

Church Usher Training Guide

Recognize those taking on this important leadership role.

Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the Workers-in-Training programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen

From the perspective of a veteran pastor and communicator, Dr. Leslie Parrott describes the function of the usher and provides practical guidelines on how this vital role in the church may be carried out with grace and efficiency. Not only does he apply scriptural principles, but he relies completely upon Scripture in his development of the various qualifications and duties of the usher. In this practical, how-to-do-it book, Dr. Parrott explains: - The Ministry of Ushering: what makes a good usher; why ushers are important - The Function of an Usher - The Authority and Responsibility of an Usher - The Usher as a Greeter -- Every church can have an effective usher corps -- and this group will be even more effective if based on The Usher's Manual.

When is the best time to seat a latecomer? How can you be friendly to visitors without overwhelming them? What should you do if someone faints during the worship service? It's natural to have these questions as an usher or greeter. You can find the answer to these questions and more in Welcome to Our Church. This book will help ushers and greeters learn how to make visitors and members feel welcome, handle large crowds of people and noisy children, prepare for emergencies and problem situations, and usher special services like weddings and funerals.

Dr. Buddy Bell, founder of Ministry of Helps International, combines humor with informative teaching and practical tips to help ushers realize the importance of serving people with excellence in the local church.

In my youth I would watch the ushers at church and thought it would be neat to usher. It didn't look hard and I'd get to greet everyone. When I got old enough I volunteered and was hooked. After I was married and moved to the big city, the church I attend was very large, and like most churches they needed ushers. I was promoted very quickly and the responsibility didn't bother me. Then I was drawn to a new daughter church. This was a challenge, a brand new church. I offered what I could. When things got settled I was running one of the services. When the Head ushers spot came open I didn't think I was ready, so I prayed about it. A calmness came over me and I knew then it was what God wanted me to do.' David Foos, Head Usher, Canyon Hills Community Church, Bothell, Washington

Ushering in the local church is much more than just shaking hands and passing offering plates. Fulfilling your role as an usher is just as important to the body of Christ as that of a prophet, teacher or evangelist. This book covers both the biblical and the practical aspects of church ushering. Buddy Bell, founder of Ministry of Helps International, combines humor with informative teaching to help you become more effective in your ministry. You will be challenged to serve with excellence as you learn the following: The scriptural role of ushering Leadership by example The legal do's and don'ts of ushering The responsibilities of the head usher Plus much more!

As we enter our church, the first person we often see is the usher. While many may look at the position of usher as simply a social one, it can be so much more. In "Ushering with a Mission," author Victor L. Davis presents the first comprehensive guide specifically addressed to the needs of the usher. The traditional approach to ushering focused on the task of meeting, seating, and greeting worshippers. The typical training manual addressed techniques ushers should use in carrying out those duties. Davis's "Ushering with a Mission" goes a step further and emphasizes the importance of disciplining the individual usher. Ushering is viewed as a ministry rather than a committee or board activity. The ministry of ushering is approached from a Christ-centered, biblical perspective. Ushering is not something we simply do because, "It's our Sunday to usher." We do it because it is a lifestyle, resulting from the overflow of the Spirit-filled life. "Ushering with a Mission" stresses the importance of Bible study, prayer, and personal evangelism with nonbelievers. Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior, Jesus Christ. The Believer's Training Handbook is a complete teaching manual—designed to enable you to study major areas in the Bible without the expense and time required by formal institutions. It contains a "balanced diet" of the entire Bible. Learn about: • living by faith, • the end-times, • fivefold ministries and different movements, • hearing from God, • and much more! Most importantly, it is also written to be practical. Chapters such as "Soul Winning" and "Demonstrating the Kingdom" will teach you step-by-step ways to win the lost, heal the sick, and interpret prophecy. The Believer's Training Handbook will be an invaluable resource for Bible training and ministries alike!

This compact prayer manual shows how to build and participate in a praying church and includes stories and examples from a cross section of churches, evaluation charts, and discussion questions so both church staff and lay leaders can use it individually or in group settings.

Paul Turner's foundational chapters on the meaning and history of the ministry and on the ministry's spiritual dimensions, a brief chapter on the liturgy by liturgist Corinna Laughlin has been added. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial

duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.
