CHI edition of German Lesson. During the Nazi occupation of Germany, a 10-year old boy's father was duty-bound to remove the forbidden art by Nansen, but the boy thought he had the duty to preserve them. The undercurrent and the dynamics make this book a classic. In CHI. Distributed by Tsai Fong Books, Inc. In service societies, the tertiary sector has long become the primary sector in terms of GDP and employment. Quality research and testing means better service, and success in the service industries demands quality. Nonetheless, complaints about insufficient, inconsistent or bad service abound. Quality decides on success and failure. Where so much is at stake, management decisions call for systematic research and consumers look for relevant results that provide guidance in complex markets. Research into quality and customer satisfaction gets to the core of a business. However, many so-called studies hardly meet essential criteria of empirical research and deliver artefacts rather than facts. This book puts an end to common misconceptions of quality studies. Measuring Service Performance is an appeal for an approach to quality research that meets
