

## Fireguard Test Study Guide

The Fire Guard License Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Provides biographical information on the men and women who write and illustrate children's books

Jan. issues include the annual: The Directory of registered school suppliers.

Required reading for every pilot, this resource identifies different icing types -- including new phenomena such as supercolled drizzle droplets. Covers both ground and airborne icing for VFR and IFR pilots in high- and low-level operations.
