AN INTRIGUING INTIMATE CONVERSATION WITH GOD REVEALS THE LOST FEMININE SPIRIT. WOMAN - CREATED IN THE BEGINNING, FORGOTTEN IN HISTORY AND OMITTED FROM BIBLE STORIES EMERGES IN HER FULL GLORY In a tapestry of spirituality this soul weaves a labyrinth of spiritual experiences. Guided by wondrous messages, holy visits, joyful synchronicities and flights of spirit, this soul is conducted to a place of total abandonment and hears the voice of God.

A voice called my name. It took me three or four times to realize someone or something was calling out to me. I finally realized someone was calling to get my attention and asked, "Are you talking to me?" He responded and began speaking to me; I could not believe it. "Can I ask a question?" He was waiting for me to ask, He said. Now I am in complete shock. I have now realized I died and now talking with God or Jesus Christ. I was then given three instructions: to learn forgiveness; find out what is causing my anger (I was told it was medical in nature); and to write, talk, preach, teach, a video, a book. I'm like "What?" I asked if this was God or Jesus whom I was speaking or communicating with. He said, "I am who you think I am!" God told me to "give Him my 100 percent faith, sit back and watch what He can do!"

The question that many ask today is How to hear from God? I don't say that this question is wrong but the real question should be How God Speaks To Us? The God who created us and whom we serve is a Speaking God. He spoke so much that sixty six books were written which we call "The Bible". If God has not spoken then The Bible would have not existed. The word of God would not hold such power and authority if God has not spoken it we see in Hebrews 4:1 "For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart." God is talking to us all the time as God is sending signals to us. It's not a difficult thing to hear from the Lord. But one has to recognize the ways that He is trying to communicate. He is a Spirit. So He is going to speak Spirit language. And the question is, Do you know how to understand Spirit language. God is constantly speaking to many but they fail to recognize that it is His voice. In this book, I have written all the possible ways how God speaks to me but I won't say these are the only ways that He communicates but there are multiple ways through which He communicates to His children. In this book, I did my best to explain how to interpret dreams, visions, signs, symbols, colors, numbers, etc because God communicates to every individual using all of His created tools. I pray that this book will help you to grow in Him and understand His voice. God Bless!

It is my prayer that we would all have 20/20 vision and see ourselves as He sees us, as He created us. Listen to the still small voice that is God and allow it to inspire the creativity he placed in you "at the meeting." A daughter of the King Stephanie A. Douglas

This book outlines the struggles and manifestations of a life destined for a higher purpose. It will inspire and encourage those who choose to take a step out on faith.

Dear reader, In this book I will show you that God can speak to us through our experiences. We are blessed with the capacity to remember, visualize, dream, and imagine things. In this book, I will share stories about how God has spoken to me. God can talk to us through experiences that relate to music, trauma, childhood experiences, sports, people who have mentored us, things we may be facing presently, and many other ways. God often speaks to me through things I experienced in life years ago. While mediating, God spoke to me through a song that was released by the Ohio Players in the 1974. The title of the song was "I Want to Be Free." People danced the night away to that

song. The song emphasized one having the freedom to do whatever they wanted to do. As the song came to me through my memory, I remembered how we played the LP-33 record on the stereo and sang with the record in the seventies. The Lord then showed me that the only real freedom is in Jesus Christ. God spoke to me by his Word, "And ye shall know the truth and the truth will make you free" (John 8:32, KJV). My desire is to show you that God loves you, and he wants to talk to you. No matter what you have experienced in life, no matter what your circumstances are, no matter what you have done in the past—rather it be good or bad—God desires to talk with you. While reading this book, think about your experiences in life and what God is saying to you. Though this book, I want to laugh, cry, and praise God with you. And we know that all things work together for the good to them that love God, to them who are called according to his purpose. —Romans 8:28 Blessings, Paul A. Taylor Sr.

In God's books you will be introduced to a loving, powerful, gripping, exciting, and often humorous voice that reaches out and speaks ever so personally to the individual reader. Here is a voice that is playful and informative, that is humorous and serious, that is gentle and powerfully divine. It is a voice that knows no barriers or restrictions, a straightforward and honest voice that caresses us when we need the warmth and pushes us when we are immobilized. Here is an accelerated program, a no-holds-barred course, where God enters our lives and guides us with information that compels us to look at our fears and express our love. In this series of books by God, you will find truly powerful methods for making the transition from toxicity to purity, from density to light, from fear to love, and from the delusion of death to the awakening to full life. You will experience in these books the love and the power of God. Rarely will you see more lucid steps for transformation.

When someone inspire you it can save your life. Inspiration is the key to building up a people. One year my father was dying of cancer, I just had a new son, and my husband was not in the picture. I was losing my spiritual connection with God. At that moment the Oprah Winfrey show was on, and it was as if God had spoke through her voice she was talking about (Love Yourself, Take Time Out For You). It was at that moment I was re-introduce to my creator. I started to read my Bible each day and drink hot green tea, and through my new connection with God This book was erected. God spoke to me and said: Inspire others with your gift of inspirational parables. ( God speaks and I writes), The Mystery of Seeing God with My Own Eyes is written by Delton Richardo Woolcock through the Holy Spirit, as the Spirit gave me the conviction to the truth of my heart and life experiences to See GOD with my very own eyes. My spiritual vision of the Holy Spirit appeared to me in the Vancouver Revival Center Church, Australia mission church, headed by pastor Nat de Panama. During my time with the church, God had blocked my memory of seeing him with my own eyes, 'til year of 2019. As it says in the Bible, "God spoke to prophets by the way of a dream and visions" (Numbers. 12:6). God spoke to me by an awakened trance vision and not in a dream or under any narcotic influences. The vision of The Mystery of Seeing God with My Own Eyes came to me in 1990! This story is not fiction but a detailed record of events that led me to the church where my naked eyes and ears were unblocked to experience communication with God and visual appearance of GOD as an atmospheric man form without any sexual definition. This story of seeing God with my own eyes is based on a true story! It is truly amazing and a true story that I Delton Richardo Woolcock saw GOD with my own mortal eyes! This is what a man must do to save his Spirit from judgement of underworld city of hell. Hell is the place where God sends the spirits for punishment of their sins after they die. The mind of the spirit is not the same as the mind of the physical conscious person. We are not aware of our selves living in sub conscious mind

dream life experience within ourselves. I am because I experienced my inner child spirit communicate with me while I was in a dream. That is how I know the mind of our spirit is not the same as God's nor our own spirit within our own subconscious mind. The physical conscious mind of a man ends at death. It is disconnected from GOD's mind and GOD wants our evil physical mind gone or no more. That is why we do not hear GOD's voice in our heads. GOD is not a father to us in life and will not be to us in death. The bible says GOD is not the GOD of the dead. This is truth that you must at some point come to that truth either while you are alive or while you are dead. All religious believes that the soul lives on after death is false. All evidence of life does not support we ARE LIVING ON OUTSIDE OF THE HUMAN BODY. NOR RETURNING AT BABY! At birth we begin at a new innocent conscious and our life experiences shapes our conscious. We do not begin with the old conscious. The only thing is being reincarnated is our Spirits. Many feel they have lived before. This is true by their spirit only, God harness and recanted our spirits only not our outer external conscious mind. "Love, in all things you do, you do it by love" (1 Cor. 16:14) must be obeyed at all times. Without the expression of love for one another, our faith becomes workers of sin and dead. This is my one and only commandment I live by, "LOVE". I exhort you to follow in love only and do that which is right in your own eyes and no one else's eyes. OH, yes! You must obey the law of the land too or you will end up in a city jail living a horrible locked up experience. That has nothing to do with GOD but your own fault for breaking the law of the land. In accepting my vision, there is no doubt that GOD is he who he claims he is by my story of the, "mystery of seeing GOD with my own eyes". Blessed are you-you are the true body of GOD and do know faith of love in your life. Use grace alone for our sins we do to each other... For this salvation is not of dead works that no man can boast but work of GOD in us. Obedience to God's will is to abide in, "LOVE" ... Thank you for reading, "The Mystery of Seeing God with My Own Eyes!"

When God spoke to me about preaching a series of messages on prosperity, I searched the Internet highway for all the books I could find about prosperity. As I searched through the various books online, none of them seemed to line up with what God was sharing with me about prosperity. Even though I did not feel that the books I found via my research were what I was being led to teach, I purchased several of them hoping that there would be something that I had missed while reading the index and the cover. My pastor told me on several occasions that a person should be able to look at the cover of a book and get a good idea whats inside the book.

Myra Deed is sitting on a bench one day in Zagreb, Croatia, when a divine spirit overcomes her and tells her to write a book about her experiences. It's not the first time she's felt such a presence in her life, and she immediately heads to church in a bid to determine what it means. There, she seeks to understand why God wants her to write a book, despite her lack of experience with either writing or leadership in church. Myra has faced personal suffering, but God has helped her survive. He reached out with His hand to guide her toward a solution while providing strength. Even during times of war, He kept her safe. Ultimately, Myra began to write, sharing how God has appeared in her life from a young age, how he has helped her, and what she has learned from her many visions. Join her as she seeks to carry out a special task-one that even she doesn't fully understand-as she recalls her

spiritual journey in "My Parallel Life."

"When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him." Are you longing to hear God's voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few "spiritual elite." Priscilla Shirer looks at God's call to Samuel and uncovers six characteristics essential for hearing from God: A simple RELATIONSHIP, unfettered by sin or pride A single-minded WORSHIP, focused on God and His glory A set-apart HOLINESS, determined to live a life that honors Him A still ATTENTIVENESS, willing to be silent before Him A sold-out HUNGER, passionately pursuing God's presence A servant SPIRIT, submitted to God's call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear His voice more clearly.

Children have a special place in God's heart. The book *God Speaks To Me* helps children deal with various issues with faith. For instance, one poem teaches how not to be afraid of the dark. One story teaches how to deal with bullies. One poem teaches that God will answer just in time. He listens very intently on the prayer line. Do not worry or fret, He will answer yet. Be open to hearing His voice. You are the child of His choice. Children that I have personally read these stories to have really enjoyed them. I pray that you do as well. May God bless and encourage you. E. Robin Northrup.

Many feel that God is obscure, distant, and silent. In reality, however, God is constantly speaking. If you want to hear His voice, then it's time to listen. For more than twenty years, Dr. Bettie M. Ferguson has been led by the voice of God. In *How God Speaks to Me*, she leads you to start a relationship with God in which you can begin to hear, discern, and respond to His voice. Ferguson reveals how God longs to speak with you and wants to partner with you in every aspect of your life. With love and patience, Ferguson shares her own journey to hearing God's voice and how it created intimacy with God on a level she had never experienced before. She delves into the numerous avenues through which God reveals His voice as supported by the Bible, shows you how to recognize Him when He speaks to you, and encourages you to open your heart to the transformation He can bring. It's time to find greater devotion to the Lord's message. Whether you are beginning your Christian journey or have matured into a fuller stature in Christ, you'll be challenged and inspired by *How God Speaks to Me*.

From the Old Testament prophets to modern-day believers, noted author and speaker Shirer walks the reader through Scripture that captures the method and tone of God's communication and teaches the reader to beware of counterfeit voices.

Never before has a book been written that openly shares the true life-changing accounts of ordinary people who have heard God's Voice. *When God Spoke to Me: The Inspiring Stories Of Ordinary People Who Have Received Divine Guidance and Wisdom* shares seventy poignant stories written by men and women from around the world whose lives have changed in profound and unexpected ways as a result of hearing God's Voice. David Paul Doyle gathered these stories together to show the world that God speaks to all of us-in countless different ways-and that we all possess an intimate and often untapped connection with God, regardless of our personal struggles, our backgrounds or our faith. As you'll read below, these personal accounts are filled with

such raw and captivating authenticity and emotion that they truly transcend religious and spiritual boundaries. This is the most soul-stirring collection of true stories ever assembled describing true-life experiences of hearing God's Voice. Hear what others have said about this book: "This inspiring book is a rich storehouse of stories of people who-in the midst of addiction, grief, anger, rebellion, loneliness, and many other situations that afflict us all-have heard the voice of a God who can restore and renew. These testimonies are the best evidence we can hope for that the Ancient of Days is still transforming lives in the 21st century!" Richard J. Mouw, President and Professor of Christian Philosophy, Fuller Theological Seminary "This book is delightful because it confirms that all of us can speak with the Divine. In these stories we hear regular people and how their lives shift because of their connection to God. It is very inspiring!" Mariel Hemingway, Actress, Author of Mariel's Kitchen "It seems that God does not check on either one's green card, photo ID or denominational membership before He speaks! Nothing seems cooked up or even unlikely about these testimonies from a range of people. As for the rest of us: are we really listening?" Harvey Cox, Harvard Professor of Divinity, Author of The Future of Faith When God Spoke to Me by David Paul Doyle "I loved When God Spoke to Me! I've now added it to my library of resources for developing sermons. These fantastic stories are powerful illustrations of the Truth principles of love, compassion, and forgiveness that I teach." Rev. Lane Williams, Unity Church of Vermont "Each and every story included in this book speaks to me, and of my experience. When we hear what we believe to be the voice of the God of our understanding, our hearts are forever changed. Your heart will never be the same after you read these stories, told by those who've heard and understood what a loving and merciful God has spoken directly to them." Lama K. T. GOD Gave Me Visionary Song Writings is a unique book of true life stories, and powerful songs. The stories consist of every day living, and the songs are anointed lyrics conceived through dreams, personal experiences, and with scriptures from the King James Version. Martha would often sing and share the words of the songs with her oldest sister; until one morning, her sister said, "get those songs, and words published." It was then, Martha prayed about it as she waited for God's timing. Then, In 2002, the spirit of God spoke to her again, and said, "You're pregnant with child," Martha replied, "how can that be?" The voice of God said, "when you birth Joshua (salvation), you will sing." It was then Martha began writing God Gave Me Visionary Song Writings, to share what God Gave Me; even when you are faced with limitations, and also fill yourselves within with the words of God and know that you are victorious in him. "A Spirit to Love" was the first song that God gave Martha in a dream. This song "reach beyond friends to enemies and persecutors." Matthew 5:44. "Hold On" was given in a dream also. Martha dream that she stretched herself out on the earth and held on to the foundation of the word of God; while, interceding for souls (pulling them out of the pit). The purpose of this book is to edify, inspire, and testify to God's people. However, the main purpose is to glorify God, to make His deeds known before His people (Ps. 105:1). God wants His people to know that He is still in the blessing business. He heals and deliver today as He did in the older days, in the days of the prophets. I gave God the glory for the manifestation of this book. God spoke to me early one morning as I lay in bed, awake and thinking. I was thinking about the goodness of God and how He had blessed and kept me in spite of myself. I thought about all the miracles that He had performed in my life. One miracle after another came to my mind. I heard God says, "Write them down." I was obedient and began to document them. At that time, I had no idea what God wanted me to do with them. I had listed many of the miracles""just listed them and not doing anything with them. Later, God instructed me to formulate them. He wanted them in a book form. The picture became clear. God wanted me to write a book. I was somewhat baffled because the extent of my writing was for college papers that was required for some of my classes. Anyway, I got busy and began the journey of formulating my testimonies into a book. I told God that He had to help me because I did not know how to write a book. This book was produced out of complete obedience to God. I trust God that you, the reader, will be bless by it.

I call my book, God Inspired the Best in Me, because I truly believe that he has inspired all my writings, including all my other books. I was not going to write another book, but I feel that God inspired me to write this one last book, and I obeyed God... Like many people, our Lord saved me when I was at the deepest, darkest place in my life. I was lost, and I made some choices that were not healthy for my body, mind, or spirit. But I have no regrets, for this experience opened my eyes and gave me the opportunity to re-evaluate and accept my life, and everything that is a part of my life. I reached out to God for help, repented all of my sins, and asked for His forgiveness. When God spoke this is what He said to me.... as shared through my poems in Part One of this book. What does God say when He speaks to you? I invite you to have an open dialogue with God through journaling in Part Two of this book. It is my prayer that you will find this to be as cathartic and healing for you, as it has been for me. May God bless you. Felicia Elayne Hamilton

Christian Poetry inspired by the Holy Spirit to relate to every day events and beauty of our world but also includes thoughts and chastening on how we live and believe.

Water, not blood, flows through their veins. This is the story of the strong bond between Mother and Daughter and is based upon the life experiences of the author. **trans\*for\*ma\*tion** NOUN A marked change, of something or someone, usually for the better. Nature provides an amazing example of a transformation. A butterfly's life begins as an egg that becomes a larva. At its appointed time, a caterpillar breaks out and then begins to eat, and eat, and eat. Then the caterpillar spins a thread into a shell-like covering around its body. Inside this cocoon, the caterpillar changes into a pupa. The pupa grows into a beautiful, colorful, and graceful butterfly. People also go through transformations. From conception until death, we go through a series of changes. Once conceived, the life cycle stages begin and progress to produce a newborn baby. The baby grows and becomes a toddler, which then matures into an adolescent. Adulthood follows, and the process continues through mid-life through to old age. This experience is a natural transformation. There is also a spiritual transformation that we all should go through. This alteration involves changing on the inside and revealing it on the outside. You go through a conversion from living a worldly lifestyle to living a Christian life that is pleasing to God. You should desire and seek to achieve this spiritual makeover with all of your might. Many will confess to being a Christian, but are they really like Christ? You can't just name it and claim it. You have to live it. To be a Christian means to be Christ-like. You must learn to live like Christ, to love like Christ, forgive like Christ, even bless like Christ, etc. Some may say that living a Christian life is easier said than done. Why is that so? I think mainly because we have inherently conformed to this world, and this world promotes pretty much everything except Christian living. Sadly, the vast majority of those who call themselves Christians in these last days are as far from Christ as they can possibly be. They think they are living for Jesus with all of their wickedness and false doctrines and evil lifestyles. I believe that people want this transformation but are not too willing to take the necessary steps to make this process change. This change isn't always easy, but it is absolutely obtainable. You may ask, "What is required to live a Christian life?" The answer is in the Holy Bible. Transformation

-- Living a Christian Life can be summed up with one Bible verse: "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God" (Rom. 12:2). Many have conformed to the ways of the world. They need a renewing of their mind. They need to get back in alignment with the will of God. This book's purpose is to reunite you with God, His Word, and His will for your life, which is good and acceptable and perfect.

God's still small voice "There is great joy in doing something on the spur of the moment. When you do this, you find true freedom of the Spirit. You will find a new joy and freedom, which I long for all My children to have. "Life is so simple. Keep it so. Let nothing weigh you down or depress you. All is very well. Live fully in the now. "Take no thought for the morrow. Enjoy to the full what is happening now. Keep your consciousness raised, your mind stayed on Me. See My perfection working in you and through you, all your needs have been met, for all I have is yours. "Let the words and the thoughts you have heard so many times become a part of your whole being, so that they are vibrating words which manifest in form and become reality." The messages in this book ask us to have total faith in the process of living -- to trust God, the universe, spirit, love, or whatever we choose to call the divine source. They affirm that there is an inherent wisdom and intelligence in everything, which can be contacted by turning within. Each one of us can do this and find God's still small voice for ourselves. Eileen Caddy (1917-2006) is known worldwide as one of the three founders of the Findhorn Foundation in Scotland. The books that have flowed from her inspiration have drawn multitudes to the Findhorn community. In her own person, Eileen Caddy, divinely ordinary as she described herself, has pushed the limits of the ordinary person's experience to the very borders of the kingdom of God.

god is real but what about the afterlife? does god still speak to us like in the days the bible was written. is god waiting to do amazing magical things to us and the world if we all just believe ? this book represents everything ive spent my life learning about god, religion, and spirituality.. and ive been called by god to share it with the world.. with you!

When I was young, I was mysteriously protected and kept from harm. I was hit by a car, severely burned on the palms of my hands, and literally thrown out of a car into a busy intersection. Somehow I never sustained any injuries. I had many questions as this divine protection and provision continued throughout my life. Little did I know that what I endured was part of a plan for me to know what I have now learned, and share this with all who will listen. These adventures with our heavenly Father not only gave me answers to my questions but also much understanding of our Father and His works. This book tells about my adventures and part of what I learned. It is the beginning of a series of books containing what our Father has taught me. It was not easy for me to hear. It was not easy for me to write. It is always difficult for us to listen to Him. All He is asking now is for us to listen to what He has told us from the beginning and respond.

An invaluable collection of vivid conversion narratives and autobiographies by illiterate but powerfully articulate ex-slaves, *God Struck Me Dead* is a window into the soul of America and its religious history. Gathered from the Fisk Social Science Institute's massive study during the 1930s on race relations, and originally published by the Pilgrim Press in 1969, this volume is a rich resource of liberation from those whose faith was borne and tested by the cruelest of human degradations - slavery. Includes a preface by Paul Radin, author and expert on primal religion.
