination of testing and teaching has proved a popular

formula with teachers and students. The first two practice

tests in each book are 'walk-through' tests. Students are

carefully guided through the tests and shown how they work

and what they have to do to succeed in each part of the

exam. Additional step-by-step support for the Writing paper is

offered in all the tests. All of the tests are written by experts in

the field, which means that students preparing for the exams

experience material that is appropriate for and at a level at

least as high as the actual exams. Candidates internationally

find the Speaking test very challenging. To help them deal

with this, each Practice Test book comes with a DVD-ROM

which includes a bespoke video showing a complete

Speaking test interview as well as an examiner talking about

this part of the exam and giving students expert guidance on

how to approach it. The DVD-ROM also features worksheets

to use with the interview and all the Listening test files.
