

Erica Wilsons Knitting Book

Explores the history of needlework by providing alphabetically arranged entries about techniques, patterns, and styles used around the world and their changes with time.

Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

Entries covering all areas of human endeavors, including business, science, government, education, religion, politics, and sports, detail all the measurable historic feats realized by women from around the world

Includes instructions for quilts, cross-stitch and crewel panels, pillows, and a variety of other needlework projects with designs based on scenes from classic children's books, such as "Babar," "Peter Rabbit," and "Winnie the Pooh."

This book contains more than 2,500 vendors who sell a wide range of crafting supplies. Save time and money, locating hard-to-find materials while shopping through 50+ different categories of crafts. The Index provides a broad coverage and access to

book reviews in the general social sciences, humanities, sciences, and fine arts, as well as general interest magazines and includes journals from Great Britain, Canada, Switzerland, Israel and Australia. In addition, it indexes several journals that, while published in the US, concentrate on reviewing foreign published or foreign language books. These include Hispania, French Review, German Quarterly and World Literature Today.

Outlines both simple and complex stitches, shows how to create and vary a pattern, and offers creative appliques, French knots, and other embellishments to enhance the work of beginning or experienced knitters

The fiber artist and author of Crazy Quilting Odyssey shares her secrets for creating embroidered landscapes and seascapes in this illustrated guide. Beloved fiber artist and teacher Judith Baker Montano demonstrates how to beyond traditional embroidery in this new and comprehensive to free-form embroidery. In this book full of stunningly photographed examples and watercolor illustrations, she shows you how to apply the principles of fine art to various projects using fabrics, threads, and fibers. Judith explains how to use these materials with other embellishments to convey lifelike trees, flowers, ocean corals, and more with 60 stitches and 67 stitch combinations. She also demonstrates artistic embroidery techniques for building layers, creating

dimension and perspective, and blending shapes. With techniques of free-form embroidery, you'll be able to translate your favorite landscape or seascape photo into fiber art.

Enhanced with more than three hundred images, a comprehensive history of knitting in America includes twenty historical knitting patterns.

A guide to programs currently available on video in the areas of movies/entertainment, general interest/education, sports/recreation, fine arts, health/science, business/industry, children/juvenile, how-to/instruction.
