An exploration as well as a literary celebration of the fascinating young adult fantasy series, this companion guide takes readers deep into the rich universe of Cassandra Clare's "New York Times" bestselling Shadowhunter Chronicles franchise. With intelligent yet accessible dissections of each volume of both the Mortal Instruments series and the Infernal Devices series, Liv Spencer delivers the next best thing to a Shadowhunter's codex with commentary on the books as well as their references to folklore, legends, and literature. The guide also recounts Cassandra Clare's publishing story, from journalist and fan fiction writer to bestselling author; explores the cast and crew who brought the first book to life in the film "The Mortal Instruments: City of Bones," premiering in August 2013; and delves into the franchise's fans, a passionate community that is anything but mundane. From the Clave to Chairman Meow and demon pox to dastardly ducks, "Navigating the Shadow World" is both an insightful introduction to the world of Cassandra Clare and a satisfying companion book for fans.

As the Council attempts to strip Charlotte of her power, shapechanger Tessa Gray works with the London Shadowhunters to find the Magister and destroy his clockwork army, learning the secret of her own identity while investigating his past.

As the Council attempts to strip Charlotte of her power, sixteen-year-old orphaned shapechanger Tessa Gray works with the London Shadowhunters to find the Magister and destroy his clockwork army, learning the secret of her own identity while investigating his past.

If the only way to save the world was to destroy what you loved most, would you do it? The clock is ticking. Everyone must choose. Passion. Power. Secrets. Enchantment. Danger closes in around the Shadowhunters in the third and final instalment of the bestselling Infernal Devices trilogy.

A prequel to Cassandra Clare's 'Mortal Instruments' series, 'The Infernal Devices: Clockwork Angel' is the story of Tessa Gray, a sixteen-year-old American girl travelling alone to Victorian London who runs afoul of the city's sordid supernatural underworld. Rescued by the Shadowhunters of the London Institute, Tessa quickly finds herself caught up in an intrigue that may very well destroy her new friends - including the two enigmatic young men, Jem and Will, who have taken her under their wing . . .

Love is a mortal sin, and the secrets of the past are deadly. Plunge into the third installment in the internationally bestselling Mortal Instruments series and "prepare to be hooked" (Entertainment Weekly). To save her mother's life, Clary must travel to the City of Glass, the ancestral home of the Shadowhunters—never mind that entering the city without permission is against the Law, and breaking the Law could mean death. To make things worse, she learns that Jace does not want her there, and Simon has been thrown in prison by the Shadowhunters, who are deeply suspicious of a vampire who can withstand sunlight. As Clary uncovers more about her family's past, she finds an ally in mysterious Shadowhunter Sebastian. With Valentine mustering the full force of his power to destroy all Shadowhunters forever, their only chance to defeat him is to fight alongside their eternal enemies. But can Downworlders and Shadowhunters put aside their hatred to work together? While Jace realizes exactly how much he's willing to risk for Clary, can she harness her newfound powers to help save the Glass City—whatever the cost? Love is a mortal sin and the secrets of the past prove deadly as Clary and Jace face down Valentine in the third installment of bestselling series the Mortal Instruments. Includes an exclusive sneak peek of the fourth book in the Mortal Instruments series: City of Fallen Angels! And don't miss the teaser from Clockwork Angel, the first book in the Infernal Devices trilogy, the prequel to the Mortal Instruments series. When 16-year-old orphan Tessa Fell's older brother suddenly vanishes, her search for him leads her into Victorian-era London's dangerous supernatural underworld.

When Jace vanishes with Sebastian, Clary and the Shadowhunters struggle to piece together their shattered world and Clary infiltrates the group planning the world's destruction.

When sixteen-year-old orphan Tessa Fell's older brother suddenly vanishes, her search for him leads her into Victorian-era London's dangerous supernatural underworld, and when she discovers that she herself is a Downworlder, she must learn to trust the demon-killing Shadowhunters if she ever wants to learn to control her powers and find her brother.

Philip Pullman is an award-winning author perhaps best known for his epic trilogy, His Dark Materials, one of the few fantasy classics to feature a strong female central protagonist. Pullman is a creator of new worlds and the captain of adventures, spinning intricate and fantastical yarns. His life story is every bit as fascinating as the tales he has created from life, transforming them with storytelling magic into classics of fantasy literature. This is the life story of a master storyteller, and readers will receive a privileged glimpse into the mind and working methods of a creative genius. This supports Common Core standards for the reading of biographies.

A net of shadows tightens around the Shadowhunters of the London Institute. Mortmain plans to use his Infernal Devices, an army of pitiless automatons, to destroy them. He needs only one last item to complete his plan: he needs Tessa Gray. When Mortmain abducts Tessa, the boys who lay equal claim to her heart, Jem and Will, will do anything to save her. For though Tessa and Jem are now engaged, Will is as much in love with her as ever. Danger and betrayal, secrets and enchantment, and the tangled threads of love and loss intertwine as the Shadowhunters are pushed to the very brink of destruction in this breathtaking conclusion to the Infernal Devices trilogy.

The third installment of the graphic novel adaptation of Cassandra Clare's bestselling The Mortal Instruments! With the truth about her family brought to light, Clary just wants to find a way to return to as normal a life as possible. But with Downworlders being killed around the city and Jace in serious trouble, it might be time for her to stand up and grab the power she never even knew she had inside her... The suspense keeps building! What will happen to these beloved characters, brought to life by Cassandra Jean's lush artwork and beautiful color illustrations? Includes a brand-new, exclusive scene written by Cassandra Clare!

The #1 New York Times and USA TODAY bestseller is now available at an incredible low price for a limited time only! Discover the "compulsively readable" (Booklist) first book in the Infernal Devices trilogy, prequel to the internationally bestselling Mortal Instruments series! Clockwork Angel is a Shadowhunters novel. When Tessa Gray crosses the ocean to find her brother, her destination is England, the time is the reign of Queen Victoria, and something terrifying is waiting for her in London's Downworld, where vampires, warlocks, and other supernatural folk stalk the gaslit streets. Only the Shadowhunters, warriors dedicated to ridding the world of demons, keep order amidst the chaos. Kidnapped by a secret organization called The Pandemonium Club, Tessa learns that she herself is a Downworlder with a rare ability: the power to transform into another person. What's more, the Magister, the shadowy figure who runs the Club, will stop at nothing to claim Tessa's power for his own. Friendless and hunted, Tessa takes refuge with the Shadowhunters of the London Institute, who swear to find her brother if she will use her power to help them. She soon finds herself fascinated by—and torn between—two best friends: James, whose fragile beauty hides a deadly secret, and Will, whose caustic wit and volatile moods keep everyone in his life at arm's length...everyone, that is, but Tessa. As their search draws them deep into the heart of an arcane plot that threatens to destroy the Shadowhunters, Tessa realizes that she may need to choose between saving her brother and helping her new friends save the world...and that love may be the most dangerous magic of all.
