

Earth Angels Doreen Virtue

Since the publication of her best-selling book *Earth Angels* (more than 80,000 copies sold), Doreen Virtue presented workshops about these lightworkers to several international audiences, which yielded additional information about the various realms that these beings originate from. In addition to the core realms that Doreen discussed in the first book (*Incarnated Angels, Incarnated Elementals, Star People, and Wise Ones*), some new realms have been discovered. In *Realms of the Earth Angels*, Doreen discusses the original *Earth Angels* book, plus gives updated descriptions about the new realms, which include *Mystic Angels* (half-angel, half-wise one); *Leprechauns* (half-elemental, half-wise one); *Merpeople*; *Knights*; and more. As with the original book, you, the reader, can take an expanded quiz to help you recognize your own realm. Each realm has its own chapter, with *Earth Angel* characteristics, suggestions, advice, and case studies.

How to Hear Your Angels is a step-by-step manual on how to clearly receive messages from your angels and guides. The material was culled from Doreen Virtue's best-selling book *Messages from Your Angels* and from her workshops. Doreen has been assigning this reading material to her *Angel Therapy Practitioner* students for many years, and at their request has compiled the information in this handy book. Within these pages, you'll discover your communication "style" so that you can more easily recognize the visions, words, thoughts, and feelings you receive as Divine guidance. The book is filled with charts to help you discern the difference between true Divine guidance and the voice of the ego, and it will help you engage in clear and understandable conversations with Heaven.

"When I was three years old, I told my mother I had spoken to my grandfather in Heaven. When I was five, I experienced my first premonition of death. When I was ten, I saw the ghosts of my grandparents in my room...And with every incident that happened to me, I usually had two reactions. This is really cool, and this creeps me out beyond belief." This book was created for all those people out there who, like myself, are reluctant to identify as Psychics, Indigo Children, or Earth Angels, etc. It is for all of us skeptics who roll our eyes and say "Fairies? Merpeople? Really?" But deep down inside, it makes sense to us, because we feel we really are Fairies or Merpeople or Indigo Children. So we ask ourselves: "How do I accept this type of spirituality into my life when it goes against so much of what I've been taught?"

Part one of "*Leap of Faith From Fear to Fulfillment*" is a wonderful source of encouragement, empowerment and enlightenment. Part two has proven to be a healing and very rewarding experience for all those who graciously accepted my invitation to share their "*Pearls of Wisdom*," "*Reiki Experiences and Leaps of Faith*," and "*Poetry*." Barry Spilchuk co-author of "*A Cup of Chicken Soup for the Soul*" and creator of *You're My Hero Books* has offered this quote for "*Leap Of Faith From Fear to Fulfillment*: " "In a world where everything is RUSH, RUSH, RUSH, And we are told we have to be POWERFUL to succeed, Along comes this timely book from Suzanne Harmony. This book will allow you to GENTLY start to heal, claim your power and put you on your path to CELEBRATING YOUR GOD GIVEN gifts and talents to the fullest of your ability."

My soul was inspired by spiritual love and the Angels are part of that world. I am an observer of my own evolution in poetry and photography. Angel Witness is a testimony to my life-long passion to give creative birth to spiritual messages through the language of my heart. Infused with this are photos of my friends, the Angelic world, that I know through the lens of the camera. Gail McNaughton Angel Witness Karen Noe was strongly guided by the angels to write The Rainbow Follows the Storm to bring comfort and laughter to those who want to know about what happens to our souls after we cross over to the other side. Part I, "Opening Up to the Spiritual Realm," recounts the author's spiritual journey and how she became a spiritual medium after experiencing the light and receiving a life-changing message. It includes real stories of messages she has received from those who have crossed over, showing that our souls really do survive and keep the same personality. Part II, "How to Connect with the Other side," details what the reader can do to receive messages from angels and deceased loved ones. Part III, "Is This All There Is?" incorporates various related spiritual topics, including God, the Angels, reincarnation, the human spirit, life on other planets, and healing. Part IV, "May Peace Prevail on Earth," is perhaps the most important. At this very critical period on earth, the oneness of all life means we can create peace within our hearts first, and then peace throughout the entire universe. In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions.

The Spiritual Scientist bridges the gap between science and spirituality to give the reader an understanding of how energy works and how one can balance and restore their energies to have a tranquil and peaceful life. The book covers the scientific concepts of energy and the human body and relates these concepts to their spiritual aspects. The scientific concepts will be written in an accurate and a simple fashion, so the reader will be able to understand these concepts without having a high degree of scientific knowledge. The book will discuss the scientific concept first then relate these to the spiritual aspect. The first chapter is an introduction to what energy is in basic terms with equations and diagrams so the reader can fully understand that every living thing has its own unique energy. Chapter 2 will describe energetic aura in detail as this is very important for the reader to fully understand, as the book will focus on spiritual practices that can be used to balance and restore energetic aura, including the chakra system. Chapter 3 will describe the basic anatomy of the human body and will describe the basic fundamental structures such as a cell and DNA, as well as organs and bodily systems including the endocrine system. Chapter 4 will focus on the 13 chakras in the body. The 13 chakras are represented in the spiritual scientist's logo. This chapter will help the reader understand the different chakras in the body and identify when there is a problem or if chakra is inactive, overactive or imbalanced. Chapters 5-7 will describe specific spiritual practices including crystal healing and aromatherapy that can be incorporated to ground, balance and restore ones' chakras. Chapter 8 will describe the basic function and structure of the brain and how mindfulness techniques including meditations can be used to restore peace and tranquility in ones' everyday life. The final chapter will be a guided step-by step protocol combining all the knowledge learnt throughout the book to create their own meditation kits to balance specific auras. Throughout the book, there will be guided meditations and activities, so the reader will find it easier to understand the importance of these spiritual practices and incorporate them into everyday life.
