In this small volume the author has selected and adapted folk stories from the rich folk heritage of various parts of the Indian subcontinent, especially India. These moral fables feature kings, princesses, farmers, peasants, the foolish and the wise, as well as animals and birds, who, as in all the best folk tales, can talk. Wicked stepmothers and wily cheats get their comeuppance, while more innocent characters tend to learn their lesson in wisdom or receive their reward. These thought-provoking, simple stories will give pleasure to young and old.

Explores the role of meditation on the five elements in the practice of Yoga. In *Living Landscapes*, Christopher Key Chapple looks at the world of ritual as enacted in three faiths of India. He begins with an exploration of the relationship between the body and the world as found in the cosmological cartography of Sankhya philosophy, which highlights the interplay between consciousness (*puruṣa*) and activity (*prakṛti*), a process that gives rise to earth, water, fire, air, and

space. He then turns to the progressive explication of these five great elements in Buddhism, Jainism, Advaita, Tantra, and Ha?ha Yoga, and includes translations from the Vedas and the Pur??as of Hinduism, the Buddhist and Jain S?tras, and select animal fables from early Hinduism, Buddhism, and Jainism. Chapple also describes his own pilgrimages to the Great Stupa at Shambhala Mountain Center in Colorado, the five elemental temples (pañcamah?bh?ta mandir) in south India, and the Jaina cosmology complex in Hastinapur. An appendix with practical instructions that integrate Yoga postures with meditative reflections on the five elements is included. "Chapple has brought together material that informs and educates others into the depth and profundity of what Yoga is and its relevance today. It is a timely work in our recognition of the need for greater reflection, contemplation, awakening, and action for the benefit of all life." — Ian Whicher, coeditor of *Yoga: The Indian Tradition*

This book presents outstanding articles addressing various aspects related to the ancient Silk Road, in particular the cultural, political, and economic interactions that took place among the civilizations and cultures on the Eurasian continent. In addition, the articles help to reveal the hallmark features of cultural communication in Inner Asia in different historical periods. The book develops a new approach to studying the civilizations of the Silk Road, promotes interdisciplinary and multi-dimensional research, sets a new direction for Chinese ancient classics and western sinology, and presents the latest discoveries, including both archaeological finds and historical documents.

This book is not exclusively a history book, a travel book, a political tract or another slice of autobiography, rather a blend of all four. Ludovic Kennedy writes about the aspects of Scotland that excite him and in particular Scotland's rather stormy relationship with England over the centuries. From the prehistoric settlement of Skara Brae on Orkney, Kennedy moves to a gripping retelling of the story of the '45 rebellion in which Bonnie Prince Charlie emerges as a less than heroic figure. Other highlights include Boswell's and Johnson's Highland jaunt and the adventures of the Stone of Destiny, its capture by Edward I and subsequent recapture from Westminster Abbey by Scottish patriots in 1950. Ludovic Kennedy
