Nash has been struggling to get back on his feet after his last set of surgeries. He pushed for a transfer to Hathaway House on an old friend's recommendation and finally made it there—after multiple frustrating delays—only to find that he isn't ready for the strides he hopes to make in the new facility. To add insult to injury, on his first day at Hathaway House, he comes face-to-face with Alicia, the only woman he's ever loved and the last woman he'd want to see him in his current condition. Alicia let Nash go more than a decade ago, unwilling to settle for a long-distance relationship with the sailor, certain that her future would bring other dreams and other loves. But, when her brother fell ill, all her dreams shattered. She devoted herself to nursing him and, after his death, to helping others. Seeing Nash again is both pleasure and pain. The rapport between them is instant, as if the years apart had never happened. But, if they couldn't make things work back then, when life was bright and new, do the people they've

become in the years since have a shot at a future together?

As a complement to her popular book Cariboo-Chilcotin: Pioneer People and Places, Irene Stangoe has crafted a second collection of stories about the BC Interior's pioneers and the trails they blazed. In 26 separate tales she introduces a mosaic of personalities and events that spans 120 years. Stangoe fondly recalls the Indian Girls' Pipe Band, the world-famous MacKinnon sisters, the amazing ice-fishing secrets of Lac la Hache and more. Irene Stangoe has been "looking back" at the Cariboo-Chilcotin for almost half a century. Between 1986 and 1991, she was awarded a first place and two seconds in the annual Best Historical Writing Competition.

Heartwarming Heresies is a timely and much-needed book that delves into the very heart of many of the beliefs that are dearly held by many Evangelical Christians today. It's the author's contention that such beliefs may have little solid biblical foundation, but believers have adopted them nonetheless. It isn't because they have researched them extensively in the Bible, but it's ultimately because they have found them intellectually logical and emotionally reassuring. In this easy-to-read book, you will examine a dozen questions about "The Christian's relationship with God," "The nature and purpose of the church," "What we can expect in heaven," and "The devil and his hell." The author challenges you to examine with him in light of the scriptures some of those things you believe. Are they thoroughly substantiated by the Bible, or have you unwittingly adopted a few spurious ideas along the way that may please your mind and warm your heart, but are ultimately a collection of heartwarming heresies?

BFFs: The First in the Alex's Dreams Trilogy, is a fascinating story of teenager Alex and her friends. Capturing the everyday lives of a colorful cast of characters moving into young adulthood – including dating, relationships, and academic and social pressures – this memorable novel also delves into highly intriguing, more complicated territory. All the passion of emerging sexuality, and the intensity and confusion it can stir up, are highlighted in BFFs: The First in the Alex's Dreams Trilogy. Written with honesty and gritty reality, this is a book that will thoroughly entertain, surprise, and engage teen and young adult readers.

Shadows, as the title insinuates, splits open and lays bare the frightening vision of humanity, the heart of man depressed, a veritable inferno in which there is little to be enjoyed and everything to be endured, as all is vanity, a gnawing emptiness. Nothing is but what it seems. Simple but without being simplistic, there is in the damp climate of Doh's poetry broken promises, displaced emotional centres, a pervading sense of doom, of impending disaster, and a total helplessness reminiscent of Plato's proverbial mythical cave in which all reality is but shadow, devoid of substance, with the observer chained to the walls of his feelings, beliefs, and unfulfilled ambitions. The second section, 'Celebration', is, however, a source of warmth, of light, the sun's rays in an otherwise damp and dark collection.

Hathaway House: Denton(Book 4) Welcome to Hathaway House, a heartwarming military romance series from USA TODAY best-selling author Dale Mayer. Here you'll meet a whole new group of friends, along with a few favorite characters from Heroes for Hire. Instead of action, you'll find emotion. Instead of suspense, you'll find healing. Instead of romance, ... oh, wait. ... There is romance—of course! Welcome to Hathaway House. Rehab Center. Safe Haven. Second chance at life and love. Now missing a rib, muscles and a portion of his stomach, as well as suffering from PTSD, Denton would be happy to have his physical self healed. He's not so sure he'll ever get his mental health back, and finding a woman who'll have him now—as his friends have been lucky enough to do—is out of the question. Who would be willing to love a man like him?

Administrative Assistant Hannah Forsythe helps Dani run Hathaway House. A loner at heart, she's drawn to Denton's struggle and dismayed at his belief that no one could ever love him. But when an ill-advised observation she makes has unexpected consequences for Denton's recovery, Hannah's only choice is to separate herself from him to help him progress without her. As time passes, Hannah wonders if her choice has cost her everything she's ever wanted or whether Denton can work through his feelings to give them both their happy ending at Hathaway House.
