***** Look at what some students had to say after using our practice exams ***** "I just wanted to let you know that I was preparing for the CPC exam and took a practice exam and only made a 70%. I was somewhat skeptical of purchasing your strategies and practice in fear it would not help. Reluctantly, I purchased your product (a practice exam and the strategies to pass) before sitting for the CPC exam. I received my results yesterday. I MADE A 92! I used all of the strategies you recommended (time management, highlighting, etc), which made all the difference in the world. Thank you so much!!!" - Heather T. "This is very good... I used your practice exam bundle and passed the first time. I also recommended this to others preparing for the test in our organization. They ordered and felt it was of great value. I especially appreciated the explanation for the answers which helped me learn while I corrected the test. When I took the practice test, I set a timer for 5 hr 40 min. and was able to complete in 3 hours with a score of 89%." - Linda B, CPC. "I purchased your practice exam package and think it's great. Using your tips, I completed all 150 questions in 297 minutes and scored an 84%." - Elizabeth H. "I am thrilled to report Greg that I passed my CPC Exam on December 12th!" - Kathleen C. "Your test was amazing, it help me out a lot." - Vickey L. "Well the practice test helped me pass my CPC exam. I got he good news last week!" - Erica J. "I wanted to thank you for the CPC practice exam. Thanks to the practice I was able to pass the CPC and CCA exams on the first take. Your exam really helped me work on timing and the lab questions were especially helpful." - Mark T. "Woooohooooo, I passed! I also went for the Medical Administration certificate and passed that as well. Thanks for all your hints and practice exams to help me pass. Wow I am glad that's over. Thanks again!" - Deanna A. "I did purchase the practice exam from you before the new year and I passed my CPC. I found out literally new years eve! Thanks for the great exam!" - Sabrina. "I took the CPC exam Dec. 7. As a matter of fact, I did pass the CPC exam and your practice exam helped. Thanks! Go ahead and list my name in your Certified Coders section." - Lester B. "I have passed the CPC and thank you for all of your help with the preparation materials." - Victoria S.

The effectiveness of flash cards joined with the ease of use and small size of a book! These CPC Certification Exam flash cards are not conventional, but at Trivium Test Prep, we don't subscribe to convention. Traditional flash cards are bulky, difficult to organize, and impossible to use on the go unless of course you bind them with a ring. We did that for you by putting it into the form of a book! These flash cards can be used anywhere, anytime without worry about losing any cards or getting cards out of order...not to mention the sheer bulk of flash cards is condensed into an easy to use size. This flash card set includes must-know information to save time on the CPC exam. These flash cards are essential for the student wanting to increase the test taking speed. You will be ready to ace the AAPC CPC Certification exam, in fact, we guarantee it!

Think all CPC study guides are the same? Think again! With easy to understand lessons and practice test questions designed to maximize your score, you'll be ready. You don't want to waste time - and money! - having to study all over again because you didn't get effective studying in. You want to accelerate your education, not miss opportunities for starting your future career in medical billing and coding! Every year, thousands of people think that they are ready for the CPC Certified Professional Coder exam, but realize too late when they get their score back that they were not ready at all. They weren't incapable, and they certainly did their best, but they simply weren't studying the right way. There are a variety of methods to prepare for the CPC Exam....and they get a variety of results. Trivium Test Preps CPC Study Guide provides the information, secrets, and confidence needed to get you the score you need - the first time around. Losing points on the CPC exam can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our CPC study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand, and fully-explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam. 150 CPC practice questions just like the ones on the real test are included (with full rationales and explanations!) so that you can know, without a doubt, that you are prepared. Our study guide is streamlined and concept-driven - not filled with excess junk, silly attempts at humor, or confusing filler - so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk, trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package.

This latest edition of a well-established and highly respected manual provides a comprehensive course of study for anyone taking the Oxford Cambridge and RSA (OCR) Certificate of Professional Competence (CPC) examination. With all the information presented in a highly accessible format, this book is effectively a complete study course, ideal for use as a self-teaching aid. Updated to account for EU and UK legislative changes, this revised 12th edition includes typical case study scenarios used in the examination, and sample questions and answers. It is also essential reading for anyone employed in, or wishing to enter, the road freight transport and distribution industries as well as transport supervisors and managers who want to brush up on their knowledge.

Packed with test-taking tips and techniques, the 2014 CPC CERTIFICATION STUDY GUIDE delivers a current and comprehensive review that is the ideal prep for the AAPC CPC Certification Exam. The guide begins with a complete summary of the business of medicine, ensuring a solid understanding of the medical office and the role of the coder. It covers ICD-9-CM guidelines using real-life examples. Each body system is reviewed, including coverage of the anatomy, related diagnosis coding, CPT coding, HCPCS Level II coding, and modifiers. End-of-chapter questions are modeled after those on the actual certification exam, and operative notes give readers further hands-on experience coding what they have learned. An end-of-guide practice exam gives readers additional practice putting their skills to the test.
