For introductory courses in Financial Accounting taught from a more traditional “preparer” approach. Financial Accounting helps students “nail” the accounting cycle! Financial Accounting helps students “nail” the accounting cycle up front in order to increase success and retention later on. The concepts and mechanics students learn in the critical ‘accounting cycle’ chapters are used consistently and repetitively—and with clear-cut details and explanations—throughout the remainder of the text, minimizing confusion. Financial Accounting 9e Global Edition has been fully adapted to include International Financial Reporting Standards throughout, and to include examples of IFRS-compliant companies. This Global Edition has been edited to include enhancements making it more relevant to students outside the United States. For educator access, contact your Pearson Account Manager.
