

Hidden Go Seek

Written by a renowned literary critic and legal historian, *Practice Extended* illuminates the intricacies of legal language and thought and the law's relationship to society, literature, and culture. Robert A. Ferguson details how judicial opinions are written, how legal thought and philosophy inform ideas, and how best to appreciate a courtroom novel. With chapters touching on a wide range of subjects, including immigration, eloquence, the U.S. Constitution, and the Supreme Court case over James Joyce's *Ulysses*, *Practice Extended* provides an ambitious argument for the importance of language in law and a much-needed analysis of the often vexed relationship between law and literature. Ferguson challenges the notion of law as a hermetic enterprise only accessible to experts. He reveals the discipline's relationships to history, religion, philosophy, psychology, anthropology, and the visual arts, offering a rich account of how the law has shaped and has been shaped by communal thought. He also recognizes the critical role of literature and other outside views in showcasing the social problems that law takes up. *Practice Extended* reflects Ferguson's crucial role as a pioneer in developing the field of law and literature. His writing reminds us of the need for a critical approach to the law that draws on the insights of literature to better understand political and legal history and the documents, laws, and arguments that shape our present. At the same time, this volume also showcases the ways in which the law has been integrated into works of literature, from *Billy Budd* to contemporary courtroom thrillers.

2 Paranormal romances that will make you want...to believe! 2 Paranormal authors that will help you get there. This anthology includes *Tuesday's Child* by Dale Mayer and *Deadly Beauties* by C.M. Owens. *Tuesday's Child* What she doesn't want...is exactly what he needs. Shunned and ridiculed all her life for something she can't control, Samantha Blair hides her psychic abilities and lives on the fringes of society. Against her will, however, she's tapped into a killer--or rather, his victims. Each woman's murder, blow-by-blow, ravages her mind until their death releases her back to her body. Sam knows she must go to the authorities, but will the rugged, no-nonsense detective in charge of tracking down the killer believe her? Detective Brandt Sutherland only trusts hard evidence, yet Sam's visions offer clues he needs to catch a killer. The more he learns about her incredible abilities, however, the clearer it becomes that Sam's visions have put her in the killer's line of fire. Now Brandt must save her from something he cannot see or understand...and risk losing his heart in the process. As danger and desire collide, passion raises the stakes in a game Sam and Brandt don't dare lose. *Deadly Beauties* Alyssa Coldwell decides to put her destiny as an immortal witch to the side, so she can take the chance to live like a normal girl amongst regular humans before she too is part of the fey world. She wants a break from magic and all the dangerous drama that comes with it, but life doesn't always let you do as you please. Magic is supposed to be simple - you're either light or dark. But Alyssa is brutally awakened when she learns that life isn't always so simple. There are gray areas, and there is more to being light than simply saying you are. But magic isn't her only problem, humans have problems as well. When she meets Kane Ice, she finds herself in a situation she's never been before. She's been sheltered by her overly protective mother, so being with a guy hasn't ever been an easy task. Kane makes it impossible not to try... while she can. Though she knows she'll have to leave him once her body turns immortal, she can't help but fall for him. What's the problem with a witch loving a human? So, so many things. Her world is too dangerous, and her attempt to take a break from it fails miserably when her mother is taken captive. With danger always around her, she knows Kane will never be safe. But it's too hard to let him go. Kane's not so fragile though, and he refuses to lose the only girl he's ever really cared for. Secrets are a part of Alyssa's life, but she's not the only one with a locked vault full of unspoken truths. When the secrets come out, Alyssa loses all her faith, her will, and her hope.

Dora Dormouse is on her way to have tea with Timmy Tortoise when she comes across Alex Ant who is playing hide and seek. Only when Godfrey Grasshopper comes along and tells them what to do can they manage to count to the right number. Can you help Alex Ant count the right numbers and find the hidden ants?

Ruby Boat, Topaz Sea is an imaginative romance about two kinds of redemption, one from terrible childhood tragedy, the other from personal dissolution. Set in the present day on the pastoral Scottish coast, the novel brings troubled, 40-year-old Ford Graham together with the mysterious wanderer Haddy Langland. On the remote, windy, decaying estate of Dunsmore Hall, amid thrilling and at times dangerous natural beauty, they explore unsounded personal depths. As Ford struggles toward personal honesty and an ability to love, Haddy seeks to construct from natural forces a self with which to transcend profound personal loss. Through various adventures, an effort to save the beleaguered ancient estate, and difficult inward searching, they and other characters approach an affirmation of love, human truths and self-discovery. The tale takes place a step or two removed from absolute realism, with touches of mystery and demonic menace, harsh storms, a perilous rescue, and hints of unexamined realms of human feeling and experience. *Ruby Boat, Topaz Sea* is about how a man may fail to be honest with women because he fails to understand himself. It's about the powerful force that an individual can become -- Haddy Langland is a kind of character whom you have not seen before. It's about finding a true home. And it's about the power of love to resist the seductive evils of vengeance and transform a closed, incomplete heart into a full one.

Fear is duplicitous. It is both the landlord and the tenant. Fear's voice speaks so loudly while earnestly seeking to silence yours. *Hiding Place* is about identifying and unmasking the fears that we experience every day; the fear of failure, the fear of success, the fear of inadequacy, the fear of harm, the fear of death, the fear of poverty. The fears that leave us paralyzed and immobile from the joy, truth, love and acceptance that are found in the presence of God. *Hiding Place* is a spiritual journey through a biblical context from fear's first mention in Genesis 3 to what we continue experiencing from fear today. Learn how to overcome, confront, uproot and evict the tenants of fear by identifying and utilizing the weapons of God's Word, Truth, Name and Power. Come plunge into His Presence, your hiding place is waiting. Dear God, I cordially invite you to work on my timetable. In our own ways, even when we may not realize we're doing it, we often approach God just in this way. After all, don't we feel like we need something to happen NOW; we want what we want NOW; we need the answer NOW? (Are you seeing a theme emerging?) All too often, we want God to work on our timetable, even when we know he sees the big picture and we don't have a clue. Here's the truth: The Christian walk is about patience, perseverance, longsuffering, and delayed gratification—things the Bible calls virtues. Things we tend to call impossible! If you need answers NOW, start with this book. Robert Stofel will show you how to get beyond the pain and struggle of waiting to that perfect place of peace and trust in God's timetable. Soon you'll stop asking, "God, how much longer?" and you'll be able to truly sit back and enjoy the ride! Readers' Guide included for group study or personal reflection.

Some good things happened in a mostly unheard of neighborhood, way back in the nineteen fifties. Likewise, some bad things happened in this same neighborhood. I know: I was there. To have viewed life [both the good and the bad] transpiring through the eyes of a child was my good fortune; to be able to express memories through rhyme and rhythm is my blessing . . . and this book, my proud testimony. This book is an assortment of understandings and misunderstandings; of being almost grown-up . . . and not so grown-up. It can teach you how to play some well known street games . . . and maybe why some street games should be neither well known nor taught.

In this charming follow-up to *Go to Sheep*, a sheep is ready to play a game of hide and seek, so count to ten and see if you can find him! The star of *Go to Sheep* is back in this playful board book, but this time he's not going to sleep, he's playing a game of "Hide 'n' Sheep!" Join the fun as the sheep tries to convince us that he's all the other animals on the farm—from pigs to chicks! 1, 2, 3, 4, 5, 6, 7, 8, 9, 10...ready or not, here we come!

The author recounts stories of her family and her childhood, growing up in the city of Chicago, most memorably their time living at 507 Aldine Avenue.

One of the most popular video games of all time, "Minecraft" has become a global craze thanks to nearly 40 million registered users worldwide across all platforms. In "Minecraft 2.0 Advanced," those who mastered the basics laid out in the first "Minecraft" strategy guide now find tips on more complex areas of game play, including Redstone circuitry and other inventions, and advice for beating "The End." This must-have guide for even the most advanced of experts includes the game's latest innovations and features 100 color images. This book is not authorized, sponsored, endorsed or licensed by Mojang AB. The trademark "Minecraft" is owned by Mojang AB; and other company names and/or trademarks mentioned in this book are the property of their respective companies and are used for identification purposes only.

A twisted game of Hide'n Go Seek forces an unlikely alliance between a no-nonsense FBI agent and a search-and-rescue worker. Celebrated search-and-rescue worker Kali Jordon has hidden her psychic abilities by crediting her canine partner Shiloh with the recoveries. But Kali knows the grim truth. The Sight that she inherited from her grandmother allows her to trace violent energy unerringly to victims of murder. No one knows her secret until a twisted killer challenges her to a deadly game of Hide'n Go Seek that threatens those closest to her. Now she must rely on FBI Special Agent Grant Summers, a man who has sworn to protect her, even as he suspects there's more to Kali and Shiloh than meets the eye. As the killer draws a tighter and tighter circle around Kali, she and Grant find there's no place to hide from themselves. Are her visions the key to finding the latest victim alive or will this twisted game of Hide'n Go Seek cost her...everything?

The world ends, life goes on . . . A sharp-witted novel that asks: After surviving, what do you do next? "This is not an apocalypse, it's an adjustment. There is still electricity. There is still the internet. There is still order. We will adapt and we will survive." —U.S. government After twenty years of toil, Russian researchers drilled through nearly four kilometers of ice and reached Lake Vostok, a massive body of fresh water. Unfortunately, their efforts released the microorganisms entombed inside, which nature had managed to keep sealed off from the rest of the world for twenty-five million years. Tiny, aggressive, and lethal, the microbes emerged from the ancient lake and wormed their way into the world's water supply. Anyone who washed their hands or took a sip of water absorbed these primal parasites and died in a fraction of a second. How do you live when the very thing you need to exist can kill you? But death was only the beginning. The micro-killers reanimate the corpses of their victims. Their swarm intelligence enables them to observe, scheme, and cause a hell of a lot of trouble. Rot and decay forces them to hunt for a fresh host—they're always on the lookout for the remaining survivors. Then three teenagers, one child, and one adult stumble upon a possible cure—but they have to live long enough to share their life-saving discovery with the world.

17-syllabet Japanese poems about human foibles, sans season (i.e., not haiku), were introduced a half-century ago by RH Blyth in two books, "Edo Satirical Verse Anthologies" and "Japanese Life and Character in Senryu." Blyth regretted having to introduce not the best senryu, but only the best that were clean enough to pass the censors. In this anthology, compiled, translated and essayed by Robin D. Gill, like Blyth, a renowned translator of thousands of haiku, we find 1,300 of the senryu (and zappai) that would once have been dangerous to publish. The book is not just an anthology of dirty poems such as Legman's classic "Limericks" or Burford's delightful "Bawdy Verse," but probing essays of thirty themes representative of the eros - both real and imaginary - of Edo, at the time, the world's largest city. Japanese themselves use senryu for historical documentation of social attitudes and cultural practices; thousands of senryu (and the related zappai), including many poems we might consider obscene, serve as examples in the Japanese equivalent of the OED (nipponkokugodaijiten). The specialized argot, obscure allusions and ellipsis that make reading dirty senryu a delightful riddle for one who knows just enough to be challenged yet not defeated, make them impenetrable to outsiders, so this educational yet entertaining resource has not been accessible to most students of Japanese (and the limited translations prove that even professors have difficulty with it). This book tries to accomplish the impossible: it includes all the information - original poems, pronunciation, explanation, glossary - needed to help specialists improve their senryu reading skills, while refraining from full citations to leave plenty of room for the curious monolingual to skip about the eclectic goodies. [Published simultaneously with two titles as an experiment.]

I went to the library one day to find a book of Lincoln one-liners, such as: "You can fool all the people some of the time, and..." but I found no such book. I then reviewed the literature and found that Abraham Lincoln rarely stated one-liners. His stories were nearly almost always couched in an ample supply of background detail leading to savory climaxes. After this I thought to myself, "There ought to be a book equivalent to Lincoln one-liners." So I decided to write it myself. The first section of Distilled Lincoln Anecdotes presents basic meanings of individual humorous tales from the life of Abraham Lincoln. The second section contains amusing anecdotes, observations from life, some curiosities, and a few poetic lines by the author.

This book is a story about two girls being picked on by a neighborhood bully. However, by displaying meekness and good character these two girls come up with an unique idea to win this bullies friendship. In the end, after using a little skills and strategy the two girls learned that some bullies really aren't all that big and bad as they claim to be. Simply taking the time to find out what's happening on the inside of a person may very well help to change what's happening on the outside with them.

Can You Hear the Animals? Book One: The McPherson Family is a rhyming, easy-to-grasp story of interspecies communication. Written simply enough for very young readers, it holds deep messages that can provoke emotions and thoughts for readers of any age, from laughter to tears to pleasant surprises and endless possibilities. The concepts are designed to introduce you and your children to a whole world of communication with animals and all life. This is a picture book chock-full of messages for young and old alike, written with humor and sensitivity. We are all animal communicators. Inspired by a true desire to help you and your children discover this concept, there are both obvious and hidden messages for you to uncover. It is hoped that, whatever you and your child take from this collection of heart-warming animal-talk stories, that the final outcome will create a new awareness and a sense of compassion, empathy, and respect, in essence, for all life. I have known Tracey for over fifteen years, and as a fellow empath, I can testify that she is an authentic animal medium, speaking, feeling, and acting on their behalves. We are blessed to have her working to assist our animal companions, and she deserves our support. Lindsay C Lewis, BA, RSA, author, and empath

Playtime Is Over: The book that is long overdue yet very much needed is finally here. Too often many people live a life that becomes one big lie after another. I have learned by living that it's one thing to lie to other people, but it's a terrible thing to lie to yourself. For many years some people have allowed their life to continue on in this state of "deep sleep," which is destructive not only to themselves but to others as well. This book is not to a race or creed of people, but to a type of people: To people that know that there is more to life than the things that they are seeing and doing. To people who know that there are issues and topics that need to be talked about (yet) not many people seem to want to talk about them. To people that are so fed up with the sexual sins and perversions of these times that they just want for someone to address the topic from a real honest perspective. Well, that is what I am here to do, talk about the sexual sins and perversions that are over running the world we live in. Healthy sexual relationships were designed to be a good thing, performed within the union of marriage between two (consenting) married adults. What we are allowing today in a lot more ways than one is for contamination to settle in. Men and women are leaning to their own understanding and doing (by choice) whatever they are big and bad enough to do. Some people (not all) live their life in silence about a lot of these topics, because they don't have anyone to talk to about them. Nowhere to turn for real, honest conversations about this issue. For the most part we spend time on the surface of these issues. Well, within the pages

of this book we will go past the surface and bring some clarity in a lot more areas than not, so consider your realities and know that help is here. So, brace yourself like a woman/man because "playtime is over!" Warning: Once you start reading this book, it will be hard to escape the truths in these writings, so much to the point that you will be challenged to change for the better or remain in the same condition that you were in before you started reading this book. Overall... "The choice is yours." I invite you to read, receive, and reevaluate your life as you know it so that you can live a life free from the things that may be holding you captive, and start living a life that matters even more; not only to you but to others. Life is more than living for the here and now, live for the eternal... come and dine.

Hootie is a funny furry little creature with very big eyes! Hootie has lots of friends in his big state of Texas to play with but something is missing in his life... he needs a bestest friend, a friend just like him to share everything with.. Help Hootie find his new forever friend!

This is the first three books of the best selling Psychic Vision series bundled together into one volume. This is a paranormal romantic suspense/thriller series.

With more people living alone today than at any time in U.S. history, Ferguson investigates loneliness in American fiction, from its mythological beginnings in Rip Van Winkle to the postmodern terrors of 9/11. At issue is the dark side of a trumpeted American individualism. Ferguson shows that we can learn, from our literature, how to live alone.

What she doesn't want... is exactly what he needs. Shunned and ridiculed all her life for something she can't control, Samantha Blair hides her psychic abilities and lives on the fringes of society. Against her will, however, she's tapped into a killer--or rather, his victims. Each woman's murder, blow-by-blow, ravages her mind until their death releases her back to her body. Sam knows she must go to the authorities, but will the rugged, no-nonsense detective in charge of tracking down the killer believe her? Detective Brandt Sutherland only trusts hard evidence, yet Sam's visions offer clues he needs to catch a killer. The more he learns about her incredible abilities, however, the clearer it becomes that Sam's visions have put her in the killer's line of fire. Now Brandt must save her from something he cannot see or understand... and risk losing his heart in the process. As danger and desire collide, passion raises the stakes in a game Sam and Brandt don't dare lose.

Power. As a young boy, Angel Huertas witnessed an intruder come in through the window and rape his sister and torment his mother and grandmother. He grew up poor. He was often bullied in his neighborhood. But there was something about him... something everyone recognized... something that made him special. He learned fast how to take charge on the streets of Brooklyn. He learned what power was. How to wield it. He was respected on those streets. Feared. Known. Playboy Angel. He rose from the streets of The Southside to rule over an empire... until he was betrayed and shot. Twice, he died. Twice, he was returned to life. This is the story of a boy who becomes a man; of the rise to street power and the fall. And the grace of God. This is the story of a boy who becomes a man not when he rules the streets, but when he learns what real power means.

This book shows that you can find a friend in every size, shape and color. Don't torment yourself because of what others say. Give them a try. We don't have to like someone just because they are popular if someone said so. Find someone who is nice. There are too many in the world to have to deal with the mean ones.

It's now the year of our Lord, 2915. Human civilization having attained near perfection... and Womankind's very first starship, the S.E.A.S.S. StarChild, is about to disembark on its bachelor voyage to the stars. There it will encounter absolute Hell. A Hell that changed Human herstory for the very worst nearly 7,000 years before-threatening to do that very same thing YET AGAIN!!! Yet even so "StarChild" is more than just science fiction, just as much an adventure romance novel set in the future, a strong element of mystery added. Mostly a love story in the truest sense, the main focus of "StarChild" is on people and the Human element versus mere gadgetry and futuristic jargon. And with its powerful depiction of a better society "StarChild" could even be looked upon as a mistress blueprint for a much better society than that we know today, hope for a brighter future known as the "New Matriarchate"-the Tammyite Matriarchy. Depicted in a more intelligent, realistic, sophisticated, and sensitive manner than normally experienced in works of fiction involving matriarchal civilizations it is a time in which "history" has been replaced by "herstory," delving as well into our past as well as the future.

STUFF Good Players Should Know may very well be the best book ever written for basketball players. It is conversational and easy to understand, yet filled with subtle insights into the game of basketball. STUFF is page after page of creative concepts, common sense, and special tips that can not be found anywhere else. ? How do you guard a stronger player? ? How do you set up a game-winning steal? ? How do you ?strip? a rebound? ? How do you score with a strong-handed dribble while going to the weak side? ? How do you practice shooting for maximum game effectiveness? ? How do you recognize defensive changes? STUFF is like having a coach right beside you, in your room, discussing the fine points of the games. How do you think in the minutes of the game? How do you react to mistakes? What is your attitude about fouls? Eating? Superstitions? Injuries? All this and more makes STUFF a book that players will find indispensable. Basketball fans will enjoy it, but players won't do

Homeless at age 14, Kris used his athletic ability to claw his way through public school and then nearly through college. However, the deep scars of his past began to take over. Broken and defeated at age twenty-two, having sabotaged his college team, his scholarship, his mind, and what he thought was the love of his life, darkness made its claim. Fed up, believing the challenges he and his siblings were forced to endure were vastly unjust, he gave up all belief and hope in God. Having a near death experience, Kris was still unable to overcome his atheist beliefs. In addition, as astonishing as being on the other side of the veil was, it did not convince him that God lived nor did he find the experience religiously significant. It was only after four years of deep dark depression that a real miracle took place. Read and find out how a boy and his siblings endured one traumatic set back after another. Then after finding what he thought were the keys to happiness, Kris had to face one more trial that threatens the very fibers that he has believed in. Was his childhood catching up with him once again or was it his strict obedience to Mormon doctrine that caused this latest collapse?

Now Brandt must save her from something he cannot see or understand...and risk losing his heart in the process. As danger and desire collide, passion raises the stakes in a game Sam and Brandt don't dare lose.

ETERNAL VOWS By CHRISSY PEEBLES (Book 1 in The Ruby Ring Saga) This is a time travel, fantasy, paranormal romance adventure. Never marry a stranger...even if he is a drop-dead gorgeous immortal king. Never pretend to be a princess. And most importantly...never slip on an ancient wedding ring you know nothing about. Book Blurb: Sarah Larker returns to a cave where her sister disappeared ten years earlier. She walks through a portal and is mistaken for a runaway princess on the run by a dangerous immortal king in medieval times. Her plan is bold as well as daring—become this princess, wed the king, and slip on an ancient wedding ring that will unlock the portal back home. Then find her sister and run as fast as she can out of Dodge. But taking on the identity of Princess Gloria comes along with dangerous consequences; and slipping on the ruby ring comes with an even higher price.

SEVENTH MARK By W.J. MAY Book Blurb: Like most teenagers, Rouge is trying to figure out who she is and what she wants to be. With little knowledge about her past, she has questions but has never tried to find the answers. Everything changes when she befriends a strangely intoxicating family. Siblings Grace and Michael, appear to have secrets which seem connected to Rouge. Her hunch is confirmed when a horrible incident occurs at an outdoor party. Rouge may be the only one who can find the answer. An ancient journal, a Sioghra necklace and a special mark force life-altering decisions for a girl who grew up unprepared to fight for her life or others. All secrets have a cost and Rouge's determination to find the truth can only lead to trouble...or something even more sinister.

Sian's Solution By Dale Mayer (A paranormal romance short story featuring Sian and Taz from the Family Blood Ties Series) Sometimes the depth of love is only understood when it is lost forever... When a vampire discovers the human man she loves has been captured and hung in a blood farm, she goes against her own kind and risks everything to save him. Sian Tallant is a scientist and a vampire. Her lover is a doctor and a human. Their relationship is taboo. Taz doesn't know that she is a vampire. But when she tried to break up with him, he followed her into vampire territory and was captured. Now it is up to Sian to free the man she loves - even though he might hate her for what she is.

CRUSH By CHRISSY PEEBLES ***This is an young adult vampire series*** His precious touch could prove deadly... Book Blurb: When Taylor Sparks moves from New York City to Big Bear Lake, California, her life is forever changed when she meets a hot guy with winter-blue eyes named Jesse. Their attraction is instant, the chemistry undeniable. But sadly, things aren't adding up. Taylor wonders what her 'crush' is hiding. When her new friend, Fred tells her his suspicions about Jesse being a paranormal creature, Taylor laughs. But when Fred turns up dead, she believes every warning he ever told her. Taylor is shocked to learn that Big Bear Lake isn't just glittering lakes, towering pines, and breathtaking mountains...there's more...way more than meets the eye. Will Taylor dive into a paranormal world she knows nothing about? To be with the one her heart can't live without?

RADIUM HALOS – THE SENSELESS SERIES By W.J. MAY Radium Halos Book Blurb: Everyone needs to be a hero at one point in their life. The small town of Elliot Lake will never be the same again. Caught in a sudden thunderstorm, Zoe, a high school senior from Elliot Lake, and five of her friends take shelter in an abandoned uranium mine. Over the next few days, Zoe's hearing sharpens drastically, beyond what any normal human being can detect. She tells her friends, only to learn that four others have an increased sense as well. Only Kieran, the new boy from Scotland, isn't affected. Fashioning themselves into superheroes, the group tries to stop the strange occurrences happening in their little town. Muggings, break-ins, disappearances, and murder begin to hit too close to home. It leads the team to think someone knows about their secret – someone who wants them all dead. An incredulous group of heroes. A traitor in the midst. Some dreams are written in blood.

Daughter of Aphrodite By C.M. OWENS Book Blurb: Falling in love is impossible when you're unaware of a curse. Crippling insecurities fester and take control when you've only ever tasted the bitter sting of betrayal. And trusting is impossible, especially when the man you love has secrets he won't share. But what happens when you have even bigger secrets you didn't know existed? After having her heart shattered too many times, Adisia Titan gives up on men... or so she thinks. Her resolve wavers, falters, and then dissolves when Devin Cole appears in her life. He's rich, sexy, and... persistent. Every alarm she has goes off, but she can't tear herself away from the man who refuses to let her go. The problem? He has secrets, and in her experience, secrets lead to a broken heart. How do you learn to trust when you've only ever

been proven a fool for doing such? Devin's secrets finally emerge, but Adisia can't fathom the impossible. All hell breaks loose when she learns she has secrets of her own – secrets that will forever change the life she never knew she loved. They were forgotten, written off as myths, and dismissed as the past ramblings of imaginative minds, but the Greek immortals still exist, and they live among us, hiding in plain sight. Things will change, and you must be ready for different opportunities, John W. Woods Jr. told his children. Author Marva Woods Stith followed her fathers sound advice and later became a professional black woman in corporate America. In this memoir, she shares the remarkable story of her father, her family, and her challenges and successes. Black Star Girl provides a poignant account of Stith's life journey as an African American woman beginning in the 1940s with stories of family, most particularly the influence of a beloved, strong, entrepreneurial father who was her role model. The story continues with her account of her tenacious rise through the ranks and how she joined the vanguard of professional African American women in the 1950s and 1960s while facing the challenges of discrimination in the corporate world. A vivid and personal portrait with photographs included, Black Star Girl addresses an array of themes African American and womens studies, the South of the 40s and 50s, black entrepreneurship, the racial divide, and black women in corporate America. This inspirational memoir not only serves as a family legacy but provides an insightful socialhistorical documentary.

We go through this life experiencing different things, feeling different ways, and interpreting those experiences. Everything that has happen to us since birth has made us who we are today. Embracing a wide variety of subjects, Everyday Use thrives to show you human behavior and the social environment in narrative verse. The author, Donna Reed, describes the challenges we face in our daily walk, our strengths and weaknesses as human beings, the importance of family and friends, and how sexuality, ideology, and faith are a part of our lives. She encourages us to embrace change because life is essentially a learning experience. By doing so, we are afforded a different perspective, thus allowing us to think more clearly about difficult or perplexing events and emotions. This collection spans over many years and it narrates incidents, experiences, people, and things that have touched the authors heart. In each verse, you will find the voice of a soul that feels the effects of every moment in this life and the voice of a mind that needs to make sense of this world. Everyday Use is thought-provoking, innocent, and vibrant and will inspire readers of all ages.

Hide'n Go Seek: Paranormale Visionen, Buch 2

Kate learns in Sunday school that God is always with her, yet she cannot seem to find Him anywhere. So, she sets out to play a game of hide-n-go-seek to find Him.

Come join the amazing and daunting quest of Quincy and Quigley. This is the story of two young, twin Penguins who leave the safety of their Penguin Colony to find a better hiding place while

playing "hide 'n' seek" with their friends. Instead, what they do find are some wild, out of the ordinary adventures in search of their way back home. On their incredible and sometimes dangerous quest they encounter Polar bears, Arctic foxes and many other perilous happenings that help them to better understand that "there's no place like home".

1 Light, 1 Dark, Both Unforgettable Romances! This collection contains: Hearts in Motion by Edie Ramer Tuesday's Child by Dale Mayer Hearts in Motion (Rescued Hearts) by Edie Ramer Take two cats, a dog, and a determined woman... Animal lover Abby Pimm isn't looking for love. With two rescue cats, one rescue dog, a struggling business, and her fourteen-year-old sister to raise, she's got her hands full. What she needs is an angel - though she'll settle for the devil if he'll invest in her fledgling company and keep it afloat. Add a six-year-old girl... Wealthy businessman Holden Ramsay is no devil. He's doing all the right things, and when he's forced to care for his ex's six-year-old daughter, he ends up hiring Abby as a temporary sitter - a woman who lights up his damaged heart, and perks up other organs as well. A woman who might be his redemption...or his downfall. Who's rescuing who? The animals that Abby rescued think maybe it's time they do a little rescue work of their own--because sometimes humans in love can be so dense... Tuesday's Child (Psychic Visions series) by Dale Mayer What she doesn't want...is exactly what he needs. Shunned and ridiculed all her life for something she can't control, Samantha Blair hides her psychic abilities and lives on the fringes of society. Against her will, however, she's tapped into a killer--or rather, his victims. Each woman's murder, blow-by-blow, ravages her mind until their death releases her back to her body. Sam knows she must go to the authorities, but will the rugged, no-nonsense detective in charge of tracking down the killer believe her? Detective Brandt Sutherland only trusts hard evidence, yet Sam's visions offer clues he needs to catch a killer. The more he learns about her incredible abilities, however, the clearer it becomes that Sam's visions have put her in the killer's line of fire. Now Brandt must save her from something he cannot see or understand...and risk losing his heart in the process. As danger and desire collide, passion raises the stakes in a game Sam and Brandt don't dare lose. Madder n Hell .org #3, An Alternative History What will be the future of America? Will the principles and ideals of the Declaration of Independence and the Constitution of the United States still be America's guiding light? Will America still be dedicated to "Life, Liberty and the Pursuit of Happiness"? Will Americans still live in the "Land of the Free and Home of the Brave"? Or, will America's citizens be dominated by a dictatorship, brutally crushed by martial law? Could that happen? Who could make such a nightmare become reality? What would motivate them? And, how can they be thwarted in their plans? If the history books, to be written in the future, are determined by the past, then that past is defined by the present. This Alternative History' is a warning. The future of America is in your hands. The decision is yours TODAY.
