

## Gx 7 Gx 11 Techforag

"Bobby Fuller was the self-proclaimed Rock & Roll King of the Southwest. He wrote and recorded his own music, built his own studio, released his own records. He was left to die in his mother's car, beaten and doused with gasoline, on July 18, 1966. Now his brother tells the inside story for the first time ever"--P. [4] of cover.
