"The fox knows many things, but the hedgehog knows one big thing." This ancient Greek aphorism, preserved in a fragment from the poet Archilochus, describes the central thesis of Isaiah Berlin's masterly essay on Leo Tolstoy and the philosophy of history, the subject of the epilogue to *War and Peace*. Although there have been many interpretations of the adage, Berlin uses it to mark a fundamental distinction between human beings who are fascinated by the infinite variety of things and those who relate everything to a central,

all-embracing system. Applied to Tolstoy, the saying illuminates a paradox that helps explain his philosophy of history: Tolstoy was a fox, but believed in being a hedgehog. One of Berlin's most celebrated works, this extraordinary essay offers profound insights about Tolstoy, historical understanding, and human psychology. This new edition features a revised text that supplants all previous versions, English translations of the many passages in foreign languages, a new foreword in which Berlin biographer Michael Ignatieff explains the enduring appeal of Berlin's essay, and a new appendix that provides rich context, including excerpts from reviews and Berlin's letters, as well as a startling new interpretation of Archilochus's epigram. When Boy meets Fly, it's the beginning of a beautiful friendship. Hi! Fly Guy: An Instructional Guide for Literature features engaging, rigorous lessons and activities that will help students analyze this fun story of an unlikely friendship. The lessons work in conjunction with the text to teach students how to analyze and comprehend rich, complex literature. Students will learn how to analyze story elements in multiple ways, practice close reading and text-based vocabulary, and determine meaning through text-dependent questions. Strengthen your students' literacy skills by implementing this high-interest resource in your classroom! Get ready for Fly Guy's wacky new tricks as he saves the day! new tricks and how they end up helping Buzz and Fly Guy. A hysterical, action-packed outer space adventure for Fly Guy and Buzz in the New York Times bestselling Fly Guy series. The remarkable story of a restaurant on top of the world—built by a legend, destroyed in tragedy—and an era in New York City it helped to frame In the 1970s, New York City was plagued by crime, filth, and an ineffective government. The city was falling apart, and even the newly constructed World Trade Center threatened to be a fiasco. But in April 1976, a quarter-mile up on the 107th floor of the North Tower, a new restaurant called Windows on the World opened its doors—a glittering sign that New York wasn't done just yet. In *The Most Spectacular Restaurant in the World*, journalist Tom Roston tells the complete history of this incredible restaurant, from its stunning \$14-million opening to 9/11 and its tragic end. There are stories of the people behind it, such as Joe Baum, the celebrated restaurateur, who was said to be the only man who could outspend an unlimited budget; the well-tipped waiters; and the cavalcade of famous guests, as well as everyday people celebrating the key moments in their lives. Roston also charts the changes in American food, from baroque and theatrical to locally sourced and organic. Built on nearly 150 original interviews, *The Most Spectacular Restaurant in the World* is the story of New York City's restaurant culture and the quintessential American drive to succeed.
