Uneasy Peace. Worlds In Flux. Tests Of Faith. The Final Episode Was Only The Beginning. The Dominion War is over...or is it? Three months after the Allied victory against the invaders from the Gamma Quadrant, a surprise attack awakens the fear of renewed hostilities. At the same time, a senseless murder sets a space station commander on a path that will test the limits of her faith...while a strange discovery within the plasma storms of the Badlands propels an old soldier toward a rendezvous with destiny. Elsewhere, amidst the ruins of an ancient civilization, a young man is about to embark on a dangerous quest to fill the hole in his life -- one left by the loss of his father. So begins the unprecedented, authorized continuation of Star Trek: Deep Space Nine®, springing from the seven-year television odyssey of Captain Benjamin Sisko and his crew aboard a Federation starbase at the edge of the final frontier. Following the serial format and evolving character arcs that were the hallmarks of the TV series, the new Deep Space Nine novels pick up where the show left off, daring to imagine what happened after the final episode. Now the first five tales of that critically acclaimed storyline are collected in one massive volume. Originally published as the two-part Avatar, Abyss, Demons of Air and Darkness, and the novella "Horn and Ivory,"

Twist of Faith revisits the aftermath of the Dominion War, the pivotal planet Bajor, its mysterious connection to the timeless Prophets of the wormhole, as well as the familiar faces, new friends, and uncertain allies whose fates intertwine at the crossroads of the galaxy. With an introduction by New York Times bestselling author David R. George III (Mission: Gamma -- Twilight; The Lost Era: Serpents Among the Ruins; the Crucible trilogy), Twist of Faith takes the Deep Space Nine saga to a new level...exploring what was left behind, and what awaits beyond.

The seventeenth century English philosopher Thomas Hobbes is best known for his political philosophy, as revealed in his magnum opus 'Leviathan' (1651). Hobbes regarded government primarily as a device for ensuring collective security. He argued that political authority is justified by a hypothetical social contract among the many, giving a sovereign person the responsibility for the safety and well-being of all. Hobbes also contributed to a diverse array of other fields, including history, jurisprudence, geometry, the physics of gases, theology, ethics and general philosophy. However, his enduring contribution was as a political philosopher, who justified wide-ranging government powers on the basis of the self-interested consent of citizens. This comprehensive eBook presents Hobbes' collected (almost complete) works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. The air in the room grew suddenly cold and someone said the conditions were good for the spirits to contact us. We sat there with our hands held out, palms up, as this is supposed to be the source of the energy force that goes towards the medium. There was an air of expectancy. Suddenly the curtain around the medium opened and a strange face showed itself. I will never forget that face. It was very white and ethereal-looking. It was certainly not the face of the medium. When I saw it I prayed in my heart, 'God, thank you for showing me life after death.' Little did I know that I had come face to face with a demon of the Prince of Darkness! Ben Alexander is a former spiritualist medium who came face to face with the demons of the Prince of Darkness. Only through the Word of God was Ben able to be rescued from a "fate worse than death." Ben now travels the globe warning about the evils of the spirit world by sharing his firsthand experiences with Satanic demons.

Dark secrets and forbidden love threaten the very survival of the Shadowhunters in Cassandra Clare's Queen of Air and Darkness, the final novel in the #1 New York Times and USA TODAY bestselling The Dark Artifices trilogy. Queen of Air and Darkness is a Shadowhunters novel. What if damnation is the price of true love? Innocent blood has been spilled on the steps of the Council Hall, the sacred stronghold of the Shadowhunters. In the wake of the tragic death of Livia Blackthorn, the Clave teeters on the brink of civil war. One fragment of the Blackthorn family flees to Los Angeles, seeking to discover the source of the disease that is destroying the race of warlocks. Meanwhile, Julian and Emma take desperate measures to put their forbidden love aside and undertake a perilous mission to Faerie to retrieve the Black Volume of the Dead. What they find in the Courts is a secret that may tear the Shadow World asunder and open a dark path into a future they could never have imagined. Caught in a race against time, Emma and Julian must save the world of Shadowhunters before the deadly power of the parabatai curse destroys them and everyone they love.

Harper has come a long way from her life as a foster child. She never imagined what her future would hold when she was first brought to the small town of Peachville. Since that day she's faced great evil, found some of the answers she's been looking for, and fallen deeply, madly in

From #1 New York Times and USA TODAY bestselling author Cassandra Clare comes the first novel in a brand-new trilogy where evil hides in plain sight and the only thing more dangerous than fighting demons is falling in love. Chain of Gold is a Shadowhunters novel. Cordelia Carstairs is a Shadowhunter, a warrior trained since childhood to battle demons. When her father is accused of a terrible crime, she and her brother travel to Edwardian London in hopes of preventing the family's ruin. Cordelia's mother wants to marry her off, but Cordelia is determined to be a hero rather than a bride. Soon Cordelia encounters childhood friends James and Lucie Herondale and is drawn into their world of glittering ballrooms, secret assignments, and supernatural salons, where vampires and warlocks mingle with mermaids and magicians. All the while, she must hide her secret love for James, who is sworn to marry someone else. But Cordelia's new life is blown apart when a shocking series of demon attacks devastate London. These monsters are nothing like those Shadowhunters have fought before--these demons walk in daylight, strike down the unwary with incurable poison, and seem impossible to kill. London is immediately quarantined. Trapped in the city, Cordelia and her friends discover that their own connection to an dark legacy has gifted them with incredible powers--and force a brutal choice that will reveal the true cruel price of being a hero.

covered with strange tattoos and brandishing bizarre weapons. Then the body disappears into thin air. It's hard to call the police when the murderers are invisible to everyone else and when there is nothing—not even a smear of blood—to show that a boy has died. Or was he a boy? This is Clary's first meeting with the Shadowhunters, warriors dedicated to ridding the earth of demons. It's also her first encounter with Jace, a Shadowhunter who looks a little like an angel and acts a lot like a jerk. Within twenty-four hours Clary is pulled into Jace's world with a vengeance, when her mother disappears and Clary herself is attacked by a demon. But why would demons be interested in ordinary mundanes like Clary and her mother? And how did Clary suddenly get the Sight? The Shadowhunters would like to know... Exotic and gritty, exhilarating and utterly gripping, Cassandra Clare's ferociously entertaining fantasy takes readers on a wild ride that they will never want to end.

Have you been wondering as a Christian, or non-Christian, what many think -- and expect -- will happen in the "last days" or "end times" with all the talk and focus in the headlines -- and some churches -- about our future? And with all the events taking place in the Middle East, especially Israel? And Iran? Are you confused because of various end-time scenarios and conflicting opinions promoted through popular books on prophecy, the Left Behind series,

televangelists, preachers, and others speaking of a great tribulation, rapture, Armageddon, Apocalypse, the destruction of the earth, a new heaven and earth, a second coming, and a millennium? There has been an overload of teaching and information about these things over the last century -- however sincere and cloaked in good intentions -- yet with long-held and deep-seated traditions and doctrines, all borne of a lack of accurate knowledge (particularly the Hebrew and Greek) and information based on compelling evidence. Would you like to know what the Bible actually says about all these issues? For God's Word itself -- "Let Scripture Interpret Scripture" -- and the Holy Spirit are the only necessary interpreters. *The Last Days Are Left Behind* will challenge your thinking, help to erase the confusion, and provide clarity regarding the present-day purpose of God. Author James Ellis demonstrates end-time truth based logically on solid evidence after a linguistically accurate, biblically consistent, and intellectually honest examination of the Bible's prophetic passages and verses, the original languages -- Hebrew and Greek, the social, cultural, and historical context of Scripture, and the relevance of the audience spoken or written to in God's Word.
