A timely and expansive survey of a groundbreaking American art movement that overturned aesthetic hierarchies in a riot of color and ornamentation The Pattern and Decoration movement emerged in the 1970s as an embrace of long-dismissed art forms associated with the decorative. Pioneering artists such as Miriam Schapiro (1923-2015), Joyce Kozloff (b. 1942), Robert Kushner (b. 1949), and others appropriated patterns, frequently from non-Western decorative arts, to produce intricate, often dizzying or gaudy designs in media ranging from painting, sculpture, and collage to ceramics, installation art, and performance. This dazzling book showcases an astonishing array of works by more than 40 artists from across the United States, examining the movement's defiant adoption of art forms traditionally viewed as feminine, craft-based, or otherwise inferior to fine art. In addition to offering an overview of the Pattern and Decoration movement as it is commonly recognized, this volume considers artists of the period who are not typically associated with the movement. Rethinking the significance of patterns and the decorative in postwar American art, this panoramic view provides new insights into abstraction, feminism, and installation art. Essays explore the movement's feminist methods and values, including Miriam Schapiro's "femmage" practice; its impact on contemporary abstract painting; and its relationship to postmodern architecture and design. Artist biographies, an exhibition history, and reprints of historically significant writings further establish *With Pleasure* as the most expansive publication on the subject.

Coleman always figured at this point in his life, he'd be settled down with a family. Since his ex split for the big city, though, no way will he give anyone else the chance to drop-kick his heart. Physical pleasure? Hell, yeah, he'll take—and give—with gusto, but nothing more. Hope Meridan is working long hours to hold on to her new quilt shop, going it alone since her sister/business partner ran off. Sex? Right, like she's got the time. Not that she doesn't have the occasional dirty fantasy about Matt. Fat chance he'd dream of knocking boots with her—the younger sister of the woman who dumped him. Nope, she'll just have to settle for friendship. Friends would be far easier if there wasn't something combustible going on between them. And when casual interest starts to grow into something more, their tenuous bond strengthens in the heat of desire. But it may not survive the hurricane-force arrival of the last person either of them ever wanted to see again... Warning: Small-town rivals, men in pursuit and family meddling—in good and bad ways. Look for a cowboy who knows how to rope, ride and rein in a hell of a lot more than eight seconds of sheer bliss. Previously published in 2012 Keywords: Canadian Author, cowboy, western, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.

The fascinating story of the transformation of American watercolor practice between 1866 and 1925 The formation of the American Watercolor Society in 1866 by a small, dedicated group of painters transformed the perception of what had long been considered a marginal medium. Artists of all ages, styles, and backgrounds took up watercolor in the 1870s, inspiring younger generations of impressionists and modernists. By the 1920s many would claim it as "the American medium." This engaging and comprehensive book tells the definitive story of the

metamorphosis of American watercolor practice between 1866 and 1925, identifying the artist constituencies and social forces that drove the new popularity of the medium. The major artists of the movement - Winslow Homer, John Singer Sargent, William Trost Richards, Thomas Moran, Thomas Eakins, Charles Prendergast, Childe Hassam, Edward Hopper, Charles Demuth, and many others - are represented with lavish color illustrations. The result is a fresh and beautiful look at watercolor's central place in American art and culture.

Orlando: A Biography, is a fictional work published in 1928. Virginia Woolf was an English author, essayist, publisher, and writer of short stories, regarded as one of the foremost modernist literary figures of the twentieth century. During the interwar period. The novel is semi-biographical based and dedicated to Woolf's lover Vita Sackville-West. Well regarded for its impact on gender studies and the stylized approach in which it portrays women. The novel was conceived as a "writer's holiday" from more structured and demanding novels. Woolf allowed neither time nor gender to constrain her writing. The protagonist, Orlando, ages only thirty-six years and changes gender from man to woman. This pseudo-biography satirizes more traditional Victorian biographies that emphasize facts and truth in their subjects' lives. Although Orlando may have been intended to be a satire or a holiday, it touches on important issues of gender, self-knowledge, and truth with Virginia Woolf's signature poetic style. Adeline Virginia Woolf (25 January 1882 – 28 March 1941) was an English writer, and one of the foremost modernists of the twentieth century. During the interwar period, Woolf was a significant figure in London literary society and a central figure in the influential Bloomsbury Group of intellectuals.

The first three contemporary western romance novels in the Six Pack Ranch series from New York Times bestselling author Vivian Arend Includes: Rocky Mountain Heat: Blake knows that wanting the sweet girl next door is just wrong. The responsible thing to do is keep his hands off. Jaxi may have once considered him a big brother, but now she has plans for Blake's hands. She's all grown up

and ready to convince him that she's just what he's been waiting for. Except he can't seem to see past the big "don't touch" sign that's apparently still hanging around her neck. When the heat between them reaches volcanic levels, Blake must decide if Jaxi's brand of trouble is worth fighting for. Rocky Mountain Haven: Having buried her abusive husband, Beth takes her boys away for a fresh start in Alberta. She definitely doesn't want another man in her life—until one look at a sex-in-boots cowboy in a Calgary bar blows the dust off her sorely neglected sexuality. Sensing an edge of desperation, even fear, beneath Beth's come-on, Daniel gives in to the powerful urge to let his normally controlled desires run wild. The lady wants anything-goes sex? She's got it. Too late Beth realizes Daniel is burning away the protective fortress around her heart...and the guilty secret she dare not reveal. Rocky Mountain Desire: Since Matt's cheating ex split for the big city, no way is he giving anyone else the chance to drop-kick his heart. Physical pleasure? He'll take—and give—with gusto, but nothing more. Hope is scrambling to keep her quilt shop afloat after her sister/business partner ran off. Sex? Like she's got the time. Besides, Matt would never knock boots with the younger sister of the woman who dumped him. Yet there's something combustible going on between them, and though it grows into more, it may not survive the arrival of the last person they ever wanted to see. Keywords: Canadian Author, cowboy,

Just because you're through with your past, doesn't mean it's through with you. Margaret Beringer didn't have an easy adolescence. She hated her name, was less than popular in school, and was always cast aside as a "farm kid." However, with the arrival of Courtney Carrington, Margaret's youth sparked into color. Courtney was smart, beautiful, and put together—everything Margaret wasn't. Who would have imagined that they'd fit together so perfectly? But first loves can scar. Margaret hasn't seen Courtney in years and that's for the best. But when Courtney loses her father and returns to Tanner Peak to take control of the family store, Margaret comes face-to-face with her past and the woman she's tried desperately to forget. The fact that Courtney has grown up more beautiful than ever certainly doesn't help matters.

"Smart, sassy and intensely sexy" RT Book Reviews It's a marriage of convenience neither wants to end . . . Garret James doesn't need a woman tying him down. Not when the number of buckle bunny notches on his belt and his position in the pro bull riding standings are both on the rise. But just when he learns he's close to blowing out his bad shoulder, Silver Jordan roars into his life

straddling a Harley with her long, leather-clad legs and offering him the health insurance coverage he needs for his operation. Hell, he might not mind being tied to one woman, if that woman was Silver. There's two problems however—one, she's his friend Aaron's sister and two, this union they'd promised would be temporary and only on paper ends up in the bedroom, making their marriage feel all too real. Just as Hand Drawn Halifax was "a love letter to the city", Fitzgerald's new book takes readers on informal road trips along one of the most renowned parts of Canada. As Emma sketches, residents of these communities share their insights and histories. They appear in her whimsical drawings that portray the South Shore through every season. Readers will meet a fourth-generation female sail maker in Second Peninsula, learn the recipes for summertime rose vinegar and winter Bluenose dark rum, make an autumn visit to Birchtown's Black Loyalist Heritage Centre with author and activist Desmond Cole, and escape the wintertime weather inside the Sipuke'l Mi'kmaq art gallery in Liverpool.

After the end of Civil War in 1865, more than four million slaves were set free. There were several efforts to record the remembrances of the living former slaves. The Federal Writers' Project was one such project by the United States federal government to support writers during the Great Depression by asking them to interview and record the myriad stories and experiences of slavery of former slaves. The resulting collection preserved hundreds of life stories from 17 US states that would otherwise have been lost in din of modernity and America's eagerness to deliberately forget the blot on its recent past. This edition brings to
