E' comodo definirsi scrittori da parte di chi non ha arte né parte. I letterati, che non siano poeti, cioè scrittori stringati, si dividono in narratori e saggisti. E' facile scrivere "C'era una volta...." e parlare di cazzate con nomi di fantasia. In questo modo il successo è assicurato e non hai rompiballe che si sentono diffamati e che ti querelano e che, spesso, sono gli stessi che ti condannano. Meno facile è essere saggisti e scrivere "C'è adesso...." e parlare di cose reali con nomi e cognomi. Impossibile poi è essere saggisti e scrivere delle malefatte dei magistrati e del Potere in generale, che per logica ti perseguitano per farti cessare di scrivere. Devastante è farlo senza essere di sinistra. Quando si parla di veri scrittori ci si ricordi di Dante Alighieri e della fine che fece il primo saggista mondiale. Le vittime, vere o presunte, di soprusi, parlano solo di loro, inascoltati, pretendendo aiuto. Io da vittima non racconto di me e delle mie traversie. Ascoltato e seguito, parlo degli altri, vittime o carnefici, che l'aiuto cercato non lo concederanno mai. "Chi non conosce la verità è uno sciocco, ma chi, conoscendola, la chiama bugia, è un delinquente". Aforisma di Bertolt Brecht. Bene. Tante verità soggettive e tante omertà son tasselli che la mente corrompono. Io le cerco, le filtro e nei miei libri compongo il puzzle, svelando l'immagine che dimostra la verità oggettiva censurata da interessi economici ed ideologie vetuste e criminali. Rappresentare con verità storica, anche scomoda ai potenti di turno, la realtà contemporanea, rapportandola al passato e

proiettandola al futuro. Per non reiterare vecchi errori. Perché la massa dimentica o non conosce. Denuncio i difetti e caldeggio i pregi italiani. Perché non abbiamo orgoglio e dignità per migliorarci e perché non sappiamo apprezzare, tutelare e promuovere quello che abbiamo ereditato dai nostri avi. Insomma, siamo bravi a farci del male e qualcuno deve pur essere diverso!

Amazon Top 100 Bestselling Author, Dakota Willink, brings an emotionally gripping,
dark romantic suspense to the Leave Me Breathless World that is guaranteed to keep
you on the edge of your seat! Gianna There's a common expression I remind myself of
every day: that which does not kill us, makes us stronger. People think I live an idyllic
life with my perfect husband, but they don't know what lies beneath the façade. Like
the delicate petals of the daisies he loved to give, I was easily crushed—broken, just as
he wanted me to be. I've learned to accept what is, but I won't let it destroy me.
Instead, I do the only thing I can to survive—I run. Derek I knew she had a story. I knew
it most likely contained violence. But never did I imagine the horrors she'd been
though. I'd waited so long and she'd experienced so much. She was perfectly
imperfect, her scars more than skin deep. It was near impossible to separate truths
from lies but I knew her secret. And yet, I couldn't help wanting to get closer. She was

strong and there was beauty in strength. I was drawn to it—drawn to her. I wanted to erase her horrors and give her something new to dream about. *** TRIGGER WARNING: This story contains situations of domestic violence and abuse. Some aspects may be sensitive for some readers. ***

There are three people in this marriage. One of them must die. Alicia Gray knows she's a lucky woman. With a gorgeous, successful husband who whisks her away on romantic trips, a beautiful home in one of the country's wealthiest zip codes, and two wonderful daughters, life couldn't be better. However, she'll soon discover that an enviable marriage comes at a deadly cost. Who is Faith and why are dozens of email messages between her and Alicia's husband hidden in his draft folder? Why were the messages never sent? As Alicia embarks on a desperate quest to uncover Faith's identity, a shocking death hits close to home and sends her reeling. Was it a tragic accident or cold-blooded murder? In this beautiful town of wealth and privilege, nothing is as it seems, and everyone has something to hide. As Alicia struggles under the weight of dark secrets from her own past, someone knows more than they're saying—someone who knows the truth will come at a devastating price. Emotionally gripping and expertly plotted, this heart-pounding, compulsive read is the perfect domestic thriller for fans of *The Wife Between Us*, *The Husband's Secret* and *The Couple Next Door*.

USA Today Bestselling Author Bethany Lopez brings you an all-new series about getting a second chance at love later in life. Follow Whitney, Summer, Margo, and Charlotte, as they experience the good, bad, and ugly of dating again in your thirties and forties. Join them in *The Jilted Wives Club*. When men let you down, nothing's better than a bourbon straight up. Margo has no time for games. A workaholic businesswoman in a male-dominated industry can't afford any. After a failed attempt at marriage, she's chosen to keep her affairs with men casual... with no strings and no expectations. Aiden has no time for complications. Working two jobs, co-parenting an active little boy, and helping out on his family's farm hasn't left him much time for relationships. And with one divorce under his belt, he has little desire to try again. Margo will never be a Work Wife again, but there's something about Aiden that makes her want to let down some walls and see what happens. Can Margo and Aiden find room in their lives for each other, or will Margo be left with nothing but a bourbon straight up?

Este volumen reúne un conjunto de estudios realizados por diferentes especialistas en los que tratan la importancia de la lengua italiana como instrumento para la difusión de la cultura del país. Considerando que el lenguaje y la comunicación son una parte fundamental de la identidad y la cultura de una sociedad, las contribuciones recogidas en este volumen tratan de mostrar la importancia que tienen tanto los medios de

comunicación como la traducción y la propia didáctica de la lengua a la hora de transmitir los rasgos identitarios y culturales de un país, en este caso concreto, Italia. En esta obra encontraremos artículos que abarcan una temática muy diversa que gira, sin embargo, en torno a un mismo eje: el estudio de la lengua, la didáctica, la traducción o la comunicación desde una perspectiva humanista.

Reel: un uomo e il suo inferno. La sua instabilità emotiva e le sue reazioni estreme gli hanno fatto perdere il club di cui era il vice e la donna che amava, e ora lotta costantemente coi demoni che gli sconvolgono la mente, aggrappato alla vita, soltanto grazie alla brama di vendetta. Avery: una ragazza e la sua solitudine. Dopo un'esistenza completamente dedicata agli altri e mai a sé, la sua determinazione e la sua volontà la conducono alla ricerca dell'unico familiare che le è rimasto, il solo con il quale può condividere la sua tristezza e la sua frustrazione. Reel e Avery, tenebra e luce, assieme lotteranno per tornare a vivere, superando il confine tra giusto e sbagliato, tra sano e malato. E questa è la loro follia. Nota autrice: Il romanzo contiene scene violente, quali abusi e umiliazioni. Non adatto a persone sensibili in merito agli argomenti trattati. La Vipers Series narra le vicende di un gruppo di bikers fuorilegge, le cui azioni immorali, criminali e il linguaggio scurrile potrebbero impressionare il lettore. Non vuole porsi come rappresentazione reale dei motorcycle club. Madness è il primo romanzo della Vipers Series, spin-off della Rebels Series. Ogni romanzo è autoconclusivo, ma ci sono dei collegamenti tra l'uno e l'altro. Pertanto è consigliabile, anche se non indispensabile, leggere Madness dopo aver già letto Fire (secondo romanzo della Rebels).
