

Dark Moon

Dr. Elise Hanover is on a mission to find a cure for lycanthropy. Her life depends on it, because she is a werewolf, too. FBI agent Nic Franklin has no idea that his newest assignment will bring him face-to-face with the woman who broke his heart years ago. When the secret Montana compound where Elise works is blown to bits, and the biggest, baddest, craziest werewolf escapes, Elise and Nic are thrown together on a wild ride where the rules Nic loves so well are abandoned. Along the way, Elise's werewolf powers increase, which could earn her a silver bullet from her boss. Somehow, Elise must survive the two biggest challenges of her life: facing what she is and facing a forbidden love.

When king's Rider Justin comes to the aid of Ellynor, a young novice at a convent, he is unaware that she is a mystic being who is being manipulated by fanatical Daughters of the Pale Moon into seeking out and destroying other mystics. Reprint.

For centuries, Shaded Falls has been a haven for supernatural creatures. Vampires and werewolves have lived in harmony alongside humans. But the magic that has protected the falls is fading, and a new threat has arrived in town. Isabel Jones thought that being a Hunter and dating a revenant in Shaded Falls was abnormal, but also exciting. She had a hot boyfriend, a witchy best friend, and could take out a vampire without breaking a sweat. But all that is about to change as the wolf pack makes a

Online Library Dark Moon

move that will irreversibly change everything. As Isabel grapples with her new reality, she forms an unlikely alliance with Grayson Parker, leader of the Shaded Falls vampires. What starts out as a partnership to deal with the threatening forces invading the falls quickly turns into something more. Isabel must decide if she's willing to risk everything for Grayson, because being with him could very well cost Isabel her life. New York Times and USA Today Best-selling paranormal romance author Felicity Heaton presents *Prophecy: Dark Moon Rising* (Vampires Realm Romance Series Book 3) An enemy with unimaginable power and vampire houses locked in an ancient blood feud threaten to tear Prophecy and Valentine apart as they fight for their lives and their future. With the gathering storm on the horizon and a dark evil on the rise, Prophecy and Valentine try to join their vampire bloodlines, but their attempts to form an army leave them more vulnerable than ever. As the tension between the families and, more dangerously, between Valentine, Prophecy and Venturi escalates, defeat seems inevitable. In one decisive move, the enemy seizes power over Prophecy and she fears her terrifying visions are coming true and she will lose everyone she loves. Death, destruction and danger surround her, and only a miracle can save the world now. As the dark moon rises, will Prophecy find the power to avert an apocalypse and fulfil her extraordinary destiny, seizing her forever after with Valentine? The dramatic conclusion to the Prophecy story, *Prophecy: Dark Moon Rising* is a gripping tale of love and war that will take hold of you, set your heart racing and not let you go until the very last

Des anciens peuples, seuls les humains ont survécu. Les paisibles Eldarins, les sages Oltors et les monstrueux Daroths ne sont plus qu'un souvenir, disparus de la surface du monde après une guerre sanglante. Mais les humains ont la mémoire courte... Mille ans plus tard, alors que quatre duchés se livrent une guerre fratricide pour s'emparer d'une perle aux pouvoirs magiques, par une nuit où la lune est plus noire que le ciel, une cité gigantesque surgit de nulle part. Les Daroths sont de retour, et personne ne peut les arrêter. Le sort du monde repose désormais sur les épaules de quatre héros. Duvodas, le guérisseur, dernier dépositaire du savoir des Eldarins ; Karis, la belle stratège qui compte autant de victoires que d'amants ; et le jeune Tarantio, le plus dangereux spadassin à avoir foulé le sol. Car Tarantio cache en lui un être pire encore que les Daroths : Dace, le quatrième héros...

Your Practical Wiccan Guide to Life Take advantage of centuries of knowledge: In this utterly unique grimoire, bestselling author Cerridwen Greenleaf gathers celestial lore, history, and mythology, drawing from the Dark Ages mystical practices of the original Gothic tribes, Scandinavian shamans and other medieval sources to infuse these spells with the magic of the ancients, allowing the modern reader to tap into that pure power. Here, you'll learn how to call upon the fairy world and little-known gods and goddesses to empower your magical workings, as well as ways to consecrate and wield magical tools, create a home and garden full of enchantment, and rituals to enhance every aspect of your life. With *Dark Moon Magic*, she has crafted nothing less than a Wiccan mystery school in book form. Live in tune with the moon: Magicians, alchemists, witches and wise women of ancient times knew how to harmonize their lives with the heavenly cycles and seasons and were able to navigate these tides to benefit their lives, both in the inner and outer spheres. We can all use some assistance with our love (and sex!) lives as well as with more worldly matters like money, and *Dark Moon Magic's* tools of divination, spellwork, amulets, and charms can make a key difference. And with life's increasingly frantic pace, the search for serenity is now more important than ever. Herein may be found the keys to rising above the fray and embracing a life of abundance and joy. Reach the ultimate serenity: All of us need an edge in these difficult times, and *Dark Moon Magic* can help. Think of these as pagan prescriptions for the

twenty-first century, guaranteed to banish stress, ease tension, and add comfort, joy, and magic to your daily life. Learn which moon phase is best for manifesting money, as well as how to recognize the optimal star signs for love and romance, the ideal timing for a job interview, or when to ask for a raise or even the best time to plant your magical herbs. What You'll Learn Inside Dark Moon Magic: • The magical origins of “Winter is Coming” and how it applies to 21st Century Wicca • How to Plant a Fairy Garden that will call benevolent spirits to help you • The importance of creating an altar and caring for your crystals and tools of magick • The art of “Wiccan feng shui” and how to create sacred space and sanctuary • A Conjuring Calendar for an entire year of spells, charms, festivals and rituals • Astrological and lunar connections you can use for money, love, success and healing

Jake Everett hunts monsters for a living and he's very good at his job. He's ridiculously handsome, scarily fast, exceptionally skilled and highly dangerous when riled to anger. Most of that comes from his fae genes. While his mother was human, his father is a full blood Unseelie fairy. Unfortunately, that's the bad kind of fairy, not the good kind. They aren't exactly known as champions of justice in the fae realms. One drawback to being half fae is that Jake doesn't age like normal. He has to move on every ten years or so to avoid raising suspicion. After leaving his old team of human hunters behind, he ends up in his hometown of Devil's Peak. Almost from the first moment that he arrives, he learns he isn't the only supernatural creature in town. A

Online Library Dark Moon

monster is on the loose and it is his duty to put a stop to it. Jake won't be alone during this mission. His faithful sidekick, Rudy the leprechaun, will join him on his hunt. He will gather a new team together, but these hunters will be very different from the men and women he usually draws to himself through his fae charisma. These people have skills and talents that will come in very handy when dealing with the new types of creatures that keep cropping up. As a twist, he won't be the only one on the team who isn't a full human for once.

As the dust settles on the 30th anniversary of Apollo 11, information is now coming to light that throws into serious doubt the authenticity of the Apollo record. New evidence clearly suggests that NASA hoaxed the photographs taken on the surface of the Moon. These disturbing findings are supported by detailed analysis of the Apollo images by professional photographer David S Percy ARPS and physicist David Groves PhD. The numerous inconsistencies clearly visible in the Apollo photographic account are quite irrefutable. Recent research indicates that the errors evidenced in DARK MOON were deliberately planted by individuals determined to leave clues to the faking in which they were unwillingly involved. DARK MOON is the answer to the question-did the Apollo missions really land a man on the Moon and return him alive and well to Earth, or is the record incorrect?

Kat was Awakened into a world she never thought existed. A world that forced her into being something she hadn't asked for. Rules were set forth saying she had to be mated

Online Library Dark Moon

to the man who Awakened her because that was how it was done. Rules the Prince of the Awakened enforced. The vampiric disease raging inside of her changed her. Altered her very being. Allowed her to shift into the wolf form if she chose to. But if they thought Awakening her would make her complacent and bow to those wanting to control her? They better think again. This is the 1st series in the Dark Moon Dynasty Universe world. 1 - Dark Illusions series 2 - Enchanting the Moon series 3 - Dynasty of Moirae series 4 - Eternal Souls Universe series Extra stories in this world are under the Dark Moon Dynasty Universe series label. In 2021 all work was reuploaded under Kimberly Sue Iverson. Stories didn't change.

Time to put my magic to the test or die trying. Scott worries about my soul. Can you believe that crap? I've killed multiple people because I was too darn stubborn to accept that I was the reincarnated Celtic goddess Brigit, and now, that I've embraced my goddess self, I've figured out how to bring everyone back from the dead, and he's too busy worrying about my soul when what he should be worried about is my boot in his rear end. To make matters more complicated, Alaric returned from his show with shocking news. If I was smart, I would hop on the next plane and get out of Kildares, but I've never been very good at taking care of myself. And do you know who showed up? I can't freaking believe it. I thought he was out of my life for good, but bad luck always follows me like many of my bad habits. I don't have time to play games. I need to learn to use my magic before the Dark Moon approaches or I'll miss out on my

When a quake cracks the Moon apart and swallows a habitat with eight people inside, their survival is in question. Sergeant Hugh Pachard takes command of the group, his primary goal to protect the woman he loves. Hugh discovers he's on shaky footing, battling not only the elements, but the many powerful emotions at play within the band of survivors- envy, hatred, insanity, and the love between himself and Dr. Mary Eddington. Inside the Earth's satellite, they discover an alien base and a moldering spacecraft. Awakenning the still-conscious but disembodied minds of ancient visitors could be their salvation-or the death of planet Earth. An alliance is formed that both groups may return home. But there is a murderer loose-one of the humans-and Hugh believes the aliens can't be trusted, either. Deadly secrets threaten to destroy all life on

Earth. Hugh Pachard is the only man who might stop humanity's destruction-but will he have to give up Mary to do it? Nothing is as it seems-not even the valiant soldier, determined to save the woman he loves and the band of humans from a DARK MOON RISING...

One day soon-perhaps even sooner than any of us imagine-the dead will rise. They will claw their way out of their graves and sate themselves on the supple flesh of the terrified masses. Those bitten will fall and rise again, cursed with an undeniable hunger for the meaty organs of the living. They will defy thousands of years of human evolution as they devour raw meat like undead cannibals, and bodies will litter the streets. Gather your cache of melee weapons. Round up your survival gear. Kiss your children good night. Because they are coming. They've been dead a long time. And they're hungry. So very hungry. Dark Moon Presents: ZOMBIES! Is a collection of 15 tales that will not only keep you awake long after dark, but also make you wonder if it will ever be safe to sleep again.

As a lone wolf, I avoid imprinting on a mate like my life depends on it. Because it does. My brother gave his life to help me escape the pack. Now, after being in hiding for the last few years, I'm seeing shifters outside of their normal territory, and they're getting closer to my little patch of wolf-free paradise. If they find out I'm still alive, they'll haul me back and mate me to some random wolf, keeping me as a breeding machine to perpetuate our species. Forced imprinting is supposed to be forbidden, but if I know my pack, that won't stop them from getting what they want. With danger lurking around every corner and the chance of me being caught getting ever higher, I'm on the verge of descending into hopelessness. Until I meet Roman. But what if he's just the lure to chain me to a different pack? As badly as I want to be free from the obligations of a pack, that freedom just might cost me the guy. But as it turns out, my feelings for Roman are only half my trouble...

From the author of Moon Spells comes a beginner's book about the moon's energy and how you can harness that lunar power in your everyday life. From new moons and eclipses to blue moons and the super moon, there are ample opportunities for the moon to influence our emotions and thoughts. Many believe our emotional potency is heightened during a super moon, while a new moon can bring change and new perspectives. Knowing when and how to use that power is key. In Moon Magic, you'll learn how the lunar phases influence our emotions and well-being differently and how to harness that power for healing, emotional strength, and physical and mental

wellness. Third-generation intuitive Diane Ahlquist helps guide those new to the power of the moon through lunar recipes and simple exercises, such as intention setting and moon meditation to help you capitalize on the moon's inherent power and channel the moon's energy whenever you need it most.

Once more Chet, Walt and Diane are united in a wild ride to the Dark Moon-but this time they go as prisoners of their deadly enemy Schwartzmann.

It's been more than eight years since ex-cop Dan Connor put a troubled criminal named Walker behind bars, and a year since he handed in his badge after losing the woman he loved. The remote islands off the Pacific Northwest coast seem like the perfect destination for his retirement. That is until a wave of increasingly sinister events disrupts his peace. When a mysterious boat drives Connor from his anchorage and a marine biologist working in the area goes missing, Connor is forced to team up with his former nemesis, Walker, who has been released from jail and is struggling with his own demons. They have little in common, but when a life hangs in the balance and others are threatened, the knowledge and skills of these two men from very different cultures are the perfect mix. With an eclectic cast of characters and a riveting plot, the first Dan Connor Mystery, *Dark Moon Walking*, is a fast-paced, suspenseful thriller that will keep you turning the pages until its explosive conclusion.

Three reincarnated gods walk into a wizard's keep and break all the rules. Once, Caer was a princess loved by her father, the faerie king, and they lived in peace until the eve

of Samhain. Balor, a giant, one-eyed pirate, betrayed the king's trust by spilling his blood across the throne room floor and claiming Caer as his prize. Forced to live in the shadows, Caer's only companion is an all-powerful shapeshifting wizard who does not even know she exists. Watching from afar, she learns what makes a warrior's heart strong, but the early arrival of the brother and sister promise to derail her plans of revenge. Back in Kildare, the hunt for Alaric continues, but Gigi's magic can't track him. Scott aims to help her by providing protection, along with constant banter, but his true love haunts his dreams. If he doesn't find her soon, his sanity might break. Gallean fears the day Caer, Gigi, and Scott are prophesied to come together, for then the trí chumhacht, the three powers, will be set into motion. These three can barely control their own magic, let alone be able to handle their combined forces. But, when three gods walk into a wizard's keep, there's bound to be trouble—and a good bit of mischief. Begin the ****NOW COMPLETED**** six book series everyone is talking about. Finding Our Way Through the Dark presents an astrological lunar-based model to explore the periodic dark and difficult times in our life as rites of passage leading to renewal. It offers a new vision of darkness as a place of insight, healing and regeneration. Each section is accompanied by a workbook and journal so that you can discover when these periods of transition occur in your own life, illuminating the hidden motifs that shape your experiences. This book explains and reframes the astrological factors that facilitate your life journey from endings to new beginnings. Demetra George, M.A. Classics, received the 2002 Regulus Award for Theory and Understanding. A practitioner of astrology for more than 35 years specializing in archetypal mythology and ancient astrology, she is the author of numerous books and articles, including Astrology For Yourself, Asteroid Goddesses, Mysteries of the Dark Moon, and Astrology and the Authentic Self. She lives in Oregon, lectures internationally, and leads pilgrimages to the sacred sites in the Mediterranean and India with Ancient Oracle Tours. Director of Thema: Foundations in Astrology, she mentors private students in Hellenistic astrology, modern chart delineation, and asteroids. Dr Elise Hanover quite literally lives for her job since quitting would mean meeting a silver bullet with her name on it. She works alone, struggling to unlock the mysteries of an affliction that should only exist in nightmares. But Elise knows from personal

Online Library Dark Moon

experience just how real it is. Because the first time its deadly power pulsed through her veins was the last time she saw the love of her life. Until now . . . The surprise visit from FBI agent Nic Franklin is merely the first in a series of shocks. After her lab is firebombed and her most bloodthirsty test subject escapes, Elise and Nic have no choice but join forces. Unfortunately, the situation in remote Fairhaven, Wisconsin, is far from safe: Nic has too many questions about Elise's work and why she deserted him years ago; townsfolk are disappearing, and Elise feels her own condition intensifying in ways as terrifying and exhilarating as her rekindled attraction to Nic. Now, as a shadowy evil closes in, it's becoming all too clear that Elise is the only one who can stop it - if it doesn't stop her first . . .

Have a look into the lives of two Native American sisters, Prancing Fawn and Dark Moon. The whole Bear Clan Town prepares for the Berry Moon Celebration. By the end of the festival the two sister's approach to life will lead to very different outcomes. The tale will become part of discussions about vanity and how so much emphasis is often placed on what someone looks like on the outside as well as how being pretty sometimes gives a sense of entitlement. The lush illustrations expand awareness by adding visual depth to the text. Each page of the book has stunning artwork which serves to increase understanding of a time and culture long since forgotten. This story, like so many other Native American tales, helps to teach a most valuable lesson. Dark Moon to Rising Sun, is a great read for anyone who wants to experience a true

Online Library Dark Moon

American Indian story with a moral at the end which will extend throughout life. The day that Anne Maria and her husband discover that their teenage daughter has been sexually abused and their best friends have supported the girl in her grief and distress for more than a year is the day their world falls apart. This work details the author's journey to understanding, forgiveness, and healing.

Chapter I The Message [Sidenote: Once more Chet, Walt and Diane are united in a wild ride to the Dark Moon--but this time they go as prisoners of their deadly enemy Schwartzmann.] In a hospital in Vienna, in a room where sunlight flooded through ultraviolet permeable crystal, the warm rays struck upon smooth walls the color of which changed from hot reds to cool yellow or gray or to soothing green, as the Directing Surgeon might order. An elusive blending of tones now seemed pulsing with life; surely even a flickering flame of vitality would be blown into warm livingness in such a place. Even the chart case in the wall glittered with the same clean, brilliant hues from its glass and metal door. The usual revolving paper disks showed white beyond the glass. They were moving; and the ink lines grew to tell a story of temperature and respiration and of every heart-beat. On the identification-plate a name appeared and a date: "Chet Bullard--23 years. Admitted: August 10, 1973." And below that the ever-changing present ticked into the past in silent minutes: "August 15, 1973; World Standard Time: 10:38--10:39--10:40--" For five days the minutes had trickled into a rivulet of time that flowed past a bandaged figure in the bed below--a silent figure and unmoving, as one for whom time has ceased. But the surgeons of the Allied Hospital at Vienna are clever.

A spellbinding novel of love, murder, and the supernatural. Chance meetings can have far-reaching effects. Loved ones may not be who they seem. The line between comprehension

Online Library Dark Moon

and confusion is thin particularly when one's thoughts are being manipulated by another. In Dark Moon, the eternal triangle takes an innovative twist into the occult as dark magic fights against those who serve the Light. The prize? A woman's soul.

For most of her 14 years Cassie had been begging her parents for a horse. --P 4.

Summer of the Dark Moon 1956 – The Dark Moon is a venerable bar on the outskirts of Sasebo, a port city in Southern Japan. In the face of economic decline, it may be forced to close by summer's end. This is the background for the story of Yuka, an individualistic young woman who works there. Having drifted through the devastated landscape of Post-War Japan, she settles in Sasebo. While there, she finds a home at the Dark Moon and a surrogate mother in Yukari, its owner. Yuka's eventful summer passes while she struggles to retain both her livelihood and the sense of belonging Yukari has given her. In the midst of this, she allows herself to become close to Tom Wyatt, a veteran reporter haunted by wartime memories. She finds both comfort in Wyatt's kindness toward her and despair in his erratic grip on sobriety. As autumn approaches, the Dark Moon is in transition, Yukari is in failing health, and Yuka begins to see she may gain more than she ever thought possible, yet she may lose much of what she values most.

Presenting the 13 Dark Moons of the year by the zodiac sign in which they fall, this book lets readers explore the Dark Moon lessons of the Unseen in Aquarius, Risk in Leo, Time in Pisces, Silence in Virgo, Identity in Aries, Descent in Libra, the Body in Taurus, Intuition in Scorpio, Knowledge in Gemini, Creativity in Sagittarius, Emotion in Cancer, Power in Capricorn, and the Dark in Arachne (a spirit sign).
