

Federal Buyers Guide

This second book in the line of Corvette Buyer's Guides is a welcome addition to the market for Corvette C3 enthusiasts. The C3 Corvettes are the models that come to mind when many think of "Corvette", and in fact, this era of Corvette saw the implementation of numerous features, from emission control systems to an all-aluminum engine to the first Corvette to utilize a computer. Affordable, plentiful, and very restorable, the popular "shark" Corvettes are a perfect subject for this series.

Used Motor Vehicle Trade Regulation Rule (US Federal Trade Commission Regulation) (FTC) (2018 Edition) The Law Library presents the complete text of the Used Motor Vehicle Trade Regulation Rule (US Federal Trade Commission Regulation) (FTC) (2018 Edition). Updated as of May 29, 2018 The Federal Trade Commission ("FTC" or "Commission") amends the Used Motor Vehicle Trade Regulation Rule ("Rule" or "Used Car Rule"). The Final Rule adopts the following proposals: adding a Buyers Guide statement recommending that consumers obtain a vehicle history report ("VHR"), and directing them to an FTC website for more information about VHRs and safety recalls; revising the Buyers Guide statement describing the meaning of an "As Is" sale in which a dealer offers a vehicle for sale without a warranty; adding boxes to the front of the Buyers Guide where dealers can indicate additional warranty and service contract coverage; adding a Spanish statement to the English Buyers Guide advising consumers to ask for a copy of the Buyers Guide in Spanish if the dealer is conducting the sale in Spanish (and providing a Spanish translation of the optional consumer acknowledgment of receipt of the Buyers Guide); and adding air bags and catalytic converters to the list of major defects on the back of the Buyers Guide. This book contains: - The complete text of the Used Motor Vehicle Trade Regulation Rule (US Federal Trade Commission Regulation) (FTC) (2018 Edition) - A table of contents with the page number of each section

The ultimate used car buyer's guide introduces readers to helpful techniques, strategies, and tips for finding the best used vehicle while providing profiles and ratings for more than 250 cars, trucks, SUVs, and minivans, as well as crash-test data, safety features, reliability history, and listings of recalls. Original. 200,000 first printing.

The author went undercover for three months during the first part of 2003, observing, investigating and collecting information on the automobile industry. The author was an actual salesman for a multi-franchise new car dealership. The information contained herein is the actual experiences of this former federal marshal. Citing federal codifications in Title 15 and Title 18 of the United States Code, and Fair Credit Laws imposed by the United States Government, the information contained is not hearsay, conjecture, or secondary information, but actual observation and direct testimony. You will read about the Monroney Act, the federal law making car manufacturers put on "Sticker Price" labels, so you, the buyer, know what you are getting. This sets the stage for all new car sales. Now we need to get legislation to get this type of sticker on all used cars.
