Strengthen your students' literacy skills by implementing this high-interest resource in your classroom!

Guided reading is a staple of elementary literacy instruction, yet planning and conducting reading groups can be time consuming and challenging. This hands-on book presents an innovative approach to guided reading that is manageable even for teachers who are new to small-group, differentiated reading instruction. Numerous classroom examples illustrate how to organize groups and select suitably challenging materials, structure group sessions, provide scaffolding and cues while listening to students read, and balance small-group with whole-class instruction. Special features include

scheduling aids and lists of common cues for beginning and older readers, as well as suggestions for further reading at the end of each chapter.

Guided Reading the Four-Blocks® Way, Grades 1 - 3
The Four-Blocks® Literacy Model Book Series
Carson-Dellosa Publishing

The Handbook of Research on Reading Comprehension assembles researchers of reading comprehension, literacy, educational psychology, psychology, and neuroscience to document the most recent research on the topic. It summarizes the current body of research on theory, methods, instruction, and assessment, including coverage of landmark studies. Designed to deepen understanding of how past research can be applied and has influenced the present and to stimulate new thinking about reading comprehension, the volume is organized around seven themes: historical perspectives on reading comprehension theoretical perspectives changing views of text elements of reading comprehension assessing and teaching reading comprehension cultural impact on reading comprehension where to from here? This is an essential reference volume for the international community of reading researchers, reading psychologists, graduate students, and professionals working in the area of reading and literacy.

Geeder's summer at her uncle's farm is made special because of her friendship with a very tall, composed woman who raises hogs and who closely resembles the magazine photograph of a Watutsi queen.
