teaching; more on technology, including comprehension of multimodal texts, enhancing writing instruction with technology tools, and teaching activities with an added technology component; added discussion of teacher techniques during text discussions, strategic moves that help students become more strategic readers. Key features: In the Classroom vignettes; more than 50 activities, some with a technology component; questions for journal writing and for projects and field-based activities; troubleshooting sections offering alternative suggestions and activities for those middle-grade students who may find a particular literacy focus challenging.

TEACH YOUR STUDENTS TO READ LIKE CHAMPIONS—WITH RIGOR, INDEPENDENCE, PRECISION, AND INSIGHT The world we are preparing our students to succeed in is one bound together by words and phrases. Our students learn their literature, history, math, science, or art via a firm foundation of strong reading skills. When we teach students to read with precision, rigor, and insight, we are truly handing over the key to the kingdom. Of all the subjects we teach reading is first among equals. Grounded in advice from effective classrooms nationwide, enhanced with more than 40 video clips, *Reading Reconsidered* takes you into the trenches with actionable guidance from real-life educators and instructional champions. The authors address the anxiety-inducing

world of Common Core State Standards, distilling from those standards four key ideas that help hone teaching practices both generally and in preparation for assessments. This 'Core of the Core' comprises the first half of the book and instructs educators on how to teach students to: read harder texts, 'closely read' texts rigorously and intentionally, read nonfiction more effectively, and write more effectively in direct response to texts. The second half of Reading Reconsidered reinforces these principles, coupling them with the 'fundamentals' of reading instruction—a host of techniques and subject specific tools to reconsider how teachers approach such essential topics as vocabulary, interactive reading, and student autonomy. Reading Reconsidered breaks an overly broad issue into clear, easy-to-implement approaches. Filled with practical tools, including: 44 video clips of exemplar teachers demonstrating the techniques and principles in their classrooms (note: for online access of this content, please visit my.teachlikeachampion.com) Recommended book lists Downloadable tips and templates on key topics like reading nonfiction, vocabulary instruction, and literary terms and definitions. Reading Reconsidered provides the framework necessary for teachers to ensure that students forge futures as lifelong readers. The importance of being able to read for meaning should never be underestimated. The ability to decode text is not enough. It is vital that children

understand what they are reading. More importantly, it is fundamental that they enjoy what they are reading, so that they grow up to become lifelong readers. The passages in the Brilliant Activities for Reading Comprehension series are designed to do just that. They provide children with a variety of engaging, enjoyable texts that will grab their attention, and indeed their teacher's attention as well. The types of comprehension passages range from newspaper articles and dialogues, to plays, stories and poems. They gradually increase in difficulty as you progress through the book, and through the series, encouraging children to develop their ability to read for meaning and use a range of strategies to engage with the text. The passages are ideal for guided reading. Tasks range from simple factual recall and vocabulary work to more open-ended questions enabling the reader to provide a more personal response. The cross-curricular activities provide a wealth of ideas for extending the passages further and are ideal for fast-finishers.

the prior knowledge and reading strategies to thoroughly engage in the classroom literature experience. Give your students the background and support they need to understand and enjoy literature. With these reading guides, your students will practice reading comprehension skills, sharpen their vocabulary, and learn to identify literary elements. The eBooks range in reading level from 4 to 10. Reproducible. Contents Include: Teacher and student support materials, reproducible student activity sheets, an end-of-book test, and an answer key. Each reading guide divides the novel into six manageable units. Prepares all students for reading success through activating prior knowledge. Focuses reading with guiding "Questions to Think About". Build vocabulary with pre-reading and during-reading activities.

The 3rd Edition of Literacy & Learning in the Content Areas helps readers build the knowledge, motivation, tools, and confidence they need as they integrate literacy into their middle and high school content area classrooms. Its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own students in middle and high school classrooms . Rather than passively learning about strategies for incorporating content area literacy activities, readers get hands-on experience in such techniques as

mapping/webbing, anticipation guides, booktalks, class websites, and journal writing and reflection. Readers also learn how to integrate children's and young adult literature, primary sources, biographies, essays, poetry, and online content, communities, and websites into their classrooms. Each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students' content area learning. Author Sharon Kane demonstrates how relevant reading, writing, speaking, listening, and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks.

learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Giver is a Newbery Medal winning story about a child named Jonas who lives in a futuristic society in which everything is managed and controlled, eliminating hatred, hunger, war, love, families and personal decisions. When Jonas is assigned the task of becoming the next Receiver of Memory, the Giver transmits memories of a past world where hatred, war and love existed, revealing the truth to the young boy. Jonas soon realizes the horrors of his “perfect” society. Through the memories imparted to him from the Giver, Jonas also learns of an alternative, better world. The Giver and Jonas come to the realization that for the good of the community, these memories must be transferred to the entire community. In order to do this, Jonas and the Giver must leave — the Giver through death, and Jonas through escape. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy. The performance tasks in this book are linked directly to instructional strategies and include holistic rubrics, analytic rubrics, and assessment lists. They can be photocopied and distributed to your students. Included in this series are 98 performance tasks, 196 assessment lists, 18 holistic rubrics, 30 analytic rubrics, 88 graphic organizers

Camp Green Lake, a juvenile detention facility where there is no lake, and there are no happy campers. In place of what used to be "the largest lake in Texas" is now a dry, flat, sunburned wasteland, pocked with countless identical holes dug by boys improving their character. Stanley Yelnats, of palindromic name and ill-fated pedigree, has landed at Camp Green Lake because it seemed a better option than jail. No matter that his conviction was all a case of mistaken identity, the Yelnats family has become accustomed to a long history of bad luck.
