The Weiser Field Guide to Ascension tackles the vast topic, so often misconstrued, of the idea of ascending into a universal consciousness, and creates a literal handbook to the historical, biblical, and highly topical implications of the concept of Ascension, raising consciousness, the earth shift and changes of 2012, and The Great Shift.

The truth of life well lived is simple; it always has been. Throughout humankind's history, the Father/Mother God's guiding light has shone through a band of humble yet powerful brothers and sisters, masters all. The Great Brother-/Sisterhood of Light has shone the light of its love throughout the world during all of its evolution. Most of its loving membership has remained beyond the shadowy veil of human consciousness, but here and there, its presence has been felt directly on the Earth plane. Usually hidden away from the chaos and darkness of the world's busy highways and byways, the masters have remained anonymous to all but a few worthy souls who have dedicated themselves selflessly to the laws of love and truth, and have served humanity humbly in a thousand different ways throughout history. These are the disciples of the masters, souls who act as instruments stepping down the powerful frequencies of pure love into digestible portions that humanity can use to brighten its way

This book is dedicated to the saints and spiritual masters of all the religions and spiritual paths that have graced this planet. The lives and teachings of thirty-nine of the world's greatest spiritual beacons provide a blueprint for total self-realization. Inspiring guidance from those who have learned the secrets of mastery in their lifetimes.

Greetings. I'm Vywamus. I'm a soul psychologist. In this series of lectures, we will explore the meaning of soul psychology and how it relates to modern psychology. More importantly, we will show how soul psychology as a practice is becoming more popular and is an especially useful technique for starseeds and others who are awakening to the fact that there is reincarnation and that there are soul lessons that must be learned. The basic essence of soul psychology rests with the idea that the soul is evolving and that part of this evolution is occurring through incarnations in the third dimension. Now, to even speak about the soul evolving is perhaps a controversial subject because we know that the soul is eternal. We know that the soul has been in existence for infinity, and we know that the soul is perfect. So why would the soul have to evolve? The answer to this question is complex, and we may not be able to totally answer it using third-dimensional terminology. But it is an important question to answer, because the nature of soul evolution is inherently connected to your experiences in the third dimension. The soul, in completing its evolutionary journey, needs these experiences in the third dimension, and it needs to complete the lessons here. — through David K. Only on rare occasions does a book come along that contains the potential to change the consciousness of our entire planetary culture. Many have talked about the ascension process, but very few really understand what it means. Who is really out there? Where are we going? What are our choices? What has to be done to prepare for this event? Is everyone ascending to the same place? What happened to the fourth dimension? How can we understand the fifth dimension? What are fifth-dimensional beings like? This book explains all of these questions in a way that we can easily understand. It explains what our relationships are to known extraterrestrial groups and what they are doing to help the Earth and her people in this crucial galactic moment in time. It helps us to understand how we can raise our vibration now and begin the process of integrating higher-dimensional energies into our third-dimensional world. The Arcturians have given us a crucial focus for the acceleration of world consci

Light energy is processed through color filters and irradiated into the aura. By matching corresponding wavelengths to the organs and systems of the body, it strengthens or sedates energy in the distressed areas, creating a support system for the healing process. THE END OF WHAT WAS . . . The most significant events in Earth's history are happening NOW! This is the final book in the Shining the Light series that exposes the malevolent, controlling and manipulating actions of the Sinister Secret Government as they attempt to keep humans from accessing our soul and spiritual functions and ascending into the fourth dimension and beyond. In future books, mentors of humanity will continue to expose the SSG's nefarious dealings, but they will give us step-by-step instructions in the ancient and lost arts of benevolent magic "spiritual wizardry" enabling us as creators in training to blend our hearts, minds and souls to become creators of our own destiny and thwart the SSG's goals.

The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions for the Mer-Ka-Ba meditation, step-by-step techniques for the re-creation of the energy field of the evolved human, which is the key to ascension and the next dimensional world. If done from love, this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension, from protective powers to the healing of oneself, of others and even of the planet. Embrace the expanded vision and understanding that Drunvalo offers to the world. Coincidences abound, miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life.

Once, all life in the universe knew the Flower of Life as the creation pattern - the geometrical design leading us into and out of physical existence. Then from a very high state of consciousness we fell in darkness and forgot who we were. For thousands of years the secret was held in ancient artifacts and carvings around the world, and encoded in the cells of all life. Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop, illuminating the mysteries of how we came to be, why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty. Sacred Geometry is the form beneath our being and points to a divine order in our reality. We can follow that order from the invisible atom to the infinite stars, finding ourselves at each step. The information here is one path, but between the lines and drawings lie the feminine gems of intuitive understanding. Explore the miracle of our existence by meandering through the wonderland of geometry, science, ancient history and new discovery, seen through the widened vision of Drunvalo and the Flower of Life. Volume 2 will explore in great detail the Mer-Ka-Ba, the 55-foot-diameter energy field of the human lightbody. This knowledge leads to ascension and the next dimensional world. About the Author Drunvalo Melchizedek's life experience reads like an encyclopedia of breakthroughs in human endeavor. He studied physics and art at the University of California at Berkeley, but he personally feels that his most important education came after college. In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings, providing him with a wide breadth of knowledge, compassion and acceptance. Not only is Drunvalo's mind exceptional, but his heart, his warm personality, his love for all life everywhere, is immediately understood and felt by anyone who meets him. For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer-Ka-Ba meditation.

We all have reasons for doing the things we do. We all have our own realities. It is my blessing to have more than one. — Hilary Jamron When Hilary died, part of her soul refused to come back. That part of her higher self chose to remain where peace and simplicity reign. From that time forward, life would reveal itself in front of her, and she would simply step into her future. Decisions would be made without fear or hesitation by an unconscious multidimensional consensus, and she would survive. She would travel through death and paralysis without self-pity or delay. The truth is that each of us is as limitless as space and time, having no boundaries, beginnings, or endings. Limits are illusions, delusions, like pebbles that we casually kick out of our way as we move forward. Illness, pain, heartbreak, and life circumstances are all pebbles. There's no point in looking back when we've already kicked our earthly problems off to the side of the road. The kicking is a gentle toss of the foot done in perfect synchronicity to the drumbeat of lessons learned. After that, the only direction is forward.

"This book explores the heart and soul connection between humans and Mother Earth. Through that intimacy, miracles of healing and expanded awareness can flourish. To heal the planet and be healed as well, we can lovingly extend our energy selves out to the mountains and rivers and intimately bond with the Earth. Gestures and vision can activate our hearts to return us to a healthy, caring relationship with the land we live on. The character and essence of some of Earth's most powerful features is explored and understood, with exercises given to connect us to those places. As we project our love and healing energy there, we help the Earth to heal from man's destruction of the planet and its atmosphere. Dozens of photographs, maps and drawings assist the process in 25 chapters that cover the Earth's more critical locations."

"Learn to heal the planet and the planet will heal you ... The purpose of this book is to allow you to understand the sacred nature of your own physical body and some of the magnificent gifts it offers you. When you work with your physical body in these new ways, you will discover not only its sacredness, but how it is compatible with Mother Earth, the animals, the plants, and even the nearby planets, all of which you now recognize as being sacred in nature. It is important to feel the value of yourself physically before you can have a lasting impact on the world. The less you think of yourself physically, the less likely your physical impact on the world will be sustained by Mother Earth. If a physical energy does not feel good about itself, it will usually be resolved; other physical or spiritual energies will dissolve it because it is unnatural. The better you feel about your physical self when you do the work in the previous book, Shamanic Secrets

Lynn Buess has done it again! As an innovator in the consciousness and self-awareness field for over forty years, he has now contributed a decidedly unique perspective of the time-honored system of astrology, helping humanity further understand its relationship to the universe. With this latest contribution to self-growth, Lynn offers an original perspective of numerology ? this time with the combination of numerological characteristics and astrological influences. He not only writes from an intellectual viewpoint but as someone who has experienced glimpses of cosmic consciousness. Like most of his works, it is his hope that this volume will help seekers better connect to their cosmic memories of being both human and eternal in nature. Experience all the signs of the zodiac in minute detail: Aries ? Taurus ? Gemini ? Cancer ? Leo ? Virgo ? Libra ? Scorpio ? Sagittarius ? Capricorn ? Aquarius ? Pisces It is my feeling that the sun degree serves a role of pinpointing just where the soul has the opportunity to make significant strides in personal growth or potentially stumble into a setback. A combination of the numerical value of the degree and the sun sign are blended together to offer insight about the nature of that commitment. ? Lynn Buess, MA, EdS

Every 13,000 years on Earth a sacred and secret event takes place that changes everything. Mother Earth's Kundalini energy emerges from its resting place in the planet's core and moves like a snake across the surface of our world. Once at home in ancient Lemuria, it moved to Atlantis, then to the Himalayan mountains of India and Tibet, and with every relocation changed our idea of what spiritual means. And gender. And heart. This time, with much difficulty, the "Serpent of Light" has moved to the Andes Mountains of Chile and Peru. Multi-dimensional, multi-disciplined and multi-lived, for the first time in this book, Drunvalo begins to tell his stories of 35 years spent in service to Mother Earth. Follow him around the world as he follows the guidance of Ascended Masters, his two spheres of light, and his own inner growing knowledge. His story is a living string of ceremonies to help heal hearts, align energies, right ancient imbalances, and balance the living Earth's Unity Consciousness Grid-in short to increase our awareness of the indivisibility of life in the universe. We are all-rocks and people and interdimensional beings-one!" Life may seem to be business as usual, but it is not. We are changing fast ...Remember this for life is going to present stranger things to you in your lifetime, and they all have meaning and purpose ...Only Mother Earth and ancient Maya know what's going to happen." - from Serpent of Light.

The accounts given by extraterrestrials in this volume are about events that occurred in our solar system many millions of years ago. In that ancient time the solar system consisted of four planets and four "radiar systems" that orbited the central sun. The four planets of the solar system are known today as Venus, Earth, Mars and a now-totally shattered world that was called Maldec. The term "radiar" applies to the astronomical bodies we presently call Jupiter, Saturn, Uranus and Neptune. The original satellites of these radiars are generally called moons by Earth astronomers, but the extraterrestrials prefer to call them planetoids. This book reflects the personal views of a number of different types of extraterrestrials regarding the state of the local solar system and the state of the Earth.

This entire literary endeavor to separate Biblical literalism from observable reality was prompted by the fact that one supposedly erudite scholar managed to propound on American National Public Radio (with a presumably straight face) the "fact" that the Colorado River's Grand Canyon, a notable feature of the high plateau of Northern Arizona, was formed in one brief but eventful period of runoff when all the waters accumulated on Earth by the Great Flood associated with the Biblical patriarch, Noah, drained back into the ocean through this one channel — thus carving the canyon. At least, this "scholar" paid some obeisance to the process of erosion, though he may well be subject to review in his concepts of timing or geography. For anyone who cares to take the time and look closely can determine — given the observable rate of down-cutting and the total volume of material removed — that the ongoing carving of the canyon must have begun some thousands of millennia before the alleged globally catastrophic flood. Moreover, if, as we are told, Noah's flood did cover "the whole face of Earth" — even, therefore, the highest of mountains — it would mean a worldwide oceanic depth of another five or more miles and thus require an off-planet storage facility for all that water.

More than a coloring book, this illustrative learning tool offers children and parents alike information about the many angels who lovingly watch over us and assist us with our earthly journey. A meditation is included to assist you in meeting your guardian angel.

We live in a sea of energies that are part of the earth we live on. Most people are not aware of these energies or that they hold many gifts. These gifts help us to heal, balance, expand consciousness (awareness), and support spiritual evolution. Our ancestors knew the gifts of Mother Earth and used these energies to support their lives and spirituality in many ways. We, modern humans, have mostly forgotten that these energies exist. This book helps us to remember these gifts provided by Mother Earth and offers us support for balance, health, expanding awareness, and personal and collective spiritual evolution. It helps us to understand that all tools to live a life of joy, happiness, love, and abundance are permanently available to us. Join the author on a powerful journey of discovery, remembering and reconnecting.

This book is a sequel to the first two. It contributes an added dimension to my earlier information. Sedona seems to reflect the best qualities, or perhaps I should say "combined" qualities, the essences and elements, of the Great Pyramids, Glastonbury, Stonehenge, Ayers Rock, Mount Shasta, the South American Pyramids, Peru, Tibet, Nepal, India, Lourdes, and many other power places around the world. How can I make such a claim? For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places. Through these travelers, I have learned that there is simply no other place like Sedona.

We are the angels of the Mallbon. We are meant to tell those of Earth that the death of the body is never to be feared. We help in ways not understood by humanity. We can manifest anything we desire. We can live as humans on Earth. When we absorb the reality of Earth, we work God's wonders in ordinary ways. When the surroundings are not in focus or when you feel unable to cope with the people or circumstances around you, be still and ask God for help. God will respond to requests of help by mending emotions with aid from the angels. This is done by being aware of the angels. We surround you and bring you comfort. You must, as a human race, lift the quality of thought to the highest level. When the level of thought is low and miserable, it is generated through the entire world. When it is lifted to a level of joy, it lifts all minds. When you know the teachings of the angels, no ignorance will be left in the soul. You will no longer be afraid or in pain. Now is the time to stand with the angels of God and help humankind. Everyone has a story to share—even those that have passed on to other dimensions. In *Meditations of an Adept*, Gilda Schaut shares a collection of fascinating conversations with various souls, both living and deceased, who sought her out to be consoled, assisted, counseled, or simply heard, and in the process, provided her with a better understanding of the universe. In conversations guided by esoteric teachers and masters, Schaut explores the complexities of the human mind and emotions while shining a light on stories told by survivors of tragedy, jealousy, war, and ordinary death. With hope that the stories will touch those who are struggling and help others interpret everyday events occurring on our planet, Schaut discloses dialogue with a variety of personalities who explain their perspectives on transition after death, the process of reincarnation, the presence of God, the concept of faith, and why it is so important for the soul to continue learning, even in the afterlife. *Meditations of an Adept* shares enlightening conversations and stories that express the light, love, and knowledge of the Divine Law and teach others that life does not end after death.

Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation, and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have

been used. If you read this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.
