Be careful what you wish for. . . You just might get it. Nick Gautier is tired of his destiny. He doesn't want to be the son of a demon who's fated to end the world. Nor does he want to see another demon or other preternatural creature who wants to kill or enslave him. He just wants to be normal teenager and have normal problems like everyone else. But normality isn't all it's cracked up to be. When he gets sucked into an alternate reality where his mother has married his mentor and his Atlantean god best friend has become a human geek, he begins to understand that no life is free of pain, and that every person has a specific place in the universe . . . even the son of a hated demon. Most of all, he sees that his powers aren't the curse he thought they were, and that the world needs a champion, especially a champion the world's enemies can't imagine rising up to defend the very people he should destroy. Old enemies and new friends square off for a major battle that will either restore Nick to his real world, or end him forever in #1 bestselling author Sherrilyn Kenyon's fifth novel in The Chronicles of Nick series, Illusion.

Nick Gautier has enough trouble dealing with normal teenage problems: avoiding getting pummeled at school, talking to girls, staying out of trouble. Now Nick is facing a whole new world of challenges. As his powers develop, Nick sees supernatural (and potentially dangerous) creatures everywhere he looks. With the help of his Uncle Ambrose-who is actually Nick's future self communicating his thoughts across time-and his new tutor-the Grim Reaper-Nick must learn to control his abilities and elude the dark powers that seek to control him...

This three book bundle includes: Book 1 - The Billionaire's Assistant Book 2 - The Billionaire's Proposal Book 3 - The Billionaire's Temptation Bonus book 1 - The Billionaire Bargain Bonus book 2 - The Billionaire's Fake Girlfriend My name is Abigail Wilder. PR maven extraordinaire. A credit to her industry. A savior to her clients. A razor-tongued blessing to those who employed her, and a curse to those who stood in her way. (This was all printed on my business cards. In so many words.) But to him, my biggest client, I was Abby. And to me, he was Nick. Nick keeps me busy with all his stunts and playboy ways. He gets in trouble and it's my job to bail him out and make everything shine in a positive light. He's a pain in my ass! Far too wild for my taste. And now the board wants to keep him on a leash until their big merger goes through. They want me to find him a girlfriend. Get someone to tame Nick? Yeah, right. Damn, do I have my hands full. I wanted to give Nick my standard speech. The 'fame is a fickle friend' speech, and tell him to keep his damn head down for once. But such speeches had never really worked on Nick. And to be honest, he was right. The press did love him. They always had. They probably always would. He was their dream—a man who knew no limits. No boundaries. Every page—an open book. Over the years, he'd become something of a folk hero. The crown prince of mayhem who couldn't be tamed. A source of constant entertainment and levity for the masses. But even by celebrity standards, Nick was a rare breed. Because beneath that careless playboy persona, beneath all the money, and mischief, and that unquenchable sense of adventure...he had a genuinely good heart. It was this 'good heart' his father's company had hired me to promote. To protect. To shine a spotlight on all the good things—half to highlight them, half to keep that same spotlight off everything bad. By protecting his image, I was protecting their shareholders, and thus—doing my not inconsiderable part to contribute to the massive global conglomeration that was his father's company. The Hunter Corporation. The family's crowning achievement. It's a tough job, but somebody has to keep the gorgeous billionaire in check. And I guess that job belongs to me. contemporary crush, love story, romance love, new adult romance, billionaire obsession, contemporary romance and sex, romance billionaire series, billionaire bachelors series, billionaire romance, romantic comedy, billionaire, new adult, second chances, comedy, humor, rich, quick read, serial, series, funny, female protagonist, novel, secret, alpha male, literature, story, stories, hero, fiction, box, box set, boxed, boxed set, romance, billionaire romance, seduction, sexy, sensual, urban, contemporary, 21st century, current, workplace, office, boss, work
