"How to Prepare for Nursing School" is a book that covers all of the important aspects of preparing for nursing school. In this book, you'll learn about the different types of nursing programs, how to select a good nursing school, how to finance your nursing education, and much more. Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling during the admissions process. Some students even become discouraged to the point of questioning whether they should quit, or pursue a different degree. This guide was written to give students tips insight into how to approach nursing school. The author, S.L. Page, BSN, RN, currently works as a cardiac nurse and graduated from nursing school with honors. She later went on to start a popular nursing website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect when applying to nursing school. She warns students of what they can expect to face, and she shares all the tips, tricks, and resources she used along the

Want to cover EVERYTHING on the NCLEX-RN? HESI can help! The HESI Comprehensive Review for the NCLEX-RN® Examination, 5th Edition provides a comprehensive, all-in-one review of the information you need to know to not only succeed on the NCLEX-RN exam but also on your program's HESI exit exam. Written in an easy-to-read outline format, this trusted guide breaks down chapters by clinical areas and the concepts emphasized on the NCLEX-RN exam. Rationales are provided for any incorrect answers or areas of weakness to help strengthen your understanding. The companion Evolve website also offers 700 practice questions in both study and exam formats to give you valuable practice using the same electronic testing format you will face on the nursing school exit exam and on the NCLEX-RN exam. 700 NCLEX practice questions on the companion Evolve website include alternate item formats to provide a testing experience similar to the exit and NCLEX exams. Chapters organized by clinical area enables you to easily search for various topics to review. HESI Hint boxes spotlight important clinical information and concepts commonly tested on the NCLEX-RN exam. Critical thinking study questions (with rationales) reinforce key concepts and content. Fill-in-the-blank and prioritizing questions mirror the new alternate item format item types included on the NCLEX-RN exam. Pharmacology tables highlight the need-to-know drug therapy content
