Simplified Chinese edition of Dog Man: From the Creator of Captain Underpants (Dog Man #1)

Uses high-contrast images to introduce young readers to new words.

Share with the baby of your life. It is perfect for your belly time! A very popular book with parents, librarians, teachers and readers. A gift perfect for new parents and babies. Babies react to the high black/white contrast before they can see colors clearly, making it the perfect first book for developing young brains. Experiencing strong black-white contrast helps stimulate the development of the retina and optic nerve. A sports-themed, high-contrast board book promotes early eye development while helping babies make connections between images on a page and the real world, depicting two-color images of sports figures and balls on bold, single-color backgrounds. Hello, sun. Good to see you, puppy. What's going on, butterfly? Hello, My World... Making connections between images on a page and the real world is an important building block for your baby's communication skills—and this charming introduction to simple objects found around a baby's world, paired with friendly text and bold, basic patterns, provides an important high-contrast experience for young developing eyes. Using simple greetings like "Bonjour, flowers," "What's up, clouds?", and "Hola, baby" alongside lovely black-and-white art by Jannie Ho (illustrator of TummyTime: Animal Parade), Hello, My World is the perfect board book for babies just beginning to look around and learn about their world. Also available: Hello, Baby Animals; Hello, Ocean Friends; and Hello, Garden Bugs.

- Hello Baby: a new series of very first high-contrast, black and white books with striking, clearly-defined patterns to provide optimum visual stimulation for babies from birth to 6 months- Chunky book with visually appealing, organically designed, curved pages- Features a die-cut grip handle for little hands to touch, hold and explore- Made from fully safety-tested, lightweight foam board

Presents high-contrast illustrations of faces that introduce young readers to different types of people, emotions, and characteristics.
