Adam and Eve encountered him directly in the Garden of Eden, Teresa of Avila experienced him through visions, and Francis of Assisi heard his voice in nature. This book gives practical advice for connecting on a deeply personal level with God. It uncovers new places to look for God, while providing reflection questions and activities to reinvigorate communication with God in such traditional areas as prayer and Bible study. Divided into twelve chapters conveniently organized for individual or group study, each section explores a different area in which we can deepen our individual communion with God. The Renovaré Spiritual Formation Guides, created by Richard J. Foster and the team that developed The Renovaré Spiritual Formation Bible and the longstanding A Spiritual Formation Workbook, provide tangible lessons that help us become spiritually formed, conformed, and transformed into the image of Jesus Christ. Cardinal Joseph Ratzinger's election as Pope Benedict XVI brought a world-class biblical theologian to the papacy. There is an intensely biblical quality to his pastoral teaching and he has demonstrated a keen concern for the authentic interpretation of sacred Scripture. Here a foremost interpreter of Catholic thought and life offers a probing look at

Benedict's biblical theology and provides a clear and concise introduction to his life and work. Bestselling author and theologian Scott Hahn argues that the heart of Benedict's theology is salvation history and the Bible and shows how Benedict accepts historical criticism but recognizes its limits. The author also explains how Benedict reads the overall narrative of Scripture and how he puts it to work in theology, liturgy, and Christian discipleship.

This work, the inaugural volume in a new SBL series devoted to preserving and promoting seminal biblical scholarship from the nineteenth and early twentieth centuries, offers the first English translation of Albert Eichhorns influential *Das Abendmahl im Neuen Testament*. Eichhorns penetrating analysis of the Lords Supper traditions in this work exemplifies the qualities for which he was so highly esteemed: the sure ability to distinguish layers of tradition within the text, the full appreciation of the role of early Christian worship in shaping the reports about Jesus life, the forthright acknowledgement of the difficulty of ascertaining the original historical events, and the unflinching recognition of the influence of Near Eastern and Hellenistic religions upon Christian tradition, even in its earliest stages. To set Eichhorn himself in his historical and intellectual context, this volume also offers the first English translation of Hugo Gressmanns biographical essay: *Albert Eichhorn and the History of Religion School*.

There is nothing like the Reformed Apprentice workbook series anywhere in the Christian community. It is designed to bring Reformed Theology to Christians seeking a deeper walk with Jesus Christ in the form of a workbook, not simply a text to read. In old England, an apprentice was a novice who engaged in a covenant with a tradesman to learn a particular trade. A workbook of this kind for today's Christian, was created to engage the student of the Bible to be apprenticed under the historical pastors, theologians and teachers of Reformed Theology. As the Christian learns and grows in Christ through the Bible, they mature into a Reformed Apprentice. As with each of the workbooks in this series, its purpose is to guide the Christian into a deeper knowledge and relationship with the Lord Jesus Christ, as he has revealed himself to the church in his Word and by his Spirit through the centuries in Reformed Theology. Cultivating a relationship with Christ takes work; and every Christian is commanded by God to have communion with the Father, through Christ, in the power of the Spirit. How powerful is your devotional life? This volume specifically covers the three spiritual disciplines which make up private devotions in bible reading and study, prayer and godly meditation. It extensively quotes the Reformers, the Puritans, and Reformed theologians from various ages in order to aid the Reformed Apprentice in coming to a knowledge of what truly constitutes biblical private devotions as taught in Scripture, Reformed Theology and the Reformed Faith.

Read Crazy Love in Simplified Chinese! Now you can experience Francis Chan's life-changing message in this Simplified Chinese version of Crazy Love. God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. Marriage and the Counsel of God is the product of over twenty-two years of biblical study and pastoral counseling. The text and accompanying workbook have proven themselves an effective means of preparing couples for marriage, of supporting those already married, and of recovering marriages that are failing. The text focuses on the biblical model for marriage found in Genesis and Ephesians while following an outline of basic Christian beliefs (e.g., the Ten Commandments, the Apostles' Creed, the Lord's Prayer, baptism, Holy Communion, and confession/absolution). The essential elements of these beliefs are considered for their import in the Christian life in general and regarding marriage in particular. Abundant Scripture references are provided, as well as examples from real-life situations. These and other helpful resources are also given in indices for quick reference. The book and workbook are written in clear, nontechnical, and engaging language and so are aimed for students and teachers of counseling, for counseling professionals, for pastors, and for the public in general.
